NOTE: Vendors with an equal product are invited to participate. See note 3.2 below.

NOTE: Pre-approval as an 'approved equal' does not release a vendor from being required to meet the specifications as referred to in note 3.3 below.

**3. NOTED ADDITIONAL SPECIFIC INFORMATION**

- 1. IWF Vendors that wish to be considered as an 'or equal' shall provide the following information with their bid.
  - a. 304 Stainless Steel Manifolds and Brass Valves – design and performance specification
  - b. Brass and 304 Stainless Steel Nozzles - design and performance specification

- c. 304 Stainless Steel 360 degrees Rotational Joints with no mechanical stops - design and performance specification
  - d. Custom Spin and Spill Blue Angels Fighter Jet Element – provide design and performance specification and a dimensioned drawing
2. Approval of a vendor as an equal does not relieve them from meeting the requirements set forth in Section 012500 Product Substitutions for all the IWF components. All proposed product substitutions, even by approved vendors, shall meet the requirements set forth in Section 012500 Product Substitutions and be submitted as part of the bid package.
  3. The vendor will be held to the specifications and will be required to provide specifications and shop drawings that clearly outline compliance for review prior to construction. All features must have similar warrantee and construction such as size, scale, theme, quality, function, color, material, mounting, etc.
  4. See Attached drawing for “CUSTOM SPIN AND SPILL FIGHTER JET”  
For dimension spill and function references.
