Barton County will not consider any bids/proposals not prepared and not submitted in accordance with the provisions hereof and may waive any informalities or reject any and all bids/proposals. Any bids/proposals may be withdrawn prior to the above scheduled time for the opening of bids or authorized postponement thereof. Any bids/proposals received after the time and date specified shall not be considered. Bids/proposals submitted after the closing date and time will be returned unopened. Opening and Tabulation

Following the deadline, bids/proposals may be opened by the initiating Board of County Commissioners, Director of Operations or Department Head, and anyone may attend.

The Director of Operations or requesting Department Head will furnish tabulation sheets to the County Commissioners. Awarding Bids/Proposals

Barton County reserves the right to reject any and all bids/proposals and award in the County's best interests. Barton County will award bids/proposals only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. In addition, consideration will be given to such matters as contractor integrity, compliance with public policy, a record of past performance, delivery, warranty, integration, and financial and technical resources.

Bid results are available by written request. Please send requests to the Freedom of Information Officer (FIO).

Barton County cannot enter contracts with vendors that have been suspended or debarred from participating in contracts supported with federal funds. For contracts over \$25,000 supported with federal funds, Barton County will verify that a vendor/contractor is not excluded or disqualified by either:

- Checking SAM (www.sam.gov);
- Collecting a certification from that contractor; or
- Adding a clause or condition to the cover transaction with that contractor.

False or Misleading Statements

In the opinion of Barton County, if a vendor's bid/proposal contains false or misleading statements or references which do not support the function, attribute, capability, or condition of their company and the products and services outlined in their bid/proposal, their bid/proposal shall be rejected.

Conflicts of Interest

Barton County Commissioners, the Director of Operations, Department Heads and vendors shall list any current or potential clients or projects which may be (or cause) a conflict of interest in working for Barton County and describe the possible extent of the conflict.
