RE: Addendum No. 2, dated June 11, 2020

This Addendum modifies the original RFP Documents dated May 2020.

This Addendum consists of two (2) pages. Pre-Conference sign in sheet is attached and consists of one (1) page.

Add 2.1 Questions and Responses

Q: Is this an RFP or an RFQ?

A: This is an RFP. The City of Griffin will use this process to select a consultant.

Q: Should the cost proposal form be in a separate sealed envelope, and does the price form count toward the page count?

A: Cost proposal should be included in a separate sealed envelope. This form does not count toward your total page count.

Q: May we provide our full list of principal officers in an appendix that will not count towards the page maximum?

A: This item is classified as marketing material under section 1.6 of the RFP and does not count toward the page count. This information may be included but must be separate from the proposal.

Q: May we also provide a full list of office locations in an appendix, not included in the page maximum?

A: This item is classified as marketing material under section 1.6 of the RFP and does not count toward the page count. This information may be included but must be separate from the proposal.

Q: May we also provide this information in an appendix from 3.1? "Suppliers that have not contracted with the city in the past 2 years should provide a list of clients for whom similar services, as detailed in this bid, have been provided during the past 3-4 years."

A: Section 3.1 is classified as additional references for suppliers that have not contacted with the city in the past 2 years. Per section 1.6.9, references are excluded from the page count.

Q: Does the City have a budget for this project?

A: The budget for the project is on page 9 of the concept report.
