

CITY OF HAVELOCK

Post Office Box 368
Havelock, NC 28532

INVITATION TO BID

Pursuant to North Carolina General Statutes §143-131, the City of Havelock invites informal bids on the following:

Bids must be submitted in accordance with the attached specifications. Bids must include an itemized schedule (including quantity, unit price and total) for each work element. Bids can be submitted by mail, email, fax or hand delivered. Cover sheets, envelopes, etc. should be clearly marked with the words:

*“City of Havelock,
Westbrooke Pump Station, Discharge Pipe Leak Repair”*

Address Bids to: **Lee Tillman, Director of Finance**
 City of Havelock
 P.O. Box 368
 1 Government Ave.
 Havelock NC 28532
 Fax 252-447-0126
 Email: Ltillman@havelocknc.us

Bids will be accepted until **3:00 p.m. (EST) on Tuesday, April 5, 2017** at which time they will be reviewed in the office of the City Finance Director. Quotes are not subject to public inspection until the contract is awarded. The bids are good for 75 days after opening.

Bidders are cautioned not to submit bids until the proposed requirements and specifications have been carefully examined. It will be considered that bidders will have satisfied themselves as to the accuracy of the specifications. No proposal will be considered unless prices are submitted for all items requested in any section. The City reserves the right to change the amount of quantities.

The names of certain brands or makes denote quality standard in the article desired, but do not restrict bidders to the specific brand, make or manufacturer named. They are meant to convey to prospective bidders the general style, type, character and quality of the article desired.

The successful bidder on all construction contracts will be required to conduct the operation in accordance with all Federal, State, and Municipal health and safety rules, regulations and laws applicable to the operation. The successful bidder may be asked to provide the City with a copy of the company's safety plan prior to commencing work. For all projects over \$30,000, a general contractor's license must be furnished to the City if applicable.

CITY OF HAVELOCK

Post Office Box 368
Havelock, NC 28532

N.C.G.S. (North Carolina General Statutes), specifically §160A-20.1(b), prohibit the City from entering into contracts with contractors and subcontractors who have not complied with the requirement of Article 2 of Chapter 64. The Contractor shall submit the E-Verify Affidavit, located in the Bid Proposal section, with their bid. Bids that do not include this Affidavit will be considered non-responsive.

N.C.G.S 147-86.55-69 requires certification for bids with a North Carolina Local Government. The certification is required at the time when a bid is submitted. N.C.G.S 147-86.55-69 requires that contractors with a North Carolina Local Government must not utilize any subcontractor found on the State Treasurer's Final Divestment List. The State Treasurer's Final Divestment List can be found on the State Treasurer's website at the address www.nctreasurers.com/Iran and will be updated every 180 days.

The City of Havelock reserves the right to reject any or all proposals and to purchase items from the state contract in the efforts to award the contract to the bidder it deems to be for the best interest of the City.

This institution is an equal opportunity provider, and employer.

Contact person(s) for information on this bid:

For questions in regards to the bid specifications, the City requires and only responds to questions submitted in writing and sent via email to:

Ltillman@havelocknc.us AND cc: Asmith@havelocknc.us

This the 31st day of March 2017.

Address Bid to:

Lee Tillman, Director of Finance
City of Havelock
P.O. Drawer 368
1 Governmental Avenue
Havelock NC 28532

Please indicate the Bid name on the outside of the envelope.

Project Scope:

Repair leak in discharge pipe in Westbrooke Pump Station located at 500 Hwy 70 W, Havelock, NC. The Westbrooke Pump Station is located in the Westbrooke Shopping Center Parking lot in close proximity to Manhole WB-44. (See attached sewer map and aerial photo.).

Depending on the progression of the work and the actual condition of the pipes, the City of Havelock may choose to replace part or all of discharge pipe #1 and replace part or all of discharge pipe #2.

General Provisions:

1. Contractor shall comply with all requirements of OSHA 1926; including confined space entry procedures.
2. Period of Performance is sixty (60) days from date of award.
3. Contractor will obtain all necessary permits. Permits required by City of Havelock are provided free of charge.
4. Any excavation shall be backfilled with select fill.

LOCATION:

1. Existing pump #1 Discharge Pipe has a hole approximately 5-inches in diameter adjacent and above the flange located approximately mid-height in the wet well. The hole is located on the south/west face of discharge pipe #1.
2. Existing discharge piping is heavily corroded.
3. Bypass pumping from the existing Manhole WB-44 to the pump station discharge line is expected to be required to accomplish repairs. Bypass pump is expected to be a 4-inch pump that will need to connect to the 3-inch discharge line.
4. Westbrooke Pump Station wet well is approximately 19-feet deep.
5. Existing discharge pipe #1 and discharge pipe #2 are believed to be 4-inch ductile iron.
6. Top of discharge line is believed to be a T-joint.
7. Use of High Max brand coupling or equal is required.
8. Use of grip rings required in lieu of mechanical joints.
9. Length of discharge pipe is approximately 14-feet in length.
10. Contractor is responsible for verifying site conditions.

Basis of Bid:

1. Bids will consist of five items as described below. Bidders must bid on all five items as the bid will be awarded to a sole contractor.
 - a. Two Base Bid items, #1 and #2 below.
 - b. Three Options, items #3, #4, and #5 below.

	Bid Item	Description	Cost	
Base Bid	1	Replace pump #1 discharge pipe from mid-height flange within the wetwell to the inlet face of the #1 check valve.	\$ -	Lump Sum
Base Bid	2	Repair a missing pipe segment between the wet well end of the existing gravity sewer line from Manhole WB-44 and the trash basket.	\$ -	Lump Sum
Option	3	Replace pump #2 discharge pipe from mid-height flange within the wetwell to the inlet face of the #2 check valve.	\$ -	Lump Sum
Option	4	Replace pump #1 discharge pipe from outlet of pump #1 to the inlet face of the #1 check valve.	\$ -	Lump Sum
Option	5	Replace pump #2 discharge pipe from outlet of pump #2 to the inlet face of the #2 check valve.	\$ -	Lump Sum
		Total	\$ -	Lump Sum
