The City of Avondale (the “City”) is issuing this Request For Proposals (this “RFP”) seeking proposals (“Proposals”) from qualified, licensed firms (“Vendors”) interested in providing OEM parts and repair services on city vehicles (the “Services”), as more particularly described in the Scope of Work attached to the sample Professional Services Agreement as Exhibit B, and incorporated herein by reference. In accordance with the City’s Procurement Code, the City will accept sealed Proposals for the Services specified in the Scope of Work.

1.2 Preparation/Submission of Proposal. Vendors are invited to participate in the competitive selection process for the Services outlined in this RFP. Responding parties shall review their Proposal submissions to ensure the following requirements are met.

A. Irregular or Non-responsive Proposals. The City may consider as “irregular” or “non-responsive” and reject any Proposal not prepared and submitted in accordance with this RFP, or any Proposal lacking sufficient information to enable the City to make a reasonable determination of compliance to the minimum qualifications. Unauthorized conditions, limitations, or provisions may be cause for rejection. Proposals may be deemed non-responsive at any time during the evaluation process if, in the sole opinion of the City Manager or authorized designee, any of the following are true:

- (1) Vendor does not meet the minimum required skill, experience or requirements to perform or provide the Services.
- (2) Vendor has a past record of failing to fully perform or fulfill contractual obligations.
- (3) Vendor cannot demonstrate financial stability.
- (4) Vendor’s Proposal contains false, inaccurate or misleading statements that, in the opinion of the City Manager or authorized designee, are intended to mislead the City in its evaluation of the Proposal.

B. Submittal Quantities. Interested Vendors must submit **one PDF copy** of the Proposal electronically on [Vendor Registry](#).. The PDF file must be in one file. Failure to adhere to the submittal quantity criteria shall result in the Proposal being determined non-responsive.

C. Required Submittal. The Proposal shall be a maximum of **15** pages to address the Proposal criteria (excluding cover letter, resumes and the Vendor Information Form, but including the materials necessary to address project understanding, general information, organizational chart, photos, tables, graphs, and diagrams). Each page side (maximum 8 1/2” x 11”) with criteria information shall be counted. However, one page may be substituted with an 11” x 17” sheet of paper, folded to 8 1/2” x 11”, showing a proposed project schedule or organizational chart and only having information on one side. Cover, back, table of contents and

SECTION A

tabs may be used and shall not be included in the page count, unless they include additional project-specific information or Proposal criteria responses. Vendors are encouraged to utilize recyclable materials and endeavor to be considerate of the environment in preparation of proposals. Failure to adhere to the page limit, size and font criteria shall result in the Proposal being determined non-responsive. Each Proposal shall be submitted with the documents necessary to meet all of the requirements of this solicitation, including the information required in Part II and the following:

- (1) Cover letter with a **wet ink signature or electronic signature** by a person authorized to bind the Vendor. Proposals submitted without a cover letter with a **wet ink signature** or electronic signature by a person authorized to bind the Vendor may be determined non-responsive.

- (3) References.
- (4) Project Schedule, if required.
- (5) Resumes, Licenses and Certifications (if required).

The City Manager, or authorized designee shall review the statement and information with the City Attorney and shall determine in writing whether the information shall be withheld. It (including the Vendor's employees, representatives, agents, lobbyists, attorneys, and subcontractors) has refrained, under penalty of disqualification, from direct or indirect contact for the purpose of influencing the selection or creating bias in the selection process with any person who may play a part in the selection process, including the Selection Committee, elected officials, the City Manager, Assistant City Managers, Department Heads, and other City staff. All inquiries must be addressed to the City's RFP Administrator. Any attempt to influence the selection process by any means shall void the submitted Proposal and any resulting Agreement.

The name of each Vendor and the identity of the RFP for which the Proposal was submitted shall be publicly read and recorded in the presence of witnesses. **PRICES SHALL NOT BE READ**. The Selection Committee shall award the agreement to the responsible and responsive Vendor whose Proposal is determined, in writing, to be the most advantageous to the City and best meets

SECTION A

the overall needs of the City taking into consideration the evaluation criteria set forth in this RFP. The amount of applicable transaction privilege or use tax of the City shall not be a factor in determining the most advantageous Proposal. After the City has entered into an Agreement with the successful Vendor, the successful Proposal and the scoring documentation shall be open for public inspection.

B. Line Item Option. Unless the Proposal states otherwise, or unless otherwise provided within this RFP, the City reserves the right to award by individual line item, by group of line items, or as a total, whichever is deemed most advantageous to the City.

D. Form of Agreement. The selected Vendor will be required to execute the City's standard Professional Services Agreement in a form acceptable to the City Attorney. A sample of the standard agreement is included with this RFP. If the City is unsuccessful in negotiating an Agreement with the highest-scoring Vendor, the City may then negotiate with the second, then third, highest-scoring Vendor until an Agreement is executed. City Council approval may be required. The City reserves the right to terminate the selection process at any time.

E. Waiver; Rejection; Reissuance. Notwithstanding any other provision of this RFP, the City expressly reserves the right to: (1) waive any immaterial defect or informality, (2) reject any or all Proposals or portions thereof and (3) cancel or reissue an RFP.

F. Protests. Any Vendor may protest this RFP, the proposed award of an Agreement, or the actual award of an Agreement. All protests will be considered in accordance with the City Procurement Code.

1.13 Offer. A Proposal is an offer to contract with the City based upon the terms, conditions and specifications contained in this RFP and the Vendor's responsive Proposal, unless any of the terms, conditions, or specifications are modified by a written addendum or agreement amendment. Provided, however, that no contractual relationship shall be established until the Vendor has signed, and the City has approved, a Professional Services Agreement between the City and the Vendor in the form acceptable to the City Attorney. A sample Professional Services Agreement is included herein.

The City reserves the right to review any and all of the insurance policies and/or endorsements cited in this Agreement but has no obligation to do so. Failure to demand such evidence of full compliance with the insurance requirements set forth in this Agreement or failure to identify any insurance deficiency shall not relieve Consultant from, nor be construed or deemed a waiver of, its obligation to maintain the required insurance at all times during the performance of this Agreement.

F. Claims Made. In the event any insurance policies required by this Agreement are written on a "claims made" basis, coverage shall extend, either by keeping coverage in force or purchasing an extended reporting option, for three years past completion and acceptance of the services.
