### **Clarification of Contract Documents and Specifications:**

The following are responses to questions received from potential bidders:

#### **Questions**

1. Q: At Site 1, where will the contractor be allowed to access the greenway from?

A: The contractor shall access the greenway from School Access Road on the south end of the greenway where the greenway is adjacent to the road and from the school parking lot next to the north east section of greenway. Any locations that are damaged due to the trucks shall be replaced in kind at the contractor's expense.

2. Q: At Site 1, what are the limits of the area for topsoil and seeding?

A: The payment for topsoil and seeding at Site 1 are limited to areas that are disturbed due to dig outs and widening. It shall be placed five (5) feet from the edge of new asphalt. The trail sections that are eight (8) feet wide will only be overlaid and have no payment made for topsoil and seeding.

3. Q: At Site 5 – Transfer Station Facility, when will the contractor be expected to work?

A: The contractor shall work outside of normal operating hours to the public as listed in the special conditions, with one correction, that the Transfer Station closes as noon on Wednesdays to the public. The contractor shall be permitted to work nights and weekends. There shall be coordination with the Transfer Station Manager for a few City trucks that come outside of normal business hours.
