Roof Replacement

Summary

Remove existing ballasted roof and replace with contractor recommended replacement system.

Scope of Work

Removal and disposal of existing roofing material.

Installation of all new roofing material and associated materials including vapor layers, insulation, drain/vent boots, etc.

Bids should include explanations of contractor recommended roofing system to be installed and any supporting material.

Bids should include three letters of recommendations from customers with similar roof installations.

If any unforeseen issues shall arise that will incur any additional charges above the proposal amount, work shall cease, and changes must be negotiated between the contractor and representatives of the Saginaw Public School District.
