

Request for Quote: Re-Painting at Twentynine Palms High School

SCOPE OF WORK:

Provide a total cost for re-painting the exterior of the all buildings (*excluding new admin. office building*) at Twentynine Palms High School.

The following information is provided:

- 1.) Patch stucco/caulk as needed to match the existing texture using industry standards, (*if applicable.*)
- 2.) Apply primer paint to entire exterior of buildings.
- 3.) Apply elastomeric paint to exterior of buildings.
- 4.) Prep & paint all exterior doors and trim.
- 5.) All debris shall be removed from site after completion. Due to safety of site, any safety hazards should be taken care of in a timely manner.
- 6.) District to provide restroom access, water and electrical access.

See attached drawings and maps for more project details.
