

## **Addendum to RFP WCS-PR-2018-012**

Change Section **5.0 PROPOSAL REQUIREMENTS** as follows:

- **TAB 4 Cost**
  1. Submit cost of proposal by location on **Pest Control Pricing Sheet.xlsx** provided on Vendor Registry for Dalton Public and for Whitfield County Schools (See 8.1).
    - a. Cost of kitchens, dining room and food storage 2x per month (See 8.1).
    - b. Cost of all other educational / administrative facilities 1x per month (See 8.1).
    - c. Costs should include a 10 ft. perimeter around all facilities and the cost of all playgrounds.
    - d. Cost for termite treatment if needed.

Under Section **6.3 THE SERVICES TO BE PERFORMED** change the Subsections as follows:

- To change the service frequency, Subsection 6.3.1 is modified to read:
  - 6.3.1 The awarded company will provide all pest control / management services on a 2x per month basis for all kitchens, dining room and food storage areas. All other educational and/or administrative facilities on a monthly basis.
- In Subsection 6.3.2 delete word “lice” and add the words “stinging insects”. That subsection will now read:
  - 6.3.2 The service will include control for roaches of all type, mice, rats, spiders, ants, fleas, stinging insects and other pests as required.
- Add the Subsection 6.3.5 as follows:
  - 6.3.5 Treatments are to include all playgrounds and a 10ft. perimeter around outside wall of buildings.

Section **8.0 ADDITIVE / ALTERNATE** name change to **8.0 ADDITIVE / SUBTRACTIVE / ALTERNATE**

- Change Subsection 8.1 as follows:
  - 8.1 Provide pricing for Whitfield County Schools assuming School Nutrition treatment 1 x month and all other educational / administrative facilities on an every other month basis. **Pest Control Pricing Sheet.xlsx**.
- Add Subsection 8.2 as follows:
  - 8.2 Describe and give examples of how your organization and its technicians will communicate with school personnel (School Nutrition, Educational, and Administrative) regarding facility needs / observations of pests, emergency calls, notification that treatment has occurred, resolution of problems, etc.
