QUESTIONS AND CLARIFICATIONS:

Question 1: Can you provide us with locations of the most recently pruned trees?

Clarification 3: All trees were pruned in the summer of 2021, except the pine trees and the Covina District Field and the SELPA site.

Question 2: Would it be possible for us to visit the schools to evaluate the trees?

Clarification 2: No, we currently do not have the staff to meet with contactors.

Question 3: While the hypothetical pricing section is good for pricing the one school, we need to ensure that our unit prices will reflect the costs of trimming all of the trees district wide. In order to do that we need to visit all of the schools/properties and evaluate the current conditions of the trees.

Clarification 3: All trees were pruned in the summer of 2021, except the pine trees and the Covina District Field and the SELPA site.

Question 4: Can we get permission to visit them all?

Clarification 4: No, refer to the tree inventory in the bid package.

Question 4: Do we need an appointment, or can the schools be notified of our intention to visit so we can just visit them all at our convenience?

Clarification 4: We are not allowing site visits.
