The County may waive informalities if it is in the County's interest. The award shall be made to the responsive and responsible Offeror whose proposal is the most advantageous to the County taking into consideration the evaluation factors set forth in the RFP. Qualifications-based proposals are based on Offerors' qualifications to perform the required scope of work. Responses will be evaluated and assigned scores. The Offeror(s) to whom the recommendation to award is made will be notified at the earliest possible date. The County will then negotiate a contract with the top ranked Offeror for a firm fixed price agreeable to both parties. If, for any reason, a contract is not executed with the selected Offeror within fourteen (14) days, then the County may recommend the next most responsive and responsible Offeror.

Award of this RFP is contingent upon the availability of funds for this project, within the sole discretion of the County. Acceptance of the Offeror's RFP does not constitute a binding contract. 11) **REJECTION**

The County reserves the right to reject any or all Responses, or to accept or reject any Response in part, and to waive any minor informality or irregularity in Responses received, if it is determined by the Chief Procurement Officer or designee that the best interest of the County will be served by doing so. The County may reject any Response from any person, firm or corporation in arrears or in default to the County on any contract, debt, or other obligation, or if the Offeror is debarred by the County from consideration for a contract award, or if Offeror has committed a violation of the ethics or anti-kickback provisions of the County's Procurement Policy which resulted in a termination of a contract or other material sanction within the two (2) years immediately preceding the date of issuance of this document.

12) **PROCUREMENT POLICY**

Procurement for the County will be handled in a manner providing fair opportunity to all businesses. This will be accomplished without abrogation or sacrifice of quality and as determined to be in the best interest of the County. The successful Offeror(s) shall perform work under the resultant Contract in strict accordance with the latest version of all State and local codes, ordinances, and regulations governing the work involved. In the event Offeror has responded to a County RFP and marked all or any part of the information submitted as "Confidential Information" or as "Proprietary Information," the County agrees to notify Offeror of any third-party request for any rates, terms, compensation amounts, or other information documented in the Purchase Order, Agreement, or Contract. To the extent Offeror provides the County with written direction to withhold such requested Confidential Information or Proprietary Information and litigation results, Offeror agrees that the action would be brought in a New Mexico court of competent jurisdiction under New Mexico law. Offeror, being aware of said facts, agrees to provide legal counsel on behalf of the County in any such litigation and shall bear the complete cost of litigation, including attorney fees and court costs. If Offeror fails or refuses to provide legal counsel at its expense within ten (10) calendar days after written notification, as aforesaid, such failure may result in the County agreeing to release the Purchase Order, Agreement, or Contract or any portion thereof which is relevant to the denied request. Confidential data are normally restricted to confidential financial information concerning the Offeror's organization and data that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, §57-3A-1 to §57-3A-7 NMSA, 1978.

15) **NON-DISCRIMINATION**

The County will not contract with any person or firm that discriminates against employees or applicants for employment because of any factor not related to job performance. The Offeror must comply with all federal, state and local laws and policies that prohibit discrimination in employment contracts. The Offeror must include in its subcontracts provisions that prohibit subcontractors from discriminating in their employment practices.

16) **NO RESPONSE**

Businesses who receive this RFP but who do not submit a Response should return a notice stating the reason(s) for not responding. Failure to return this may result in removal of the business' name from all bidder lists.

17) **CONTRACT NEGOTIATION**

All Responses must be firm for at least 120 days from the due date of the Response. If, for any reason, a contract is not executed with the selected Offeror within 30 days after notice of recommended award, then the County may recommend the next most responsive and responsible Offeror. There is no contract until the County's policies have

been fulfilled.

**18) DISQUALIFICATION OF OFFERORS**

Any one or more of the following causes may be considered sufficient for the disqualification of an Offeror and the rejection of the Response:

- a. Evidence of collusion among Offerors.
- b. Lack of competency as revealed by either financial, experience, or equipment statements.
- c. Lack of responsibility as shown by past work.
- d. Uncompleted work under other contracts which, in the judgment of the County, might hinder or prevent the prompt completion of additional work if awarded.

**19) DISCUSSIONS**

Discussions may be conducted with responsible Offerors, in order to clarify and assure full understanding of, and conformance to, the solicitation requirements. Discussions may be conducted with Offerors who submit Responses determined to be reasonably susceptible of being elected for award, but Responses may be accepted without such discussions. Offerors shall be accorded fair and equal treatment with respect to any opportunity for discussions and revisions of Responses. Such revisions may be permitted after submission and prior to award for the purpose of obtaining best and final offers. If during discussions there is a need for any substantial clarification of or change in the RFP, the RFP shall be amended to incorporate such clarification or change. The Offeror shall reduce any substantial oral clarification of a Response to writing.

**20) SUBCONTRACTORS**

In an effort to promote supplier diversity, the County encourages Offerors to identify and include qualified disadvantaged businesses as subcontractors when proposing to provide products and services to the County. The Contract will not be assignable to any other business entity without the County's approval.

**21) OFFEROR RESPONSIBILITIES**

The Offeror must be capable, either as a firm or a team, of providing all services as described under Section 2 and to maintain those capabilities until notification of the fact that their Response was unsuccessful. Exclusion of any service for this Response may serve as cause for rejection. The Successful Offeror must remain capable of providing all services as described under Section 2 and must maintain those capabilities until the agreement is successfully finished. The successful Offeror will be responsible for all services in this Response whether they are provided or performed by the Successful Offeror or Subcontractor(s). Further, the County will consider the Successful Offeror to be the sole point of contact with regard to contractual matters, including payment of any and all charges resulting from the cost of any contract. The Successful Offeror must identify all Subcontractors and the Services they provide. The Successful Offeror is responsible for all payments and liabilities of all Subcontractor(s).

The County reserves the right to approve or reject, in writing, any proposed Subcontractor. If the County rejects any proposed Subcontractor in writing, the Successful Offeror shall be responsible to assume the proposed Subcontractor's responsibilities. The Successful Offeror may propose another Subcontractor if it does not jeopardize the effectiveness or efficiency of the contract. Nothing contained in the Response or in the contract shall create or be construed as creating any contractual relationship between any Subcontractor and the County.

**22) COUNTY PARTICIPATION**

The County will provide appropriate personnel support for implementation of these agreements. The Offeror's Response should identify any County Full-Time Employees required and tasks to be performed by County personnel. For the purpose of contract administration, the County will designate a person to serve as County Contract Manager. The County Contract Manager will serve as the primary liaison between the County and the Successful Offeror and will coordinate overall management and administration of the contract for the County.

**23) DISCLOSURE OF CONTENTS**

All information provided in the response shall be held in confidence and shall not be revealed or discussed with competitors, until after award of the contract except as provided by law or court decision. All material submitted with the Response becomes the property of the County and may be returned only at the County's option.

Offerors must make no other distribution of their Responses other than authorized by this RFP. An Offeror who shares cost information contained in its Response with other County personnel or competing Offeror personnel shall be subject to disqualification.

Offerors shall not be provided any information about other Responses or prices or where the Offeror stands in relation to others at any time during the evaluation process. Any request for such information by an Offeror, its subcontractor or an affiliated party may be viewed as a compromise to the evaluation process and the requesting Offeror may be eliminated from further consideration.

**24) PROPOSAL EVALUATION**

An evaluation committee will perform the evaluation of proposals. Points will be allocated by each member. Each member's point totals will be translated into a numeric ranking of all proposals. The individual member rankings will be totaled together to determine the overall ranking of proposals.

It is at the discretion of the Evaluation Committee to hold interviews with the three highest-ranked proposals. The Evaluation Committee may award the selection based on the results of the ranking without interviews. If fewer than three proposals are received the Evaluation Committee may recommend an award to the Governing Body for approval or direct that the RFP be reissued.

During this time, the County may initiate discussions with Offerors who submit responsive, or potentially responsive, proposals for the purpose of clarifying aspects of the proposals, but proposals may be accepted and evaluated without such discussion. Discussions SHALL NOT be initiated by the Offerors.

**25) PROTESTS**

Any protest by an Offeror must be timely and in conformance with Section 13-1-172 NMSA 1978 and applicable procurement regulations. Protests must be written and must include the name and address of the protestor and the request for proposals number. Protests received after the fifteen (15) day period deadline will not be accepted.

In the event of a timely protest under this section, the County shall not proceed further with procurement unless the Chief Procurement Officer makes a determination that the award of Agreement is necessary to protect substantial interests of the Contracting Agency (13-1-173 NMSA 1978).

The Chief Procurement Officer or designee shall have the authority to take any action reasonably necessary to resolve a protest of an aggrieved Offeror concerning procurement. The Chief Procurement Officer or designee shall promptly issue a determination relating to the protest. The aggrieved Offeror has the right to judicial review of the determination pursuant to 13-1-183 NMSA 1978.

**26) OFFEROR QUALIFICATIONS**

The Evaluation Committee may make such investigations as necessary to determine the ability of the Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any Offeror who is not a responsible Offeror or fails to submit a responsive offer as defined in Sections 13-1-83 and 13- 1-85 NMSA 1978.

**27) RIGHT TO WAIVE MINOR IRREGULARITIES**

The Evaluation Committee reserves the right to waive minor irregularities. The Evaluation Committee also reserves the right to waive mandatory requirements provided that all of the otherwise responsive proposals failed to meet the mandatory requirements and/or doing so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

**28) CHANGE IN CONTRACTOR REPRESENTATIVES**

The County reserves the rights to require a change in contractor representatives if the assigned representatives are not, in the opinion of the County, meeting its needs adequately. If the contractor wishes to change its designated representative, that change must be approved by the County.

- 33) **OWNERSHIP OF PROPOSALS**  
All documents submitted in response to this Request for Proposals shall become the property of the County. However, any technical or user documentation submitted with the proposals of non-selected Offerors shall be returned after the expiration of the protest period. Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR 30.17, no contract shall be awarded to an Offeror or subcontractor:

- 1) who is owned or controlled by one or more citizens or nationals of a foreign country included on the list of countries that discriminate against U.S. firms published by the USTR; or
- 2) whose subcontractors are owned or controlled by one or more citizens or nationals of a foreign country on such USTR list; or
- 3) who incorporates in the public works project any product of a foreign country on such USTR list.

Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

The Offeror agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification without modification in all lower tier subcontracts. The Contractor may rely on the certification of a prospective subcontractor that it is not a firm from a foreign country included on the list of countries that discriminate against U.S. firms as published by USTR, unless the Offeror has knowledge that the certification is erroneous.
