**Method of Selection:** The County shall convene a Selection Committee of which the responsibility shall be as follows:

- a. Independently review and evaluate each Submittal
  1. Each committee member shall evaluate each firm by assigning a number of points for each criterion, as established in the solicitation, and then totaling the number of points for all criteria.
  2. Each committee member shall then rank the firms on the basis of the total number of points received for all criteria, with the firm receiving the most points being ranked # 1.
- b. As a "committee of the whole", develop a combined ranking order of all Submittals meeting minimum qualifications. The ranking of firms shall be done in the following manner:
  1. The rankings received by each firm from all committee members shall be totaled and divided by the number of committee members, to produce an average ranking.
  2. The firm receiving the lowest average ranking (i.e. closest to # 1) shall be ranked the # 1 firm, and the process repeated until all firms have been ranked according to their average ranking.
  3. In the event of a tie, the ranking of tied firms shall be determined by a comparison of the total number of points received by each firm from all committee members. The firm with the highest number of points will be awarded the higher ranking position.
  4. The Committee may discuss the rankings and their reasons behind them, and each member may modify their ranking of firms accordingly until the committee is satisfied with the rankings.
  5. After interviews (if interviews are held), and based upon information learned during the interviews, each committee member will rank the firms in order of preference and a consolidated final committee ranking established.
- c. The County may, solely at its own option, seek additional Submittals with this or a similar Submittal in the event the County, solely at its own option, determines that the quantity and/or quality of Submittals received is insufficient to meet the County's needs and/or that award of a contract arising from this RFP would not be in the public interest.
- d. The Committee shall forward its recommendations in accordance with the ranking to the Indian River County Board of County Commissioners, which shall, at its sole option, authorize negotiations of a contract pursuant to the requirements of Florida law.
- e. The Indian River County Board of County Commissioners possesses sole authority to award a contract for the services sought herein.
