RFI

Topa Topa Elementary School Electrical Replacment

TEC RFI#1

Reference: Switchgear “MSB” Lead Time.

Question: Will the Owner award this job in a timely fashion to meet the below lead time constraints ?

Yes. Based on actual lead times which will be determined at the time of order placement, the district will make appropriate changes in the delivery schedule.

Manufacturer information – Lead Times (manufacturer qualifications below). This does NOT include installation time.

Submittals- 3-4 days

Manu- 14-16 weeks (Currently indicated at 8 week LT)

Delivery 1-2 weeks

The time frame they have is probably not doable. Everything seems to be longer lead times right now (See notes above re: this concern)
