The Prospective Contractor must disclose whether they, a family member or a representative of the Prospective Contractor has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the Contractor submits a proposal or, in the case of a sole source or small purchase contract, the two years prior to the date the contractor signs the contract, if the aggregate total of contributions given by the Prospective Contractor, a family member or a representative of the Prospective Contractor to the public official exceeds two hundred and fifty dollars (\$250) over the two year period.

Furthermore, the state agency or local public body shall void an executed contract or cancel a solicitation or proposed award for a proposed contract if: 1) a Prospective Contractor, a family member of the prospective Contractor, or a representative of the Prospective Contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or 2) a Prospective Contractor fails to submit a fully completed disclosure statement pursuant to the law.
