III. Background

The City of Knoxville owns the 2,900 sq. ft. Carl Cowan Pool located within the Dr. E.V. Davidson Community Center at 3124 Wilson Avenue. The building is currently used to provide free after-school and summer programs for children, as well as youth basketball team practices in the winter and other programs for the community. The City's Department of Parks and Recreation currently staffs the recreation center, while the pool has been staffed and operated by Emerald Youth Foundation under the most recent contract.

The building is in good condition. The pool was closed in 2012, then reopened in August of 2014. Located about one mile from Interstate 40, the building and indoor pool are situated in a key location within the community. The area to be leased consists of the pool and pool area, restrooms, and associated locker and mechanical rooms. Utilities average approximately \$900 per month. The area that the selected organization will lease is approximately 90 feet x 60 feet. There is parking outside the pool's door and a playground located adjacent to the parking lot.
