COMPENSATION STUDY AND ANALYSIS

Objective:

ChildCareGroup (CCG) is seeking a company to conduct a compensation study and analysis to evaluate current market pay rates in each of the markets in which it operates, as well as provide recommendations on current positions and structure. The Agency currently has approximately 413 employees in the Dallas Ft. Worth, Corsicana, Waco, and Beaumont, Texas areas.

To remain competitive in today's dynamic labor environment, we must have a review of our current compensation rates, to adjust and modify as necessary to meet the needs of a competitive and diverse workforce.

Scope of Work:

The primary objective of this study is to analyze compensation rates for all job titles for the markets we serve and to obtain recommendations that ensure CCG's compensation rates are competitive, equitable, and market based. The secondary objective is to analyze current positions and make recommendations as appropriate on consolidation of job codes and/or position IDs.

CCG currently has approximately 174 active job titles. CCG will provide the selected vendor with data as requested to properly assess current compensation and organizational structure and other information as required to complete a compensation analysis.

The key components of this RFQ are as follows:

- Determining competitive compensation rates for all positions
- Evaluate current compensation practices based on review of the CCG Compensation Policy (Jan 2023)
- Identify consolidation opportunities for job codes/job titles to reduce repetitive positions as needed.

**The selected vendor will use a variety of data resources to ensure a complete and accurate market analysis and will include in its response a detailed plan for this analysis, potential sources utilized, as well as a timeline for completion of the project.

Responses will be evaluated based on the following:

- Ability of organization to provide requested services (30%)
- Price (30%)
- Deliverables (20%)
- Timeline for execution (20%)

Cost of Services:

Respondents are to provide their proposed costs for the completion of this project in its entirety. Cost estimates will be considered as "not to exceed" quotations, except to the extent that the assumed scope is changed by mutual agreement in writing. A rate schedule for computing any extra work not specified within the scope of work should also be included.

Terms:

This fixed-cost agreement shall be for a period of one (1) year, subject to funding availability.

ChildCareGroup reserves the right to cancel, delay, amend, and/or reissue any part of this Request for Quote (RFQ) at any time without prior notice. This RFQ does not commit CCG to accept any quotes submitted, nor shall CCG be responsible for any costs incurred in the preparation of responses to this RFQ. CCG reserves the right to reject any or all quotes, to accept or reject any or all items in the quotation, to award a contract in whole or in part of the RFQ specifications and requirements, and/or to award to one or multiple bidders herein as deemed to be in the best interest of CCG.
