

Sole Source Justification

Cost: \$21,750

Vendor: Imagine Learning

Product: Digital Libraries 6-12 Comprehensive All Site License and Professional Development Foundational Webinar Package

Justification: Imagine Learning education software supports the School's online education program. ACIA aligns with subjects and programs of study in Anderson County. Imagine Learning also supports and owns Odyessyware, a software program used by the Schools for 13 years. Imagine Learning has agreed to keep Odyessyware active until the change to new programming in Imagine Learning is complete. Using these products will prevent the need to learn a new product before school starts.
