All:

Your firm recently received an Invitation to Bid on the above-mentioned specification. This Addendum Number 2 provides for the updates which follow on the next page.

Due to lack of clarity in the Scope of Work, the **Solicitation Due Date** is being moved from ~~September 12, 2018 at 4:00 PM CDT~~, to **September 19, 2018, at 4:00 PM CDT**. Firms wishing to ask questions will now have until close of business at 5:00 PM CDT on September 12, 2018, to submit those questions, and responses will be issued the next day if necessary.

The original Scope of Work began with: "~~It is the intent of the County to install two (2) underground fuel storage tanks, one (1) each at the Escambia County Area Transit (ECAT) station and the Road Operations Facility.~~"

The corrected Scope of Work states: "It is the intent of the County to install one (1) 20,000-gallon fuel storage tank at the Escambia County Area Transit (ECAT), one (1) 20,000-gallon fuel storage tank at the Road Operations Facility, and two (2) 12,000-gallon diesel fuel storage tanks at the Road Operations Facility."
