

ROCKWOOD SCHOOL DISTRICT CHILD NUTRITION

ITALIAN ICE GENERAL CONDITIONS AND SPECIFICATIONS

2022-23 SCHOOL YEAR

- Bid shall be for the 2022-23 school year (July 1, 2022 – June 30, 2023) and must be received either by email or at the Rockwood Child Nutrition Office no later than 10:10am on May 11, 2022. **The price will be firm for the year.**
- No delivery charges or fuel charges will be paid by Rockwood Child Nutrition.
- Product is to be delivered on days and times requested by the 6 Middle and 4 High schools in the Rockwood School District. A district map of the school locations is enclosed.
- A legible numbered invoice must accompany each delivery with the **name of school, date of delivery, number of products and total cost.**
- A monthly statement must be provided to Rockwood Child Nutrition listing all deliveries and charges for the month.
- All Italian Ice products covered under this contract are to be delivered under the most sanitary conditions. Rockwood Child Nutrition requires a copy of the most recent sanitation report.
- Products are to be custom blended with real fruit and fruit juices. They must be made with 100% natural ingredients.
- All products are to be Smart Snack compliant. Please refer to page 7 of the USDA guide:
https://fns-prod.azureedge.net/sites/default/files/resource-files/USDASmartSnacks_508_62019.pdf .
- Provide a list of flavors and the nutrient analysis for each flavor. The case in which the product is packed or each serving must be labeled with the flavor, all ingredients (from greatest to least) including water and ice, allergens and production address.
- Quote your price per case (36) of 5 ounce cups.
- If inclement weather forces cancellation of school, the supplier will be informed by public radio, television, or district website before 7:00 A.M. on that day. On days when there is a cancellation due to inclement weather or no school, Rockwood CNS will not accept deliveries.

- The Board of Education reserves the right to terminate the contract at any time for due cause, which shall include such reasons as unsatisfactory service or substandard products.
- Scoring Matrix Criteria: To be used to determine the best cost benefit to the school district, the highest quality of products, and the best service suited to the school district's needs. In no event shall the District be required to explain the evaluation process or award selection to any Proposer.

Evaluation Components	Points
Price	40
Quality	25
Delivery Timeline	20
Service	10
Student Product Acceptability	5
Total:	100

I have read the above conditions and agree to the terms of the bid.
