

SECTION 00100
ADVERTISEMENT FOR BIDS
STREET REPAIR, RESURFACING & UTILITY IMPROVEMENTS
TEBEAU STREET • WAYCROSS, GEORGIA
Bid # FY21-01
JUNE 10, 2020

The City of Waycross will receive sealed bids for all material, labor and equipment necessary for the construction of Street Repair, Resurfacing (Division 1) & Utility Improvements (Division 2) – Tebeau Street at the Waycross City Hall – 417 Pendleton Street – P.O. Drawer 99 – Waycross, GA 31502-0099 until 2:00 PM prevailing local time on July 9, 2020 at which time and place bids will be opened and read. All interested parties are invited to attend. Proposals may be mailed or delivered to the attention of Linda Jones, Purchasing Manager at the above address. Proposals received after the designated date and time will not be considered. No bid may be withdrawn after the closing time for receipt of bids for a period of sixty (60) days. Detailed instructions for the preparation and submission of a bid may be found in the Specification Section 00200 - Instructions to Bidders.

The work of this contract consists of Street Repair and Resurfacing (Division 1) beginning just east of Brunswick Avenue and continuing east along Tebeau Street a distance of approximately 1.7 miles to the Waycross City Limits. More specifically the work of Division 1 includes, but is not limited to, mobilization/demobilization; asphalt milling and re-surfacing; spot repairs to subgrade and base; grade adjustments at affected manhole and valve box covers; traffic control; pavement markings; raised reflective pavement markers and stop bars; installation of ADA compliant curb ramps with associated sidewalk improvements at street intersections; complete surface restoration; and all other work and appurtenances required.

Utility Improvements (Division 2) consist of sanitary sewer collection system and water distribution system improvements. More specifically the work of Division 2 includes, but is not limited to, mobilization/demobilization; removal and replacement of approximately 2,120 LF of 8-inch diameter gravity sewer lines with associated utility conflict boxes, manholes and sewer service lines; 60 LF of 16-inch steel casing pipe installed by the jack and bore method; installation of approximately 335 LF of 2-inch and 6-inch PVC water mains with associated fittings and valves; complete surface restoration; and all other work and appurtenances required.

A non-mandatory pre-bid meeting will be held at the Waycross City Hall – 417 Pendleton Street – Waycross, GA 31502 until 2:00 PM prevailing local time on Monday, June 22, 2020. Contract documents may be examined at the Waycross City Hall – Office of the City Engineer. Full printed copies of the plans, specifications and bidding documents may be obtained from Coastal Engineering Consultants, Inc., P.O. Box 20306, St. Simons Island, Georgia 31522 (Phone: 912-223-0647; E-mail:) upon payment of a non-refundable fee of \$150.00 per set to cover printing and shipping costs. Electronic copies via e-mail will be made available at no cost. All bidders must receive a bid package from the Engineer to be considered certified. Bids from non-certified bidders will not be considered.

Bidders may bid Division 1 only, Division 2 only, or both Divisions 1 and 2. The City of Waycross reserves the right to delete one or more Bid Items for the purpose of making an award; the right to award each division independently; and the right to reject any or all bids including without limitation, the right to reject any or all nonconforming, nonresponsive, unbalanced or conditional Bids; and to make an award in the best interest of the City of Waycross.

The City of Waycross provides equal opportunity for all businesses and does not discriminate against any person or business because of race, color, religion, sex, national origin, and handicap or veteran's status.
