**SPECIFICATIONS
FOR
ENVIRONMENTAL SERVICES
FOR THE WASTE RESOURCES DIVISION
CITY OF CHATTANOOGA, TENNESSEE**

1.0 GENERAL

1.1 SCOPE OF SERVICES

The Scope of Services included in these Specifications shall be for all labor, benefits, equipment, fuel, containers, related paperwork and any other related expenses necessary to provide environmental services for the WASTE RESOURCES DIVISION including the Moccasin Bend Wastewater Treatment Plant (MBWWTP), 455 Moccasin Bend Road, Chattanooga, Tennessee 37405 and pump stations throughout the Interceptor Sewer System.

1.2 BASIS OF BIDDING

The unit price shall include any and all costs for wages, benefits, indirect costs, overhead and profit, insurance, and any other related direct or indirect cost.

Specialty equipment, materials and services required for the work but not described herein will be invoiced by the Vendor at cost plus a percent mark-up.

Cost of these services shall be subject to all of the requirements of the Specifications.

The bid shall be awarded on the basis of the unit cost per item of service to provide environmental services for the Waste Resources Division as well as an evaluation of the Vendor's qualifications, experience, capabilities and other factors specified in the City Code.

1.3. *References and Experience*

A. References

The Vendor shall submit a minimum list of five (5) customers for whom the Vendor has performed environmental services during the past three- (3) years.

The list shall include names, addresses, telephone numbers, and contact person who is knowledgeable of services provided.

B. Experience

The Vendor shall have a minimum of 15 years' experience providing all of environmental services described herein.

C. Employee Qualifications

The Vendor shall have on staff employees and personnel who have been trained and/or certified in the handling of the various materials described in these specifications.

D. Failure to provide these submittals at the time of the Bid will result in the Vendor's bid being disqualified.

2.0 SERVICES AND OTHER REQUIREMENTS

2.1 *Inspection*

The services furnished by the Vendor shall be subject to inspection and approval by the City's designated representative, but the manner and method of providing the services shall be the responsibility of the Vendor.

2.2 DESCRIPTION OF CONTRACTED SERVICES

2.1 *General*

A. The Vendor shall provide all labor, benefits, equipment, fuel, materials, paper work and any other related expenses necessary provide environmental services described herein for the WASTE RESOURCES DIVISION.

B. The Vendor shall provide the services on an "as needed" basis as requested by the City. The City will attempt to schedule the work to optimize the use of the Vendor's workers and equipment when it is needed.

C. The Vendor shall perform work on straight time, i.e., non-emergency, unless otherwise noted. Overtime, weekend, or holiday work shall only be performed at the City's direction.

2.2.2 *Vendor Services*

A. The Vendor shall be prepared to provide the following environmental services holding the City harmless and assuming "Cradle to Grave" responsibility;

1. Parts Cleaner Services
2. Used Oil Services
3. Fluorescent Light Bulb Services
4. Used Grease Services
5. Lab Chemical Services
6. Other Services

B. The Vendor shall provide the labor, materials, containers, loading, transportation,

equipment, and any other materials and services necessary to provide parts cleaning services on three (3) 20 gallon parts cleaners and one (1) 30 gallon parts cleaner on an 18 week cycle. Services shall include removal of spent solvents, clean-up and inspection of parts cleaners, replenishment of parts cleaners with fresh solvents, and shipping and disposal of spent solvents at approved and properly permitted disposal sites. Services shall also include all related paper work related to the shipping and disposal of the spent solvents.

C. The Vendor shall provide the labor, materials, containers, loading, transportation, equipment, and any other materials and services necessary to provide used oil services on a prearranged schedule. Services shall include removal of used oil, clean-up and inspection of used oil storage containers, and shipping and disposal of used oil at approved and properly permitted disposal sites. Services shall also include all related paper work related to the shipping and disposal of the used oil.

D. The Vendor shall provide the labor, materials, containers, loading, transportation, equipment, and any other materials and services necessary to provide fluorescent light bulb services on an 8 week cycle. Services shall include removal of spent fluorescent light bulbs, clean-up and inspection of spent fluorescent light bulb storage containers, and shipping and disposal of spent fluorescent light bulbs at approved and properly permitted disposal sites. Services shall also include all related paper work related to the shipping and disposal of the spent fluorescent light bulbs.

E. The Vendor shall provide the labor, materials, containers, loading, transportation, equipment, and any other materials and services necessary to provide used grease services on a prearranged schedule. Services shall include removal of used grease, clean-up and inspection of used grease storage containers, and shipping and disposal of used grease at approved and properly permitted disposal sites. Services shall also include all related paper work related to the shipping and disposal of the used grease.

F. The Vendor shall provide the labor, materials, containers and/or lab packs, loading, transportation, equipment, and any other materials and services necessary to provide lab chemical services on a prearranged schedule. Services shall include removal of used laboratory chemicals such as spent or used chloroform and methylene chloride and other chemicals in small quantities, clean-up and inspection of spent lab chemical storage containers, and shipping and disposal of spent or used lab chemicals at approved and properly permitted disposal sites. Services shall also include analytical profiles of the used or spent lab chemicals and paper work related to the shipping and disposal of the spent and used lab chemicals.

G. The Vendor shall provide the labor, materials, containers, loading, transportation, equipment, and any other materials and services necessary to provide environmental services for the disposal of unknown materials. Services shall include performing analytical profiles of these materials, removal of these unknown materials, clean-up and inspection of these materials, storage containers, and shipping and disposal of these materials at approved and properly permitted disposal sites. Services shall also include all related paper work related to the shipping and disposal of these unknown materials.

2.2.3 City Supplied Services

A. The City will provide the following services:

1. The City shall provide space and access at its facilities for locating environmental service storage containers provided by the Vendor.
2. The City will provide reasonable assistance to the Vendor when on site to remove materials
3. The City will provide all electricity, water, and wastewater utilities at City facilities.

Affirmative Action Plan

The City of Chattanooga is an equal opportunity employer and during the performance of this Contract, the Contractor agrees to abide by the equal opportunity goals of the City of Chattanooga as follows:

1. The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, or handicap. The Contractor will take affirmative action to ensure that applicants are employed, and the employees are treated during employment without regard to their race, color, religion, sex, national origin, or handicap. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay, or other forms of compensation, and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
2. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, or handicap.
3. The Contractor will send to each labor union or representative of workers with which he/she has a collective bargaining agreement or other contract or understanding, a notice advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. During the term of this contract the following non-discriminatory hiring practices shall be employed to provide employment opportunities for minorities and women:
 - a. All help wanted ads placed in newspapers or other publications shall contain the phrase "Equal Employment Opportunity Employer."
 - b. Seek and maintain contracts with minority groups and human relations organizations as available.

- c. Encourage present employees to refer qualified minority group and female applicants for employment opportunities
 - d. Use only recruitment sources which state in writing that they practice equal opportunity. Advise all recruitment sources that qualified minority group members and women will be sought for consideration for all positions when vacancies occur.
5. Minority statistics are subject to audit by City of Chattanooga staff or other governmental agency.
6. The Contractor agrees to notify the City of Chattanooga of any claim or investigation by State or Federal agencies as to discrimination.
