Questions and Responses

Q: I do not see the attachment for the concept report noted in the RFP. Can you please point me to that?

A: Corrected RFP has been uploaded to Georgia Procurement Registry website and City of Griffin's website.

Q: Can you comment on the requirement for cost? The RFP indicates that is not a criteria for selection but a cost form is included.

A: Architectural and engineering service procurements must follow the Brooks Act and the Mini-Brooks Act required by state law which excludes price as an evaluation factor provided the price is fair and reasonable. Cost is being asked for to negotiate with successful proposer at the end of the RFP process.
