**Specifications
For Collection and Disposal of Household Hazardous Waste
For
The City of Chattanooga
Household Hazardous Waste Collection Center**

Scope of Work

The City of Chattanooga, Tennessee, the "City", invites all interested firms to submit their bid to collect and dispose of Household Hazardous Waste (HHW) generated within the City of Chattanooga . The City has a structure established on North Hawthorne Street at the Wood Waste Recycling Facility located northeast of downtown near Amnicola Highway.

Part A. General

The Contractor shall:

1. Be experienced with household hazardous waste handling and disposal and/or be a licensed treatment, storage, and disposal (TSD) facility.
2. Set up and receive household hazardous wastes (excluding radioactive materials, pyrophorics, and explosives) from residents who reside within Hamilton County. Chattanooga and Hamilton County residents will bring their household hazardous waste to the facility on North Hawthorne Street established by the City of Chattanooga. No single container accepted shall exceed five gallons.
3. The facility operates Tuesday through Saturday from 8 a.m. until 3 p.m. The facility is located at 4063 North Hawthorne Street, Chattanooga, TN 37406.
4. Provide personnel trained to the satisfaction of the Tennessee Department of Environmental Control for the purposes stated in (1) above and Part B below. (See attached Bid Sheet)
 - A. At least one trained hazardous materials specialist with the equivalent of a Bachelor's degree and three years' experience in hazardous waste handling and packaging shall be on site at all times during the collection and disposal process.
 - B. The Contractor will provide trained hazardous waste technicians or chemists to come to site and take inventory as well as handle packaging, labeling, marking, and manifest the wastes received.
5. Carry out all interactions with the Tennessee Department of Environmental Conservation in satisfying that department's requirements for permits, variances, agreements, or registrations for the purposes of this project only.
6. Length of Contract: One (1) year with an option for a four (4) year extension under same terms and conditions.

7. Price Quotes: The proposal should include a cost per pound for each item to provide the service, including mobilization fee if applicable.
8. Provide a certificate of liability protection as additionally insured to the satisfaction of the City of Chattanooga for activities carried out under this project only. The Contractor shall provide a Certificate of Insurance with the policies including all coverage's listed on the attached Certificate of Insurance. Pollution coverage must be included in both the General Liability as well as the Automobile Liability. Amounts listed on the insurance requirements form must be met or exceeded. Additionally, the Contractor must provide a D.O.T. Certificate to Haul. The City of Chattanooga must be named as additionally insured on all policies.
9. The Contractor shall defend, indemnify, and hold harmless the City of Chattanooga, its officers, agents, and employees from any and all claims for damages, for injuries to persons or property related to or arising during the time collection.

Part B. Work Included in Contract

1. Employees of the Contractor shall conduct all physical handling of wastes. Acceptable waste types are expected to include, but are not limited to, the following:

Household Cleaners

drain openers
 oven cleaner's
 wood, metal cleaners and polishes
 toilet bowl cleaners
 disinfectants

Lawn and Garden Products

herbicides
 pesticides/rodenticides
 fungicides
 wood preservatives

Automotive Products

oil and fuel additives
 grease and rust solvents
 carburetor and fuel injector cleaner's
 air conditioning refrigerants
 started fluid
 body putty
 anti-freeze/coolant
 waste oil
 kerosene, gasoline
 gear oil & automotive lubricants

Home Maintenance & Improvement Products

paint thinners
 paint strippers and removers
 adhesives
 oil based paints
 fire extinguisher powder

Miscellaneous

all battery types
 fluorescent bulbs (ALL sizes)
 pool chemicals
 photo processing chemicals
 reactives (aerosols/compressed gas)
 radioactives (smoke detectors ONLY)

EXCLUDED WASTES INCLUDE: EXPLOSIVE; RADIOACTIVE; MEDICAL; EPA-LISTED HAZARDOUS; AND FRIABLE ASBESTOS WASTES

*All pricing in Bid Sheet should cover the above.

2. The Contractor shall identify, categorize, package, label, mark, manifest, transport and dispose of the collected hazardous waste to the satisfaction and specifications of the Tennessee Department of Environment and Conservation and the U.S. Department of Transportation and any other pertinent federal, state, and local codes or regulations.
3. The Contractor shall have the sole responsibility for the collection and ultimate disposition of all oil based paints received at the collection site. Every effort should be made to reduce the number of drums of oil based paint ultimately sent to the landfill. Efforts should be made to recycle/reuse paints.
4. The Contractor shall provide all containers and bags, twenty (20) yard roll-offs, over packs, labels, metal and poly barrels, boxes for fluorescent bulbs, liftpacs, and absorbent materials so that wastes can be packed and shipped according to D.O.T., the U.S. Coast Guard, and U.S. Environmental Protection Agency (RCRA) standards.
5. The Contractor will prepare waste profile sheets required by the TSD facility. The Contractor will make all corrections to the profiler sheets that are required to gain waste acceptance at the TSD facility. The Contractor will arrange laboratory tests performed on the waste.
6. The Contractor will keep a daily log of waste accepted and analytical tests performed during collection.
7. All wastes will be manifested, labeled and shipped in a manner consistent with its RCRA hazard class or TSCA requirements. The Contractor will prepare all manifests. Disposal shall be at hazardous waste TSD facility licensed by the US EPA.
8. The Contractor must provide service within five (5) business days from time of request to collect. No wastes will be stored at the collection facility for more than five (5) days after the scheduled collection. Longer storage periods must be approved by the City of Chattanooga.
9. The Contractor must provide a list of their required shipping standards for collection. For example: if fluorescent bulbs must be in boxes, if acids must be in barrels, oxidizers and flammable gas in metal containers.

Part C. Site Safety

Wastes delivered to the site are not always compatible; spills, uncontrolled reactions, and fires are serious threats.

1. The Contractor will act as the initial emergency response team.
2. The Contractor will maintain emergency equipment on-site. The minimum requirements are:
 - Protective Work Clothing
 - Fire Extinguishers
 - Organic Vapor Respirators
 - Level "B" Protective Equipment for Two People
 - Emergency Shower
 - Eye Wash
3. The Contractor will prepare a contingency plan for review and approval of the City of Chattanooga. Wastes spilled by the Contractor will be cleaned up at the Contractor's expense.

Affirmative Action Plan

The City of Chattanooga is an equal opportunity employer and during the performance of this Contract, the Contractor agrees to abide by the equal opportunity goals of the City of Chattanooga as follows:

1. The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, or handicap. The Contractor will take affirmative action to ensure that applicants are employed, and the employees are treated during employment without regard to their race, color, religion, sex, national origin, or handicap. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay, or other forms of compensation, and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
2. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, or handicap.
3. The Contractor will send to each labor union or representative of workers with which he/she has a collective bargaining agreement or other contract or understanding, a notice advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
4. In all construction contracts or subcontracts in excess of \$10,000 to be performed for the City of Chattanooga, any contractor and/or subcontractor is further required to file in duplicate within ten (10) days of being notified that it is the lowest responsible bidder, an affirmative action plan with the EEO Director of the City of Chattanooga. This plan shall state the Contractor's goals for minority and women utilization as a percentage of the work force on this project.
5. This Plan or any attachments thereto shall further provide a list of all employees annotated by job function, race, and sex who are expected to be utilized on this project. This plan or attachment thereto shall further describe the methods by which the Contractor or Subcontractor will utilize to make good faith efforts at providing employment opportunities for minorities and women.

During the term of this contract, the Contractor upon request of the City, will make available for inspection by the City of Chattanooga copies of payroll records, personnel documents and similar records or documents that may be used to verify the Contractor's compliance with these Equal Opportunity provisions.

6. The Contractor will include the portion of the sentence immediately preceding paragraph 1 and the provisions of paragraphs 1 through 6 in every subcontract so that such provisions will be requested of each subcontractor. The Contractor agrees to notify the City of Chattanooga of any subcontractor who refuses or fails to comply with these equal opportunity provisions. Any failure or refusal to comply with these provisions the Contractor and/or Subcontractor shall be a breach of this contract.

REQUIREMENTS FOR INSURANCE COVERAGE

The Contractor shall not commence work under these Contract Documents until he has obtained all insurance required herein nor shall the Contractor allow any Subcontractor to commence work on his subcontract until similar insurance required of the Subcontractor has been obtained by the Subcontractor. Insurance shall be placed by the Contractor with one or more insurance carriers licensed to do business in the State of Tennessee. Each insurance policy shall be renewed ten (10) days before the expiration date of the policy.

Certificates of Insurance shall be filed with the City prior to commencement of the work. These certificates shall contain a provision that coverage's afforded under the policies will not be changed or canceled unless at least fifteen (15) days' written notice has been given to the City. The Contract shall not be binding upon the City until the insurance coverage required herein has been obtained and certificates have been filed with the City.

Adequate insurance coverage shall be maintained by the Contractor at all times. Failure to maintain adequate coverage shall not relieve the Contractor of any responsibilities or obligations under these Contract Documents. In the event any insurance coverage is canceled or allowed to lapse, the Contractor will not be permitted to prosecute the work until adequate and satisfactory insurance has been obtained and Certificates of Insurance furnished to the City. Failure to keep insurance policies in effect will not be cause for any claims for extension of time under these Contract Documents.

All such policies shall be subject to approval by the City Attorney. Should the City Attorney at any time in his sole discretion determine that the insurance policies and certificate provided may not be sufficient to protect the interests of the City because of the insolvency of the insurance company or otherwise, the Contractor shall replace such policies with policies meeting his approval.

The Contractor shall procure and maintain at his own expense, during the Contract Time, insurance as hereinafter specified:

Workmen's Compensation Insurance that shall protect the Contractor against all claims under applicable state workmen's compensation laws shall be maintained. The Contractor shall also be protected against claims for injury, disease or death of employees which, for any reason, may not fall within the provisions of a workmen's compensation law. This policy shall also include an endorsement providing coverage in all States in which work is performed. The Contractor shall require all the Subcontractors to provide similar Workmen's Compensation Insurance for all the Subcontractors' employees on the work unless such employees are covered by the protection afforded by the Contractor. The liability limits shall not be less than that required by statute.

General Public Liability and Property Damage Insurance that shall be written in comprehensive form and shall protect the Contractor against all claims arising from injuries including death, to members of the public or damage to property of others arising out of any act or omission of the Contractor or his agents, employees, or Subcontractors. In addition, this policy shall specifically insure the contractual liability assumed by the successful bidder to defend and indemnify the City of Chattanooga against such claims or suits.

To the extent that the work may require blasting, explosive conditions or underground operation, the comprehensive general public liability and property damage coverage shall contain no exclusion relative to blasting, explosion, collapse of buildings, or damage to underground property.

The comprehensive general public liability and property damage coverage shall also protect the Contractor against all claims from damage to:

1. Private driveways, walks, shrubbery and plantings;
2. Public utility facilities; and
3. U.S Government monuments.

The liability limits shall not be less than:

Bodily Injury	\$ 500,000 each person \$1,000,000 each occurrence
Property Damage	\$ 250,000 each occurrence \$ 500,000 aggregate

The general public liability and property damage insurance shall carry an endorsement in form satisfactory to the City to the effect that the Contractor shall save harmless the City from any claims and damages whatsoever, including patent infringement. General public liability and property damage insurance shall be kept in force at all times during the course of the work until such time as the work covered by these Contract Documents has been completed and accepted by the City.

Comprehensive Motor Vehicle Liability and Property Damage Insurance that shall be written in comprehensive form and shall protect the Contractor against all claims for injuries to members of the public and damage to property of others arising from the use of motor vehicles, and shall cover operation on or off the site of all motor vehicles licensed for highway use, whether they are owned, non-owned, or hired.

The liability limits shall not be less than:

Bodily Injury	\$ 250,000 each person \$ 500,000 each occurrence
Property Damage	\$ 100,000 each occurrence

Chapter No. 817 (HB0261/SB0377). "Iran Divestment Act" enacted.
Vendor Disclosure and Acknowledgement

By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each bidder is not on the list created pursuant to § 12-12-106.
