

Request for Qualifications: Preliminary Engineering & Architectural Report Design Services

Questions Submitted for Clarification 10.31.19 (answers in red)

1. Does the County plan to apply for the full \$2,000,000 CBDG grant? **To be determined**
2. Should the County be awarded any percentage of these grants, can that award be used toward financing pre-construction (design), construction, and/or operational expenses? **Yes**
3. The listing states the County is considering applying for the CBDG grant currently. Will the County also apply for other grants depending on the Statement of Qualifications received? **To be determined**
4. Once the County selects their preferred qualified firms, will the County have the ability to award a project to the most qualified firm based on the project's demands/criteria? **Yes, as per the RFQ**
5. Does the County plan to use awarded grant funds to address planned improvement strategies already adopted? **To be determined**
