3.2 Equipment Recycling

The selected vendor must also provide the District with certification verifying that all purchased equipment will be either responsibly recycled (e.g., R2, ISO 14001, e-Stewards) or prepared for resale. The vendor submitting the bid must be certified. Bids will not be accepted from non-certified vendors who partner with another company for this service.

4.0 EVALUATION CRITERIA AND VENDOR SELECTION

4.1 Evaluation Criteria and Process

Lindbergh Schools will evaluate quotes received using a scoring process. The most important criterion is price, but the District will also consider vendor qualifications.

Evaluation Overview

Weight	Criterion
80	Price
20	Vendor Qualifications

The District will review each RFP response and score each response based on this predefined assessment criteria. As a result, items such as solution price, company experience, ability to achieve desired service levels, and references may be considered in the final decision. The winning bid will be posted to the Lindbergh Schools Vendor Registry. All contracts and supporting documentation will be approved by both parties before any costs are incurred. Any contract terms that are not acceptable by the District may be grounds for dismissing the selected vendor.

Lindbergh Schools will use information provided in Vendor Response Forms, Form 3: Executive Summary, Form 4 Company Profile, Form 5: Ease of Transition, as well as completed Form 6: References, to assign scores for the vendor qualifications criterion.

4.2 Quote Acceptance and Rejection Criteria

All proposals shall be deemed final and no bid shall be subject to correction or amendment for any error or miscalculation after the bid closing date. Selection is, at a minimum, contingent upon a complete and satisfactory quote. Lindbergh Schools reserves the right to reject any bid which, through bidder error or omission, is found to be mathematically incorrect, otherwise incomplete, or not in compliance with District bid specifications. The right to reject bids which are incomplete, inaccurate, or not in compliance shall be exercised in the best interest of Lindbergh Schools.

4.3 Competitive Negotiation

Lindbergh Schools reserves the right to request clarification, conduct discussions with vendors, to request revisions, and/or waive minor informalities. The District also retains the right to negotiate the final contract terms and conditions with one or more of the most responsive vendors as solely determined by the District. Finally, Lindbergh Schools may discard all vendor responses if none meets the stated requirements or if the evaluation team deems none serves the best interests of the District.
