POLICY AND PROCEDURES ADOPTED FOR THE PURPOSE OF CONDUCTING OUTSIDE AUDITS OF BUSINESS PERSONAL PROPERTY

1. CONTRACT

- A. A valid contract between the county and outside audit firm must be in effect at any time the outside audit firm is assisting the county in gathering information to be used to search out and appraise unreturned or under reported properties in the county. The scope of the services rendered must be in compliance with OCGA § 48-5-298 and Georgia Department of Revenue Rules and Regulations, Chapter 560-11-10 Appraisal Procedures Manual.
- B. An outside auditor is utilized in order to benefit from their knowledge and experience in their field, however the auditor's services are directed and guided by the Rockdale County Board of Tax Assessors office and its staff. All authority and final decisions remain with the BOA.
- C. The contract must be specific in outlining the scope and responsibilities of the outside audit firm to include, but not be limited to:
- 1) Form and purpose of audits or other services to be rendered.
 - 2) Fixed Compensation methods (Contingency Fees not permitted).
 - 3) A part of the current contract in effect must cover the following areas:
 - a) Confidentiality Agreement
 - b) Period of contract
 - 4) Methods and reports to be used in reporting auditing results back to the county.
 - 5) Information gained as a direct result of conducting an audit of any taxpayers financial records is not to be shared or used in any manner with another taxpayer or taxing jurisdiction without the express written consent of the taxpayer and the BOA.

2. AUDIT SELECTION CRITERIA

- A. As outlined in OCGA § 48-5-299, the Rockdale County Board of Assessors (BOA) is required to search out and make such investigations as necessary to determine the value of unreported or under reported properties subject to taxation in the county. Therefore the BOA will audit all personal property accounts over the course of a three year time period.
- B. Accounts to be selected for audit will be based upon the following:
- All accounts will be ranked and placed into the appropriate class according to their Fair Market Value.
 - Class 1 – Under \$7501
 - Class 2 \$7501- \$50,000
 - Class 3 \$50,001 - \$250,000
 - Class 4 \$250,001 - \$1,000,000
 - Class 5 \$1,000,001 - \$5,000,000
 - Class 6 \$5,000,001- \$50,000,000
 - Class 7 Over \$50,000,000
 - Class 1 accounts will be exempt from the selection criteria, but will be reviewed at least once every three years.
 - All accounts that fail to file a return shall be audited each year.
 - Any account where values returned are not consistent with prior year values and a reasonable explanation is not provided.
 - Returned values are not consistent with type of business reported.

- Pertinent supporting information is missing.
- Returns have not been received for one or more prior years.

- C. The Personal Property manager and/or the staff auditor will review the accounts flagged for “desk audit”. If a reasonable explanation or additional information can be obtained from the taxpayer that explains the discrepancy, then any necessary adjustments are made and the account is accepted without audit. If a reasonable explanation or additional information is not received, then the account may be selected for audit.
- D. A random selection is also utilized to select additional accounts that have not been flagged for “desk audit”. The Personal Property manager conducts this random selection. The randomly selected accounts are audited in order to help insure general taxpayer compliance. The number of accounts randomly selected is determined by budget availability and workload of the Personal Property appraisal staff.

3. DELIVERY OF SELECTED ACCOUNTS TO OUTSIDE AUDITOR

- A. A list is compiled of all accounts selected for audit to include the taxpayer name and account number, tax year(s) being audited, current fair market value(s), and reason(s) selected for audit.
- B. Photocopies of returns and all supporting documents for the year(s) being audited are made and provided to the outside auditor.
- C. The outside auditor is allowed to schedule the accounts selected for audits according to its manpower availability and to more efficiently schedule any required out of town travel. All audits shall be scheduled so as to allow ample time for completion prior to the end of each contract year.

4. CONDUCTING OF AUDITS AND TAXPAYER’S RECORDS

- A. The auditor notifies the Personal Property manager on a monthly basis of accounts to be scheduled for audit. The division then prepares a standard form letter to notify the taxpayer their account has been selected for audit. The original copy is sent to the contact name and address as shown on the return. Additional copies are made for the department files and the outside auditor files. The letter describes to the taxpayer what to expect during the course of the audit, list of the type of reports to be reviewed, and provides the name and phone number of the outside auditor and our appraisal staff. Taxpayers are also advised in the letter to expect a phone call from the auditor to schedule a convenient time to complete the audit and make a visual walk through of the Rockdale County location.
- B. During the course of the audit, the outside auditor will review the taxpayer records for compliance, while maintaining strict confidentiality as outlined in OCGA § 48-5-314. Only copies of records needed to support the return and findings are made and retained by the auditor. The taxpayer should be made aware of any discrepancies found as part of the normal exit interview conducted at the conclusion of the audit.
- C. All correspondence to the taxpayer is printed by the county, on county letterhead and signed by the Personal Property Manager.
- D. If a taxpayer expresses a concern to either the county or outside auditor over the confidentiality or security of its documents and records during the course of the audit, one or more of the following procedures may be utilized to conclude the audit:
- 1) The taxpayer may be advised by the county, of the confidentiality agreement between it and the outside auditor and provided a copy if desired.
 - 2) A member of the county staff may accompany the outside auditor during the audit and maintain custody of all records.
 - 3) The outside auditor may review the taxpayer’s records at the taxpayer’s place of business or at the county offices only.
 - 4) The outside auditor may not be permitted to maintain in its sole possession, a separate file containing information or documents relating to the audit.

5. AUDIT RESULTS AND NOTIFICATION

- A. After completion of the audit, the outside auditor compiles a report of its findings and presents the results to the Personal Property manager. The manager will then notify the Chief Appraiser and the Board of Assessors of audit results at their monthly meetings. After review by the Personal Property manager, the taxpayer is officially notified of the audit results.
- B. As part of the audit notification process, a packet is prepared which provides a detailed explanation of the results with supporting documentation. Also included in the packet is a statement of prior fair market value and current (audited) fair market value and the difference. As part of this packet the taxpayer is given an assessment notice identifying the change in value. Taxpayer will be required to follow normal appeal procedures if he/she wishes to dispute this value change.
- E. If the audit results in a "no change in value", the taxpayer is notified in the same manner as outlined in Paragraph A above.
- F. If the taxpayer agrees with the change in value, a NOD (Not on Digest) or E&R is prepared and sent to the BOA for approval.
- G. If the taxpayer disagrees with the change in value, they will be encouraged to put their objections in writing and to provide any additional information to support their case. If, after careful review by the assessors' office, the audit results are adjusted, a "Revised" statement of prior fair market value and current (audited) fair market value will be sent to the taxpayer. If the taxpayer agrees to the "Revised" audit results the procedures outlines in item F, above will be followed. If the taxpayer is still in disagreement with the original or revised audit results, a hearing before the Board of Assessors will be scheduled. The Board will then send notification to the taxpayer notifying them of any changes. If no changes, taxpayer will be notified that their appeal has been forwarded to the Board of Equalization for a hearing date.
- H. With the mailing of the "Change of Assessment Notice", the taxpayer has 30 days to file a written formal appeal.

6. NON-COMPLYING TAXPAYERS

- A. In the event a taxpayer or its representative is uncooperative or unwilling to allow the outside auditor access to records or facilities, or to produce copies of records, the following procedures may be followed:
 - 1) The auditor maintains a phone log of all calls made in an attempt to schedule the visit or to obtain copies of needed records.
 - 2) If the auditor feels the phone calls are not making progress, then the Personal Property manager is advised and a "friendly" form letter is mailed asking for cooperation and explaining the purpose of the audit. A list of the necessary reports is again provided.
 - 3) The auditor again attempts to schedule the audit or obtain the records within two to three weeks after the follow-up letter is sent.
 - 4) If the "friendly" letter fails to produce the needed information, a follow up phone call is made by the Personal Property manager to the taxpayer or its representative, in an effort to get the audit process started.
 - 5) If the taxpayer continues to not comply with the outside auditors' request after the phone call by the Personal Property manager, a second letter is sent giving the taxpayer a specific date to comply with the auditors' request. The compliance date is approximately two to three weeks after the date of this letter. The second letter also contains a statement advising the taxpayer of the subpoena powers provided to the BOA as outlined in OCGA § 48-5-300.
 - 6) If the taxpayer fails to cooperate after the phone calls by the county and the mailing of the second letter, a third letter is issued. This letter is more direct and gives the taxpayer another compliance date, two to three weeks from the date of the letter. It contains a statement to the effect that if the taxpayer fails to comply by the revised date, a subpoena may be prepared and submitted for approval at the next regularly scheduled BOA meeting (date provided). The taxpayer will also be invited to attend this BOA meeting to address the board and to express their concerns regarding the audit. If the taxpayer indicates a desire to address the BOA, a subpoena may not be prepared until

after this meeting has taken place and the taxpayer has had the opportunity to make their concerns known.

- B. If, at any time during the procedures as outlined above in Paragraph A, the Assessors staff are advised in writing by the taxpayer or their representative of extenuating circumstances, which are beyond their control and prevents them from complying with our requests, the audit may be rescheduled, postponed, or even cancelled as deemed appropriate by the county.
