INVITATION TO BID NO. 23-CPHD-ITBPW-379

ADDENDUM NO. 2

Arlington County Invitation to Bid No. 23-CPHD-ITBPW-379 for renovations at 11th Street Park received the following questions:

Q: Detail 1/L-08 provides some quarries which presumably the seeding aggregate must be procured from for the exposed aggregate sidewalks. The manufacturer listed (Fletcher Granite – 978-320-4129) stated they don't provide aggregate in ½-3/4" sizing. Please clarify what aggregate should be used for the seeding on the exposed aggregate finish.

A: Detail 1, Sheet L-08 has been revised as shown on the attached Revised Attachment B.

Q: I am looking at the 322 page document and on page 181 Division 12-Furnishings starts again followed by Division 26, Division 31, Division 32 and Division 33 which are all included in pages 39 through 180. My question is, are these duplicate sections in fact duplicate? Or are they a different version of the same sections ahead of them in pages 39 through 180?

A: These pages were in fact duplicated and have been deleted, please refer to the attached Revised Attachment A v2 document.

Arlington County Invitation to Bid No. 23-CPHD-ITBPW-379 for renovations at 11th Street Park is amended as follows:

Replace Attachment A – Project Manual & Specifications with the attached document (Revised attachment A v2 – Project Manual & Specifications)

Replace Attachment B – Construction Drawings & Plans with the attached document (Revised attachment B -Construction Drawings & Plans)

The balance of the solicitation remains unchanged.
