

SPALDING COUNTY
Jenkinsburg Road Bridge Truss Repair Project

FROM: SPALDING COUNTY
PURCHASING
119 EAST SOLOMON STREET
GRIFFIN, GA 30223

TO: ALL INTERESTED PARTIES

RE: Addendum No. 1, dated November 5, 2020

This Addendum modifies the original RFP documents dated October 16, 2020.

This Addendum consists of one (1) page. Attached documents include the pre-bid sign in sheet.

Add. 1.1 *Q: Will the bridge jacking submittal be reviewed locally or by GDOT?*
A: A bridge jacking submittal will be required. Spalding County is determining who will provide the technical review. Due to the unknown length of the review the construction schedule will be modified as stated below:

"SCHEDULE: Within fifteen (15) days of the Notice to Process the contractor will submit the proposed Jacking Plan to Spalding County's reviewer. Work shall be commenced within fifteen (15) days of the approved Jacking Plan and shall be completed within ninety (90) calendar days thereafter, unless otherwise specified."

Add. 1.2 *Q: Will a road closure and detour be allowed during construction?*
A: Spalding County will coordinate with Butts County and will provide a detour during the road closure. Contractor will be required to coordinate with Spalding County for the timing of the initial installation and duration of the detour.

Add. 1.3 *Q: Will the contractor be responsible for repainting areas disturbed by construction?*
A: Yes

Add. 1.4 *Q: On which page of the RFP is the Bidder of Record Information Form located?*
A: Bidder of Record Information Form is not required for this project. Attendance of the mandatory pre-bid meeting, submittal of the bonding capacity letter, and providing a copy of their current contractor license to Terri Bass (tbass@spaldingcounty.com) will qualify the contractor as a Bidder of Record.

End of Addendum No. 1
