TAX CLEARANCE

Fort Hays State University strongly supports the State of Kansas Tax Clearance Process. Vendors submitting bids or proposals which exceed \$25,000 over the term of the contract shall include a copy of a Tax Clearance Certification Form with their submittal. Failure to provide this information may be cause for rejection of vendor's bid or proposal.

A "Tax Clearance" is a comprehensive tax account review to determine and ensure that the account is compliant with all primary Kansas Tax Laws administered by the Kansas Department of Revenue (KDOR) Director of Taxation. Information pertaining to a Tax Clearance is subject to change(s), which may arise as a result of a State Tax Audit, Federal Revenue Agent Report, or other lawful adjustment(s).

To obtain a Tax Clearance Certificate, you must:

- Go to <https://www.kdor.ks.gov/apps/taxclearance/Default.aspx> to request a Tax Clearance Certificate
- Return to the website the following working day to see if KDOR will issue the certificate
- If issued an official certificate, print it and attach it to your bid response
- If denied a certificate, engage KDOR in a discussion about why a certificate wasn't issued

Bidders (and their subcontractors) are expected to submit a current Tax Clearance Certificate with every event response.

Please Note: Individual and business applications are available. For applications entered prior to 5:00 PM Monday through Friday, results typically will be available the following business day. Tax clearance requests may be denied if the request includes incomplete or incorrect information.

Please Note: You will need to sign back into the KDOR website to view and print the official tax clearance certificate.

A copy of the Certification of Tax Clearance form received from the Kansas Department of Revenue should be sent along with the bid response(s) to:

Fort Hays State University
Purchasing Office
601 Park Street, Sheridan Hall 318
Hays, KS 67601

Failure to provide this information may be cause for rejection of vendor's bid or proposal.

Information about Tax Registration can be found at the following website:
<http://www.ksrevenue.org/forms-btreg.html>

The FHSU Purchasing Office reserves the right to confirm tax status of all potential contractors and subcontractors prior to the release of a purchase order or contract award.

In the event that a current tax certificate is unavailable, the FHSU Purchasing Office reserves the right to notify a bidder (one that has submitted a timely event response) that they have to provide a current Tax Clearance Certificate within ten (10) calendar days, or FHSU may proceed with an award to the next lowest responsive bidder, whichever is determined by the Purchasing Director to be in the best interest of FHSU and the State.

CERTIFICATION REGARDING IMMIGRATION REFORM & CONTROL

All Contractors are expected to comply with the Immigration and Reform Control Act of 1986 (IRCA), as may be amended from time to time. This Act, with certain limitations, requires the verification of the employment status of all individuals who were hired on or after November 6, 1986, by the Contractor as well as any subcontractor or sub-subcontractor. The usual method of verification is through the Employment Verification (I-9) Form. With the submission of this bid, the Contractor hereby certifies without exception that Contractor has complied with all federal and state laws relating to immigration and reform. Any misrepresentation in this regard or any employment of persons not authorized to work in the United States constitutes a material breach and, at the State's option, may subject the contract to termination and any applicable damages.

Contractor certifies that, should it be awarded a contract by the State, Contractor will comply with all applicable federal and state laws, standards, orders and regulations affecting a person's participation and eligibility in any program or activity undertaken by the Contractor pursuant to this contract. Contractor further certifies that it will remain in compliance throughout the term of the contract.

At the State's request, Contractor is expected to produce to the State any documentation or other such evidence to verify Contractor's compliance with any provision, duty, certification, or the like under the contract.

Contractor agrees to include this Certification in contracts between itself and any subcontractors in connection with the services performed under this contract.

Late Technical and/or Cost proposals will be retained unopened in the file and not receive consideration.

It is the vendor's responsibility to ensure bids are received by the closing date and time. Delays in mail delivery or any other means of transmittal, including couriers or agents of the issuing entity shall not excuse late bid submissions.

If the statement is in the affirmative, the vendor is required to submit with the proposal, written certification and authorization from the parent, affiliate or subsidiary organization granting the State and/or the federal government the right to examine any directly pertinent books, documents, papers and records involving such transactions related to the contract. Further, if at any time after a proposal is submitted, such an association arises, the vendor will obtain a similar certification and authorization and failure to do so will constitute grounds for termination of the contract at the option of the University;

The usual method of verification is through the Employment Verification (I-9) Form.

With the submission of this bid, the contractor hereby certifies without exception that such contractor has complied with all federal and state laws relating to immigration and reform. Any misrepresentation in this regard or any employment of persons not authorized to work in the United States constitutes a material breach and, at FHSU's option, may subject the contract to termination and any applicable damages.

Unless provided otherwise herein, all contractors are expected to be able to produce to FHSU any documentation or other such evidence to verify Contractor's IRCA compliance with any provision, duty, certification or like under the contract.

41. **Worker Misclassification:** The contractor and all lower tiered subcontractors under the contract shall properly classify workers as employees rather than independent contractors and treat them accordingly for purposes of workers' compensation insurance coverage, unemployment taxes, social security taxes, and income tax withholding. Failure to do so may result in contract termination.
42. **Definitions:** A glossary of common procurement terms used by the State of Kansas is available at <http://da.ks.gov/purch>, under "Purchasing Forms".
43. **Graphic Identity Standards and Use of University Marks:** Compliance with FHSU Graphic Identity Standards and Use of University Marks Policies is required and may not be waived with equivalents.
44. **Definite Quantity Contract:** This Request is for a close-ended contract between the vendor and FHSU to furnish a predetermined quantity of a good or service in a given period of time.
45. **Off-Shore Sourcing:** Bidders shall disclose in their bid response the location where the contracted services will be performed and whether or not any of the work necessary to provide the contracted services will be performed at a site outside the United States.

If, during the term of the contract, the Contractor or subcontractor moves work previously performed in the United States to a location outside of the United States, the Contractor shall immediately notify the FHSU Purchasing Office in writing, indicating the new location and the percentage of work relocated.

46. **On-Site Inspection:** Failure to adequately inspect the premises shall not relieve the successful vendor from furnishing without additional cost to FHSU any materials, equipment, supplies or labor that may be required to carry out the intent of this RFP. Submission of a bid shall be construed as evidence that the vendor has made necessary examination, inspection and investigation. Failure to properly inspect the site may result in rejection of the vendor's bid.
47. **Experience:** All bidders are preferred to have a minimum of three (3) years continuous active participation in the applicable industry, providing equipment/services comparable in size and complexity to those specified herein.
- Bidders may be required to furnish information supporting the capability to comply with conditions for bidding and fulfill the contract if receiving an award of contract. Such information may include, but not be limited to, a list of similar size and type projects the Bidder has completed.
48. **Prices:** Prices shall remain firm for the entire contract period and subsequent renewals. Prices quoted shall be net delivered, including all trade, quantity and cash discounts. Any price reductions available during the contract period shall be offered to FHSU. Failure to provide available price reductions may result in termination of the contract.

49. **Payment:** Payment Terms are Net 30 days. Payment date and receipt of order date shall be based upon K.S.A. 75-6403(b). This Statute requires Fort Hays State University to pay the full amount due for goods or services on or before the 30th calendar day after the date Fort Hays State University receives such goods or services or the bill for the goods and services, whichever is later, unless other provisions for payment are agreed to in writing by the vendor and Fort Hays State University. NOTE: If the 30th calendar day noted above falls on a Saturday, Sunday, or legal holiday, the following workday will become the required payment date.

Payments shall not be made for costs or items not listed in the vendor's response.

50. **Unit Pricing:** Each item required by the bid must be individually priced (i.e. priced per single unit) and be able to be ordered individually.
51. **Upgrades:** Bidders shall indicate the upgrade price and policy for any software, firmware, or hardware upgrades anticipated for the equipment bid. If the upgrades are provided without cost, this should be indicated.
52. **Shipping and F.O.B. Point:** Unless otherwise specified, bid prices shall be F.O.B. DESTINATION, PREPAID AND ALLOWED (included in the price bid), which means delivered to FHSU's receiving dock or other designated point as specified in this RFP without additional charge. Shipments shall be made in order to arrive at the destination at a satisfactory time for unloading during receiving hours.
53. **Deliveries:** All orders shall be shipped FOB destination, prepaid and allowed clearly marked with the purchase order number. If delays in delivery are anticipated, the Contractor shall immediately notify the Fort Hays State University of the revised delivery date or partial delivery date. The order may be cancelled if delivery time is unsatisfactory. The Contractor shall inform the FHSU Purchasing Office of any supply or delivery problems. Continued delivery problems may result in termination of the contract.

In the event delivery minimums apply, bidders shall submit that information with their bid response.

54. **Charge Back Clause:** If the contractor fails to deliver the product within the delivery time quoted on the contract, FHSU reserves the right to purchase the product from the open market and charge back the difference between contract price and open market price to the contractor.
55. **Demonstration Requirements:** A demonstration of the selected devices/equipment/solution for FHSU may be required before final contract approval. FHSU reserves the right to request said devices/equipment/solution fully configured/operational for testing, which shall be furnished at no expense to FHSU within ten (10) days after receipt of request. Devices/equipment will be returned at the bidder's expense if found to be non-compliant with the specifications as set forth in this RFP.
56. **Equipment:** All proposed equipment, equipment options, and hardware expansions must be identified by manufacturer and model number and descriptive literature of such equipment must be submitted with the bid.
57. **Implied Requirements:** All products and services not specifically mentioned in RFP, but which are necessary to provide the functional capabilities described by the specifications, shall be included. Other products required to make the described software functional shall be identified in the vendor's response.
58. **Warranty:** Bidders shall indicate the type and extent of the warranty for all equipment, hardware, software, and services proposed. FHSU requires a "standard" warranty of a specific amount of days, or one (1) year, whichever is greater. This warranty shall be included in the cost of the equipment.

The successful bidder will be the sole point of contact on any problems with the equipment or systems during the warranty period.

The Contractor shall be responsible for all work performed under these specifications. The Contractor shall make good, repair and replace, at the Contractor's own expense, as may be necessary, any defective work, material

acceptance, if in the opinion of the FHSU Purchasing Office said defect is due to imperfection in material, design, or workmanship for the warranty period specified.

59. **Acceptance:** No contract provision or use of items by FHSU shall constitute acceptance or relieve the vendor of liability in respect to any expressed or implied warranties.
60. **Ownership:** All data, forms, procedures, software, manuals, system descriptions and work flows developed or accumulated by the Contractor under this contract shall be owned by FHSU. The Contractor may not release any materials without the written approval of FHSU.
61. **Software Code and Intellectual Property Rights:** As applicable, all original software and software code and related intellectual property developed or created by the Contractor in the performance of its obligations under this Contract or any Task Order issued under this Contract, shall become the sole property of the State of Kansas. The Contractor will surrender all original written materials, including any reports, studies, designs, drawings, specifications, notes, documents, software and documentation, computer-based training modules, electronically or magnetically recorded material, used to develop this software and/or software code and related intellectual property to the state entity for which it was developed.
62. **Data:** Any and all data required to be provided at any time during the bid process or contract term shall be made available in a format as requested and/or approved by FHSU.
63. **Submission of the Bid:** Submission of the bid will be considered presumptive evidence that the vendor is conversant with local facilities and difficulties, the requirements of the documents and of pertinent State and/or local codes, state of labor and material markets, and has made due allowances in the RFP for all contingencies. Later claims for labor, work, materials, equipment, and tax liability required for any difficulties encountered which could have foreseen will not be recognized and all such difficulties shall be properly taken care of by Contractor at no additional cost to FHSU.
64. **Alternate Proposals/Equivalent Items:** Bids on goods and services comparable to those specified herein are invited. Whenever a material, article or piece of equipment is identified in the specifications by reference to a manufacturer's or vendor's name, trade name, catalog number, etc., it is intended to establish a standard, unless otherwise specifically stated. Any material, article or equipment of other manufacturers or vendors shall perform to the standard of the item specified. Equivalent bids must be accompanied by sufficient descriptive literature and/or specifications to provide for detailed comparison. Samples of items, if required, shall be furnished at no expense to the university and if not destroyed in the evaluation process, shall be returned at vendor's expense, if requested.
- FHSU reserves the right to determine and approve or deny "equivalency" in comparison of alternate bids.
65. **Certification of Materials Submitted:** The response to this RFP, together with the specifications set forth herein and all data submitted by the vendor to support the response including brochures, manuals, and descriptions covering the operating characteristics of the item(s) proposed, shall become a part of any contract between the successful vendor and FHSU. Any written representation covering such matters as reliability of the item(s), the experience of other users, or warranties of performance shall be incorporated by reference into the contract.
66. **Inspection:** FHSU reserves the right to reject, on arrival at destination, any items which do not conform with specification of this RFP.
67. **New Materials, Supplies or Equipment:** Unless otherwise specified, all materials, supplies or equipment offered by a vendor shall be new, unused in any regard and of most current design. All materials, supplies and equipment shall be first class in all respects. Seconds or flawed items will not be acceptable. All materials, supplies or equipment shall be suitable for their intended purpose and, unless otherwise specified, fully assembled and ready for use on delivery.
68. **Vendor Contracts:** Include a copy of any contracts, agreements, licenses, warranties, etc. proposed. (State of Kansas form DA-146a remains a mandatory requirement in all contracts.)

69. **Contract Price:** University-wide contracts are awarded by the FHSU Purchasing Office to take advantage of volume discount pricing for goods and services that have a recurring demand from one or more department. However, if a University department locates a vendor that can provide the **identical item** at a **lower price**, a waiver to "buy off state contract" may be granted by the FHSU Purchasing Office.
70. **Transition Assistance:** In the event of contract termination or expiration, Contractor shall provide all reasonable and necessary assistance to FHSU to allow for a functional transition to another vendor.
71. **Award:** Award will be by line item or group total, whichever is in the best interest of FHSU.
72. **Acceptance:** Acceptance of Bid and Agreement is formalized upon execution of a contract and issuance of an FHSU purchase order, which incorporates all terms of this RFP, and corresponding execution of FHSU marks licensing agreement by the parties.

CONTRACTUAL PROVISIONS ATTACHMENT

Important: This form contains mandatory contract provisions and must be attached to or incorporated in all copies of any contractual agreement. If it is attached to the vendor/contractor's standard contract form, then that form must be altered to contain the following provision:

"The Provisions found in Contractual Provisions Attachment (Form DA-146a, Rev. 12/19), which is attached hereto, are hereby incorporated in this contract and made a part thereof."

The parties agree that the following provisions are hereby incorporated into the contract to which it is attached and made a part thereof.

1. **Controlling Provisions:** It is expressly agreed that the terms of each and every provision in this attachment shall prevail and control over the terms of any other conflicting provision in any other document relating to and a part of the contract in which this attachment is incorporated. Any terms that conflict or could be interpreted to conflict with this attachment are nullified.
2. **Disclaimer Of Liability:** No provision of this contract will be given effect that attempts to require Fort Hays State University or any of its affiliates ("University") to defend, hold harmless, or indemnify any contractor or third party for any acts or omissions. The terms, conditions, and limitations of liability of the State of Kansas, the University, and their employees are defined under the Kansas Tort Claims Act (K.S.A. 75-6101 et seq.).
3. **Termination Due To Lack Of Funding Appropriation:** If, in the judgment of the Director of Accounts and Reports, Department of Administration, sufficient funds are not appropriated to continue the function performed in this agreement and for the payment of the charges hereunder, the University may terminate this agreement at the end of its current fiscal year. The University agrees to give written notice of termination to contractor at least 30 days prior to the end of its current fiscal year, and shall give such notice for a greater period prior to the end of such fiscal year as may be provided in this contract, except that such notice shall not be required prior to 90 days before the end of such fiscal year. Contractor shall have the right, at the end of such fiscal year, to take possession of any equipment provided under the contract for which it has not been paid. The University will pay contractor all regular contractual payments incurred through the end of such fiscal year, plus contractual charges incidental to the return of any such equipment. Upon termination of the agreement under this provision, title to any such equipment shall revert to contractor at the end of the University's current fiscal year. The termination of the contract pursuant to this paragraph shall not cause any penalty to be charged to the agency or the contractor.
4. **Kansas Law and Venue:** All matters arising out of or related to this agreement shall be subject to, governed by, and construed according to the laws of the State of Kansas, and jurisdiction and venue of any suit arising out of or related to this agreement shall reside only in courts located in the State of Kansas.
5. **Required Non-Discrimination Provision:** Contractor agrees to comply with all applicable state and federal anti-discrimination laws. Contractor specifically agrees: (a) to comply with the Kansas Act Against Discrimination (K.S.A. 44-1001 et seq.) and the Kansas Age Discrimination in Employment Act (K.S.A. 44-1111 et seq.) and the applicable provisions of the Americans With Disabilities Act (42 U.S.C. 12101 et seq.) (ADA) and to not discriminate against any person because of race, religion, color, sex, disability, national origin or ancestry, or age in the admission or access to, or treatment or employment in, its programs or activities; (b) to include in all solicitations or advertisements for employees, the phrase "equal opportunity employer"; (c) to comply with the reporting requirements set out at K.S.A. 44-1031 and K.S.A. 44-1116; (d) to include those provisions in every subcontract or purchase order so that they are binding upon such subcontractor or vendor; (e) that a failure to comply with the reporting requirements of (c) above or if the contractor is found guilty of any violation of such acts by the Kansas Human Rights Commission or if it is determined that the contractor has violated applicable provisions of ADA, such violation(s) shall constitute a breach of contract and the contract may be cancelled, terminated or suspended, in whole or in part, by the University. The provisions of this paragraph (except the provisions relating to the ADA) are not applicable to a contractor who employs fewer than four employees during the term of such contract or whose contracts with the University cumulatively total \$5,000 or less during the fiscal year.

Contractor shall abide by the requirements of 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take

affirmative action to employ and advance individuals in employment without regard to race, color, religion, sex, national origin, protected veteran status or disability.

6. **Acceptance Of Contract:** This contract shall not be considered accepted, approved or otherwise effective until the statutorily required approvals and certifications have been given.
7. **Arbitration, Damages, Warranties:** Notwithstanding any language to the contrary, no interpretation of this contract shall find that the University has agreed to binding arbitration, or the payment of damages or penalties. Further, the University does not agree to pay attorney fees, costs, or late payment charges beyond those available under the Kansas Prompt Payment Act (K.S.A. 75-6403), and no provision will be given effect that attempts to exclude, modify, disclaim or otherwise attempt to limit any damages or rights of action available to the University at law, including but not limited to the implied warranties of merchantability and fitness for a particular purpose.
8. **Authority To Contract:** By signing this contract, the representative of the contractor thereby represents that such person is duly authorized by the contractor to execute this contract on behalf of the contractor and that the contractor agrees to be bound by the provisions thereof.
9. **Responsibility For Taxes:** The University shall not be responsible for, nor indemnify a contractor for, any federal, state or local taxes which may be imposed or levied upon the subject matter of this contract.
10. **Insurance:** The University shall not be required to purchase any insurance against loss or damage to property or any other subject matter relating to this contract, nor shall this contract require the University to establish a "self-insurance" fund to protect against any such loss or damage.
11. **Information/Confidentiality:** As a state agency, the University's contracts are generally public records. Accordingly, no provision of this contract shall restrict the University's ability to produce this contract in response to a lawful request or from otherwise complying with the Kansas Open Records Act (K.S.A. 45-215 et seq.). Moreover, no provision of this contract shall be construed as limiting the Legislative Division of Post Audit from having access to information pursuant to K.S.A. 46-1101 et seq.
12. **The Eleventh Amendment:** The Eleventh Amendment is an inherent and incumbent protection of the State of Kansas and need not be reserved, but the University here reiterates that nothing in or related to this contract shall be deemed a waiver of the Eleventh Amendment.
13. **Campaign Contributions / Lobbying:** Funds provided through a grant award or contract shall not be given or received in exchange for the making of a campaign contribution. No part of the funds provided through this contract shall be used to influence or attempt to influence an officer or employee of any State of Kansas agency or a member of the Legislature regarding any pending legislation or the awarding, extension, continuation, renewal, amendment or modification of any government contract, grant, loan, or cooperative agreement.
14. **Privacy of Student Records:** Contractor understands that the University is subject to FERPA (Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g) and agrees to handle any student education records it receives pursuant to this Agreement in a manner that enables the University to be compliant with FERPA and its regulations. Contractor agrees to protect the privacy of student data and educational records in a commercially reasonable manner and shall not transmit, share, or disclose any data about a student without the student's written consent, except to other University officials who seek the information within the context of his/her professionally assigned responsibilities and used within the context of official University business. Contractor shall promptly report to the University any disclosure of University's student educational records.
15. **Boycotts of Israel Prohibited:** Kansas 2018 HB 2482 generally prohibits the University from entering into a contract with a company to acquire or dispose of services, supplies, information technology or construction, unless such company submits a written certification that such company is not currently engaged in a boycott of Israel. For the purposes of this Section, "company" means an organization, association, corporation, partnership, venture or other entity, its subsidiary or affiliate, that exists for profitmaking purposes or to otherwise secure economic advantage. Accordingly, by executing this contract, Contractor hereby certifies that it is not currently engaged in a boycott of Israel.
16. **Harassment Policy:** Fort Hays State University prohibits sexual harassment, discrimination, and retaliation. The University's applicable policies on sexual harassment, discrimination, and retaliation are available at <https://fhsu.edu/policies/documents/harassment-policy/index.pdf> and include the procedures for submitting a complaint of sexual harassment, discrimination, or retaliation, including an anonymous complaint. Contractor and its employees, officials, agents, or subcontractors shall at all times comply with the University's policies on sexual harassment, discrimination, and retaliation.
