

Hazard Mitigation Plan Update Questions and Answers (Answers in Red)

1. Please provide a copy of the current Hazard Mitigation plan. **We are unable to send a copy of our current plan as the file is very large. Spalding County will make every possible effort to have it uploaded to the Spalding County Web Page (www.spaldingcounty.com/departments/budget-and-finance/) by end of business Tuesday, January 28, 2020.**
2. When was the current plan prepared? **The current plan was adopted January 2017.**
3. Who prepared the current plan? **Three Rivers Regional Commission prepared the current plan.**
4. What was the County charged for the preparation of the plan? **Three Rivers bid \$22,000 for the last plan.**
5. What is your budget for this project? **Our grant was for 24,000.**
6. How many planning meetings and workshops does this County anticipate for this project? **In the past, we help approximately 8-10 meetings and workshops.**
7. Would the County consider removing the bid bond requirement currently included in the RFP? **Since the cost will be less than 25,000, Spalding County has approved for the Bid Bond requirement to be removed.**
