Together, the Bid Proposal Form and the additional forms required to be submitted by the Bidder as part of the Bid, constitute the "Bid Package."

In making copies of Bid Documents available, the City does so only for the purpose of obtaining Bids and does not confer a license or grant to use the Bid Documents for any other purpose.

E. The Bid Price (including unit prices and extended prices if applicable), must be stated in numerals.

F. If this solicitation requires unit prices and there is a conflict between the unit prices and the extended totals, the unit price will take precedence. Likewise, discrepancies between the indicated sum of any column of figures and the correct sum thereof will be resolved in favor of the correct sum.

G. The Bidder must not submit alternative Bids unless this solicitation specifically authorizes alternate Bids. If this solicitation specifically allows the submission of alternate Bids, the Bidder must submit the standard and the alternative Bid in order to be considered responsive.

H. The Bid may not contain qualifications or exceptions of any kind.

I. All other submittal requirements stated herein must be met.

**IB-3. SIGNING THE BID.** The Bid Proposal Form, and all other Bid Package documents requiring the Bidder's signature, must contain an original or of an individual who is authorized to bind the Bidder. The signature must be located in the space(s) marked for the Bidder's signature.

In addition:

A. If the Bidder is a general partnership, its name and address must be stated as well as the name and address of each member of the firm or partnership.

B. If the Bidder is a joint venture, the Bidder must provide the full legal names of all persons/firms comprising the joint venture on separate signed attachment(s).

C. The person signing the Bid Proposal Form on behalf of the Bidder must be the same person who signs all of the other Bid Package documents.

**IB-4. REQUESTS FOR INTERPRETATIONS.** If the Bidder is in doubt as to the meaning of any of the Bid Documents included in this solicitation, the Bidder may submit a written request to the City for an interpretation, in care of the Purchasing Agent at the address set forth in the Invitation for delivery of the completed Bid. Such requests must be received **7 days** prior to Bid opening in order to be considered. The City is not obligated to respond to such requests. Any clarification or interpretation of the Bid Documents issued by the City in the form of a written addendum will be deemed to be a part of the Bid Documents. **NO ORAL CLARIFICATION OR INTERPRETATION BY ANY PERSON WILL MODIFY OR OTHERWISE EFFECT THE TERMS, CONDITIONS, OR SPECIFICATIONS STATED IN THESE Bid DOCUMENTS. ALL MODIFICATIONS WILL BE EFFECTED IN WRITING BY ADDENDUM**

**IB-5. ADDENDA TO BID DOCUMENTS.** Prior to Bid opening, the City may, on the City's own initiative or in response to a request for clarification, furnish addenda for additions or alterations to the Bid Documents previously supplied by the City. In addition, the City may by addendum extend the date scheduled for Bid Opening.

The Purchasing Agent will make reasonable efforts to notify all potential Bidders of the issuance of an Addendum. The Purchasing Agent will post Addenda on the City's official web site. The City's Purchasing web site address is [www.codb.us/841/Purchasing](http://www.codb.us/841/Purchasing); addenda may be found under the "Public Solicitations" link. **However, the Bidder is solely responsible for ensuring that the Bid Proposal submitted reflects all such Addenda.**

The envelope must display the name and address of the Bidder, the Bid number and title as set forth on the Invitation to Bid, and the date and time scheduled for Bid opening. The notice must be signed by a properly authorized agent of the Bidder.

Mere negligence on the part of the Bidder in preparing the Bid does not constitute a right to withdraw the Bid subsequent to Bid opening.

Amendments may be made only prior to Bid opening through the submission of a complete Bid Package, along with a written statement, signed by the same person who signed the Bid Package documents, that the submission is intended to fully replace the Bidder's earlier submission. The City is not required to honor an amendment that fails to comply with this Paragraph 8.

Hard copies of the Bid tabulation sheet will be furnished upon request and receipt of an email address or self-addressed stamped envelope.

**IB-12. THE BID IS AN OFFER.** In submitting the Bid, the Bidder certifies that the Bidder is making a firm offer that will remain open for 60 days following Bid opening unless properly and timely withdrawn by the Bidder prior to Bid Opening in conformance with these Instructions unless the City, in the City's sole discretion, rejects the Bid after Bid Opening. Extensions of time beyond the 60 day-period will only be by agreement of the City and the Bidder.

**IB-13. BID PRICE INCLUSIVE OF COSTS.** The Bid Price is inclusive of all of the Bidder's direct and indirect costs of performing the Work including but not limited to delivery, freight, and fuel surcharges.

**IB-14. FEDERAL TAXES.** The Bid Price will be exclusive of all federal taxes. If the Bidder believes that certain other taxes are properly payable by the City, the Bidder may list such taxes separately in each case directly below the respective item Bid Price. Tax exemption certificates will be furnished upon request.

**IB-15. PUBLIC RECORDS.** Sealed Bids received by the City pursuant to the Invitation to Bid will be temporarily exempt from disclosure in accordance with Florida's Public Records Laws. Thereafter, all Bids will be open for a personal inspection by any person pursuant to Public Records Law.

If the Bidder believes that the Bid or any portion thereof is exempt from disclosure under the public records law, the Bidder must state the grounds for this position in CAPITAL LETTERS on a cover sheet placed on the outside of the sealed Bid. The Bidder will be contacted prior to the opening of the Bid and a determination will be made as to whether or not it is exempt prior to opening. If a determination is made that it is not exempt from disclosure, the Bidder may in writing request the return of the sealed Bid as provided herein.

**IB-16. BIDDER CAPABILITY/REFERENCES.** Prior to Contract award, the City may require Bidder to show that Bidder has the necessary facilities, equipment, ability, and financial resources to perform the work specified in a satisfactory manner and within the time specified.

In addition, the City may require Bidder to demonstrate the Bidder has experience in work of the same or similar nature as the work required herein, and to provide references satisfactory to the City.

**IB-17. REVIEW; BASIS OF AWARD.** Bids will be reviewed in accordance with the procedures set forth in these Instructions to Bidders and the applicable provisions of the City Purchasing Code (Chapter 30 of

the City Code of Ordinances). Any Contract award pursuant to the Invitation to Bid will be made on the basis of the criteria for award of Bids provided in the Purchasing Code.

**IB-18. LOCAL PREFERENCE.** The Purchasing Code, Chapter 30, Code of the City of Daytona Beach provides for a preference to local Vendors whenever the application of such a preference is reasonable in light of the dollar-value of Proposals received in relation to such expenditures.

As used in City Code, the term, "local Vendor" means a person or business entity which has maintained a permanent place of business with full-time employees within the city limits of the City of Daytona Beach for a minimum of six months prior to the date Bids or Proposals were received for the purchase or Contract at issue, which generally provides from such permanent place of business the kinds of goods or Services solicited, and which at the time of the solicitation fully complies with state and local laws, including City zoning and licensing ordinances.

Pursuant to City Code, if the lowest responsive Bid is submitted by a non-local Vendor, and a Bid submitted by a local Vendor is within 10% of the lowest Bid, then these two Vendors will each have the opportunity to submit a best and final Bid equal to or lower than the amount of the lowest Bid within five working days after Bid opening. The Bid will be awarded to the Bidder submitting the lowest responsive Bid or final Bid. In case of a tie between a local Vendor and a non-local Vendor, the Bid will be awarded to the local Vendor.

If the Bidder intends to qualify as a local Vendor, the Bidder must complete and sign the Local Vendor affidavit and submit it as part of the Bid. A Bidder who fails to properly complete and sign this affidavit or submit it with the Bid, will not further considered for local preference.

If the Bidder submits a properly completed Local Vendor affidavit as part of its Bid, the City reserves the right to verify that the Bidder meets the definition of Local Vendor, including by requiring the Bidder to supply additional documentation. In all instances, the City will be the final arbiter as to whether the Bidder qualifies for local preference.

With certain exceptions, application of local preference is discretionary. For more information on how the Local Preference may apply, see the Purchasing Code.

**IB-19. IDENTICAL TIE BIDS.** If there are two or more low responsive Bids from responsible Bidders that are identical in price, the tie will be broken in the following in order of preference: a) the Bidder qualifying for local preference under Code 30-86; b) the Bidder in compliance with the drug free workplace certification requirements set forth in Florida Statutes 287.087; or c) the most responsible Bidder as defined under the City Code 30-82 (9)(c). Please see the Drug Free Workplace form incorporated into the Bid Documents.

**IB-20. RIGHT TO ACCEPT OR REJECT BIDS.** The City will reject Bids which contain modifications, which are incomplete, unbalanced, conditional, obscure, which contain additions not requested, which contain irregularities of any kind, or which do not comply in every respect with these Instructions to Bidders and the Contract Documents, unless the City determines in its sole discretion that the non-compliance is minor.

The City does not bind itself to accept the minimum Bid stated herein, but reserves the right to accept any Bid, which in the judgment of the City will best serve the needs and interests of the City.

**IB-21. Contract DOCUMENTS.** The draft Contract that will be executed by the City and the successful Bidder is included in these Bid Documents. The Contract will include, by attachment or by reference, the Bid Documents, the Bid Package submitted by the successful Bidder, the Resolution or Ordinance awarding the Bid, any Purchase Orders requisitioning goods or Services pursuant to the Contract, and any amendments that may be executed by the successful Bidder after the date of award, if any, and the City. No representations, warranties, inducements or oral agreements have been made by either Party except as expressly set forth in this Contract.

**IB-22. PURCHASE ORDERS.** All Purchase Orders issued pursuant to the Contract will be deemed to incorporate all terms and conditions of the Contract regardless of whether the Contract or Contract Documents are expressly referenced therein. In case of conflicts between a Purchase Order and any other provisions of the Contract Documents, the other provisions of the Contract Documents will prevail.

**IB-23. PUBLIC ENTITY CRIMES.** Any party submitting a Bid in response to this invitation must execute the enclosed Form PUR 7068, "SWORN STATEMENT UNDER SECTION 287.133(A), FLORIDA STATUTES, ON PUBLIC ENTITY CRIMES," and enclose it with the Bid/Proposal . The form is included on the Bid Proposal pages of the Bid Documents. All blank spaces in the form must be completed.

**IB-24. COMPLIANCE WITH LAWS.** The Bidder will comply with all applicable federal, state, and local laws, ordinances, rules, regulations, and all orders and decrees of bodies or tribunals having jurisdiction or authority which in any manner affect the work, or which in any way affect the conduct of the work.

The Successful Bidder must always observe and comply with all such laws, ordinances, rules, regulations, orders, and decrees, including the Occupational Safety and Health Administration's (OSHA) Excavation-Safety Standard, 29 C.F.R. § 1926.650 Sub Part P, and Chapter 90-96 Florida Statutes.

**IB-25. MAINTENANCE OF LICENSES.** The Successful Bidder will protect and indemnify City and all its officers, agents, servants, or employees against any claim or liability arising from or based on the violation of any such law, ordinance, rule, regulation, order, or decree caused or committed by the Successful Bidder, its representatives, sub-Contractors, sub-consultants, professional associates, agents, servants, or employees.

The Bidder will maintain all required licenses in full force and effect during the Contract term, including any renewal options.

**IB-26. BIDDER RESPONSIBILITY FOR PREPARATION COSTS.** Neither the City nor the City's officers or agents will be liable for the costs incurred by the Bidder in reviewing or responding to this solicitation.

END OF SECTION

## **SECTION 4: GENERAL PROVISIONS**

### **GP-1. COMPENSATION AND PAYMENTS; LIMITATIONS**

B. For Services, provided by Vendor pursuant to this Contract, the City will pay Vendor an amount not to exceed the amount described in the Bid Schedule.

C. For Unit Price Contract, City will pay Vendor an amount not to exceed the amount described in the Bid Schedule of the Vendor submittal.

**UNIT PRICING AND QUANTITIES.** If this solicitation requests submission of unit prices: (i) the Bidder will hold all unit prices Bid firm for the duration of the Contract, including any extension thereof, unless price adjustments are specifically authorized by the Contract Documents; and (ii) quantities stated are an estimate only and no guarantee is given or implied as to quantities that will actually be required during the Contract period.

**GP-2. BILLING; MANNER OF PAYMENT.** In addition to requirements for payment established by applicable federal, state, or local law including the City Code, payment terms will be paid in accordance with the local government prompt payment act (218.70 F.S.). Payment will be made 45 days after Vendor has provided an accurate and undisputed invoice, except where the City accepts a prompt payment discount from the Vendor and the commodities are not defective. All invoices must have a unique invoice number, date, and pricing by line item and unit price that are consistent with this Contract and such purchase order. Improper invoices will be returned to the Vendor. Any additional terms and conditions set forth on an invoice not in compliance with this Contract or the purchase order are null and void. Nothing in this Contract will be deemed to create an obligation on the City's part to pay a subcontractor or supplier of Vendor's for commodities provided under this Contract.

**GP-3. RELATIONSHIP BETWEEN PARTIES.** This Contract does not create an employee-employer relationship between the City and Vendor. Vendor is an independent Vendor of the City and will be in control of the means and the methods in which the requested work is performed. As an independent Vendor, Vendor will be solely responsible for payment of all federal, state and local income tax, and self-employment taxes, arising from this Contract, and Vendor agrees to indemnify and hold harmless the City from any obligations relating to such taxes. The City will not make deductions from payments due for such taxes or for social security, unemployment insurance, worker's compensation, or other employment or payroll taxes. Vendor will also be responsible for the performance of Vendor's subcontractors.

**GP-4. DOCUMENTS.** All reports, estimates, logs, original drawings, and other materials furnished, prepared or executed by Vendor during the term of and in accordance with the provisions of this Contract will be the property of the City and delivered to the City upon demand or, if no demand has previously been made, upon completion of the particular task for which such materials were prepared, executed, or otherwise required, or upon termination or expiration of this Contract.

### **GP-5. PUBLIC RECORDS.**

A. To the extent applicable, Vendor will comply with the requirements of Florida Statutes Section 119.0701, which include the following:

- 1 Keeping and maintaining public records that the City requires for performance of the service provided herein.

2 Upon the request of the City Clerk of the City, (i) providing the City Clerk with a copy of requested public records or (ii) allowing inspection or copying of the records, within a reasonable time after receipt of the City Clerk's request, at a cost that does not exceed the cost provided in Ch. 119, Florida Statutes, or as otherwise provided by law.

3 Ensuring that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law until completion of this Contract, and following such completion if Vendor fails to transfer such records to the City.

4 Upon completion of this Contract, keep and maintain public records required by the City to perform the service. Vendor will meet all applicable requirements for retaining public records. All records stored electronically must be provided to the City upon request from the City Clerk, in a format that is compatible with the City's information technology systems.

**IF THE VENDOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS Contract, Vendor MUST CONTACT THE City CLERK, WHOSE CONTACT INFORMATION IS AS FOLLOWS:**

(Phone)	386 671-8023
(Email)	clerk@codb.us
(Address)	301 S. Ridgewood Avenue Daytona Beach, FL 32114

B Nothing herein will be deemed to waive Vendor's obligation to comply with Section 119.0701(3)(a), Florida Statutes, as amended by Chapter 2016-20, Laws of Florida (2016).

**GP-6. TERMINATION OF CONTRACT.**

A. The City may by written notice to Vendor terminate this Contract, in whole or in part, at any time, either for the City's convenience or because of the failure of the Vendor to fulfill its Contractual obligations.

1. Before terminating for convenience, City must provide Vendor at least 30 days advance notice of termination. This Contract will terminate automatically and without need for further notice upon the expiration of the notice period.

2. Except as provided in Section 10(a)(3), before terminating due to Vendor's material breach of its Contractual obligations, City must provide Vendor prior written notice, specifying the breach and demanding Vendor remedy the breach within 10 days of the notice, or within such longer period as may be reasonably required if the nature of the breach is that it cannot be remedied within 10 days of notice. This Contract will terminate automatically and without need for further notice if Vendor fails to remedy the material breach within the period described in the City's notice of breach.

3. The City may terminate this Contract upon Vendor's breach without providing Vendor an opportunity to remedy the breach as referenced immediately above, if Vendor or any of Vendor's personnel, in connection with the Services or rights provided herein, commit a criminal act or engage in activity that poses a material risk of injury to persons or damage to property. Such termination will be effective immediately upon providing Vendor written notice.

B. If the termination is for convenience, Vendor will be paid compensation for goods accepted or Services performed to the date of termination. If termination is due to Vendor's material breach, the City

reserves all rights and remedies it may have under law due to such breach. Among other things, the City may take over the work and prosecute the same to completion by other agreements or otherwise; and in such case, the Vendor will be liable to the City for all reasonable additional costs occasioned to the City thereby.

C. If after notice of termination for the Vendor's failure to fulfill Contractual obligations it is judicially determined by a court of law that the Vendor had not so failed, the termination will be conclusively deemed to have been effected for the City's convenience. In such event, adjustment in payment to Vendor will be made as provided in GP-6(b) for a termination for convenience.

D. The rights and remedies of City provided for in this Section are in addition and supplemental to any and all other rights and remedies provided by law or under this Contract.

E. Subject to Odebrecht Constructions, Inc., vs Prasad and Odebrecht Construction, Inc. v. Secretary, Florida Department of Transportation and their progeny, this paragraph applies to any Contract for Services or Items of \$1 million or more. Vendor certifies that it is not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List and that it does not have business operations in Cuba or Syria as provided in §287.135, Fla. Stat., as may be amended or revised. City may terminate this Contract at the City's option if Vendor is found to have submitted a false certification as provided under subsection (5) of , or been placed on the Scrutinized Companies §287.135, Fla. Stat., as may be amended or revised or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List and that it does not have business operations in Cuba or Syria as provided in §287.135, Fla. Stat., as may be amended or revised.

**GP-7. SEVERABILITY.** If one or more of the provisions contained in this Contract are held to be invalid, illegal or unenforceable for any reason in any respect, such invalidity, illegality or unenforceability will not affect any other provisions of this Contract, and this Contract will then be construed as if such invalid, illegal or unenforceable provision had never been contained herein or therein.

**GP-8. LIMITATION ON WAIVERS.** Neither the City's review, approval, or acceptance of, or payment for, any of the Services provided by Vendor, will be construed to operate as a waiver of the City's rights under this Contract. Vendor will be and always remain liable to the City in accordance with applicable law for any and all damages to the City caused by the Vendor's negligent or wrongful provision of any of the Services furnished under this Contract.

Failure of the City to exercise any right or option arising out of a breach of this Contract will not be deemed a waiver of any right or option with respect to any subsequent or different breach, or the continuance of any existing breach. Furthermore, the failure of the City at any time to insist upon strict performance of any condition, promise, agreement or understanding set forth herein will not be construed as a waiver or relinquishment of the City's right to insist upon strict performance of the same condition, promise, agreement or understanding at a future time.

**GP-9. DISPUTE RESOLUTION.** If a dispute exists concerning this Contract, the Parties agree to use the following procedure prior to pursuing any judicial remedies.

A. Negotiations. A Party will request in writing that a meeting be held between representatives of each Party within 14 calendar days of the request or such later date that the Parties may agree to. Each Party will attend and will include, at a minimum, a senior level decision maker (an owner, officer, or employee of each organization) empowered to negotiate on behalf of their organization. The purpose of this meeting is to negotiate in the matters constituting the dispute in good faith. The Parties may mutually agree in writing to waive this step and proceed directly to mediation as described below.

B. Non-Binding Mediation. Mediation is a forum in which an impartial person, the mediator, facilitates communication between parties to promote reconciliation, settlement, or understanding among them. Within 30 days after the procedure described in Subsection (a) proves unsuccessful or the Parties mutually

waive the subsection (a) procedure, the Parties will submit to a non-binding mediation. The mediation, at a minimum, will provide for (i) conducting an on-site investigation, if appropriate, by the mediator for fact gathering purposes, (ii) a meeting of all Parties for the exchange of points of view and (iii) separate meetings between the mediator and each Party to the dispute for the formulation of resolution alternatives. The Parties will select a mediator trained in mediation skills and certified to mediate by the Florida Bar, to assist with resolution of the dispute. The Parties will act in good faith in the selection of the mediator and give consideration to qualified individuals nominated to act as mediator. Nothing in this Contract prevents the Parties from relying on the skills of a person who also is trained in the subject matter of the dispute or a Contract interpretation expert. Each Party will attend and will include, at a minimum, a senior level decision maker (an owner, officer, or employee of each organization) empowered to negotiate on behalf of their organization.

If the Parties fail to reach a resolution of the dispute through mediation, then the Parties are released to pursue any judicial remedies available to them.

**B. Assignments and Subcontracting.** No assignment or subcontracting will be permitted without the City's written approval.

**C. Compliance with Laws and Regulations.** In providing all Services pursuant to this Contract, Vendor will abide by all statutes, ordinances, rules, and regulations pertaining to or regulating the provisions of such Services, including those now in effect and hereafter adopted. Any violation of said statutes, ordinances, rules, or regulations will constitute a material breach of this Contract and will entitle the City to terminate this Contract immediately upon delivery of written notice of termination to the Vendor.

**D. Truth in Negotiations Certificate.** Vendor hereby certifies that the wages and other factual unit costs supporting the compensation herein are accurate, complete, and current at the time of this Contract.

**E. No Third Party Beneficiaries.** There are no third party beneficiaries of Vendor's Services under this Contract.

**F. Contingency Fee.** Vendor warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Vendor, to solicit or secure this Contract and that it has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for Vendor, any fee, commission, percentage, gift, or any other consideration, contingent upon or resulting from the award or making of this Contract.

**G. Nondiscrimination.** Vendor will not discriminate against any employee or applicant for employment because of race, color, sex, or national origin. Vendor will take affirmative action to ensure that applicants are employed and the employees are treated during employment without regard to their sex, race, creed, color, or national origin. Further, Vendor agrees to comply with all local, state, and federal laws and ordinances regarding discrimination in employment against any individual on the basis of race, color, religion, sex, national origin, physical or mental impairment, or age. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL ENCOMPASSING OF ANY DISPUTES BETWEEN THE PARTIES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER, INCLUDING WITHOUT LIMITATION, Contract CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS.

**L. Failure to Enforce.** Failure by the City at any time to enforce the provisions of this Contract will not be construed as a waiver of any such provisions. Such failure to enforce will not affect the validity of the Contract or any part thereof or the right of the City to enforce any provision at any time in accordance with its terms.

**M. Non-Exclusive Contract.** This is not an exclusive Contract. Award of this Contract will impose no obligation on the part of the City to use the successful Bidder for all work of this type that may be required during the Contract period. The City specifically reserves the right to concurrently Contract with other companies for similar work if the City deems such action to be in the City's best interests. In the case of multiple TERM Contracts, this provision will apply separately to each Contract.

**N. Force Majeure.** A Force Majeure event is an act of God or of the public enemy, riots, civil commotion, war, acts of government or government immobility (whether federal, state, or local) fire, flood, epidemic, quarantine restriction, strike, freight embargo, or unusually severe weather; provided, however, that no event or occurrence will be deemed to be a force majeure event unless the failure to perform is beyond the control and without any fault or negligence of the Party charged with performing or that Party's officers, employees, or agents. Whenever this Contract imposes a deadline for performing upon a Party, the deadline will be extended by one day for each day that a Force Majeure event prevents the Party from performing; provided, however, that the Party charged with performing and claiming delay due to a Force Majeure event will promptly notify the other Party of the Event and will use its best efforts to minimize any resulting delay.

The payment of such deductible shall be the sole responsibility of the Contractor or sub-contractor providing such insurance. In the event any request for the performance of Services presents exposures to the City not covered by the requirements set forth below, the City reserves the right to add insurance requirements that will cover such an exposure.

A. Coverage and Amounts.

1. Workers Compensation Insurance as required by Florida Statutes, Chapter 440, Workers' Compensation Insurance, for all employees of Vendor, employed at the site of the service or in any way connected with the work, which is the subject of this service. The insurance required by this provision will comply fully with the Florida Workers' Compensation Law and include Employers' Liability Insurance with limits of not less than \$500,000 per occurrence. Any associated or subsidiary company involved in the service must be named in the Workers' Compensation coverage.

2. Liability Insurance, including (i) Commercial General Liability coverage for operations, independent Vendors, products-completed operations, broad form property damage, and personal injury on an "occurrence" basis insuring Vendor and any other interests, including but not limited to any associated or subsidiary companies involved in the work; and (ii) Automobile Liability Insurance, which will insure claims for damages because of bodily injury or death of any person or property damage arising out of the ownership, maintenance or use of any motor vehicle used by the Vendor in the performance of this Contract.

THE COMMERCIAL GENERAL LIABILITY INSURANCE POLICY WILL NAME THE City AS AN ADDITIONAL INSURED. Vendor's Commercial General Liability insurance policy shall provide coverage to Vendor, and City when required to be named as an additional insured either by endorsement or pursuant to a blanket additional insured endorsement, for those sources of liability which would be covered by the latest edition of the standard Commercial General Liability Coverage Form (ISO Form CG 00 01) without the attachment of any endorsements excluding or limiting coverage for Products/Completed Operations, Independent Vendors, Property of City in Vendor's Care, Custody or Control or Property of City on which Contracted operations are being performed, Explosion, Collapse or Underground hazards (XCU Coverage, Contractual Liability or Separation of Insureds). When City is added as additional insured by endorsement, ISO Endorsements CG 20 10 and CG 20 37 or their equivalent shall be used to provide such Additional Insured status that is at least as broad as ISO form CG 20 10 11 85. .

The limit of liability for each policy will be a combined single limit for bodily injury and property damage of no less than \$1,000,000 per occurrence. If insurance is provided with a general aggregate, then the aggregate will be in an amount of no less than \$2,000,000. The Risk Manager may authorize lower liability limits for the automobile policy only, at the Risk Manager's sole discretion.

Unless specifically waived hereafter in writing by the Risk Manager, Vendor agrees that the Insurer will waive its rights of subrogation, if any, against the City on each of the types of required insurance coverage listed above.

B. Proof of Insurance. Vendor will furnish proof of insurance acceptable to the City prior to or at the time of execution of this Contract. Vendor will not commence work until all proof of such insurance has been filed with and approved by the City. Vendor will furnish evidence of all required insurance in the form of certificates of insurance which will clearly outline all hazards covered as itemized above, the amounts of insurance applicable to each hazard, and the expiration dates.

If requested by the City, Vendor will furnish copies of the insurance Contracts to support the certificates of insurance and the copies of said insurance must be acceptable to the City.

C. Cancellation; Replacement Required. Vendor will file replacement certificates 30 days prior to expiration or termination of the required insurance occurring prior to the acceptance of the work by the City. If a required policy is canceled without Vendor's prior knowledge Vendor will immediately notify the City immediately upon becoming aware that a required insurance coverage has been canceled for any reason, and promptly replace the canceled policy. The City expressly reserves the right to replace the canceled policy at Vendor's expense if Vendor fails to do so.

D. Termination of Insurance. Vendor may not cancel the insurance required by this Contract until the work is completed, accepted by the City and Vendor has received written notification from the Risk Manager that Vendor may cancel the insurance required by this Contract and the date upon which the insurance may be canceled. The Risk Management Division of the City will provide such written notification at the request of Vendor if the request is made no earlier than two weeks before the work is to be completed.

E. Liabilities Unaffected. Vendor's liabilities under this Contract will survive and not be terminated, reduced or otherwise limited by any expiration or termination of insurance coverages. Similarly, Vendor's liabilities under this Contract will not be limited to the extent of the existence of any exclusions or limitations in insurance coverages, or by Vendor's failure to obtain insurance coverage.

Vendor will not be relieved from responsibility to provide required insurance by any failure of the City to demand such coverage, or by City's approval of a policy submitted by Vendor that does not meet the requirements of this Contract.

F. Risk Manager. All references to the Risk Manager will be deemed to include the Risk Manager's designee.

## SECTION 6: SPECIAL PROVISIONS

**SP-1. ELECTRONIC SUBMITTALS.** The City will accept both sealed Bids and on-line, electronic Bids for this solicitation. Any place in this document that states "...sealed bids only..." is hereby replaced with "...sealed Bids or on-line Bids..." On-line electronic Bids must be submitted on the City's Web Based Bid Platform. The City's only acceptable Web Based Bid Platform is Vendor Registry, accessible through the City's Purchasing web page [www.codb.us/841/Purchasing](http://www.codb.us/841/Purchasing) under "Public Solicitation", then selecting the desired bid, and clicking "Submit Bid". No other forms of on-line submittals will be accepted.

Bidders may submit sealed hard copies of Bids to the Purchasing Division or on-line Bids on the Web Based Bid Platform. **Proposers who send their Bid through email will be found non-responsive and ineligible for award.**

Questions may be submitted online through the City's Web Based Bid Platform. All responses will be posted in the form of an addendum or replied to the public through the Web Based Bid Platform. The Bidder must ensure their submittal reflects all addenda so issued.

**SP-2. EFFECTIVE DATE AND TERM.** The Effective Date of this Contract is the date on which the last Party signs it. The successful Contractor(s) shall be awarded a Contract for an initial 1 year, commencing on the effective date. The City will have the option to renew this Vendor up to 4 Terms of 1 year(s) each, by providing Vendor written notice. Such notice must be provided at least 60 days before the end of the current Term, unless waived by Vendor.

**SP-3. MULTIPLE AWARDS.** The City reserves the right to award multiple Contracts if this is deemed in the City's best interest. A Contract will be awarded to the lowest responsive and responsible Bidder. The City further reserves the right to award a secondary Contract to the next lowest responsive and responsible Bidder. The Secondary Contractor will be awarded a Contract for work that the Primary Contractor is unable to perform, cannot meet the City's time requirements or whose pricing is unacceptably high for a specific project. There are no guarantees as to the quantity of work.

**SP-4. BONDS.** There is no bonding required for this solicitation.

### SP-5. BIDDER QUALIFICATIONS AND REQUIRED SUBMISSIONS

**A. Minimum Qualifications.** In order to be considered qualified to perform the requested Services, the Bidder must have all required permits, must have an active, permanent, and successful operation within the State of Florida for a minimum of three years prior to the date of submission of Bids, and must otherwise have sufficient organizational capacity, equipment, and facilities to provide the requested Services.

**SP-6. PIGGYBACK AUTHORITY.** All Vendors awarded Contracts pursuant to this solicitation are required to permit government agencies, cities, counties, and political subdivisions to participate in the Contract under the same prices, terms, and conditions except where allowance are made for differences in delivery costs.

**SP-7. WORK AUTHORIZATIONS.** This Contract, in and of itself, does not require the Vendor to provide any Commodities or perform any Services, or require the City to pay for such Commodities or Services. No Commodities or Services will be deemed ordered, and no obligation will arise to pay for such Commodities or Services, except when specifically authorized by a written Work Authorization issued in accordance with the City's procurement policies. The Work Authorization will generally consist of the Vendor's written, date quotation, listing the Commodities offered, including quantities, with reference to the units and prices set forth in the Bid Schedule, consistent with the provisions of this Contract; and the City's Purchase Order accepting such offer. No Work Authorization may alter the terms and conditions of this

Contract; and any provision of a Work Authorization. In case of a conflict with a Work Authorization, this Contract will govern.

**SP-8. PRICE ESCALATION/DE-ESCALATION (PPI)**

The City may allow a price escalation provision within this award. The original Contract prices shall be firm for the entirety of the initial one (1) year Contract period. A price escalation/de-escalation will be considered at the time of Contract renewal and at 1-year intervals thereafter, provided the Contractor notifies the City, in writing, of the pending price escalation/de-escalation a minimum of sixty (60) days prior to the Contract renewal date. Price adjustments shall be based on the latest version of the Producer Price Index (PPI) – Industry Data, as published by the U.S. Department of Labor, Bureau of Labor Statistics. This information is available at [www.bls.gov](http://www.bls.gov). The web link for this service/commodity is <https://beta.bls.gov/dataViewer/view/timeseries/PCU3326183326187> index [bls.gov, click beta, click data finder, type key word in search bar, enter, copy link above] The base will be **April, 2020**. The maximum escalation for any period will be 5%.

Price adjustment shall be calculated by applying the simple percentage model to the PPI data. This method is defined as subtracting the base period index value (at the time of initial award) from the index value at time of calculation (latest version of the PPI published as of the date of request for price adjustment), divided by the base period index value to identify percentage of change, then multiplying the percentage of change by 100 to identify the percentage change. Formula is as follows:

Current Index – Base Index / Base Index = % of Change  
% of Change x 100 = Percentage Change  
PPI Calculation Example: PPI for current period 232.945  
Less PPI for base period 229.815  
Equals index point change 3.130  
Divided by base period PPI 229.815  
Equals 0.0136  
Result multiplied by 100 0.0136 x 100  
Equals percent change 1.4%
