SECTION A

PART I. RFQ PROCESS; AWARD OF AGREEMENT

1.1 Purpose; Scope of Work. The City of Avondale (the “City”) is issuing this Request For Qualifications (this “RFQ”) seeking statements of qualifications (“SOQ”) from qualified, licensed firms (“Vendors”) interested in providing professional engineering services for City’s Wastewater Systems (the “Services”), as more particularly described in the Scope of Work attached to the sample Professional Services Agreement as Article 1. In accordance with the City’s Procurement Code, the City will accept sealed SOQ for the Services specified in the Scope of Work in the sample Professional Services Agreement.

1.2 Preparation/Submission of SOQ. Vendors are invited to participate in the competitive selection process for the Services outlined in this RFQ. Responding parties shall review their SOQ submissions to ensure the following requirements are met.

A. Irregular or Non-responsive SOQ. The City may consider as “irregular” or “non-responsive” and reject any SOQ not prepared and submitted in accordance with this RFQ or any SOQ lacking sufficient information to enable the City to make a reasonable determination of compliance to the minimum qualifications. Unauthorized conditions, limitations, or provisions may be cause for rejection. An SOQ may be deemed non-responsive at any time during the evaluation process if, in the sole opinion of the City, any of the following are true:

- (1) Vendor does not meet the minimum required skill, experience or requirements to perform or provide the Service.
- (2) Vendor has a past record of failing to fully perform or fulfill contractual obligations.
- (3) Vendor cannot demonstrate financial stability.
- (4) Vendor’s SOQ contains false, inaccurate or misleading statements that, in the opinion of the City Manager or authorized designee, are intended to mislead the City in its evaluation of the SOQ.

B. Submittal Quantities. Interested Vendors must submit **one PDF copy** of the SOQ via the City’s [Solicitation Webpage](#) on Vendor Registry. The PDF file must be in one file. Failure to adhere to the submittal quantity criteria shall result in the submittal being determined non-responsive.

C. Required Submittal. The SOQ shall be a maximum of **12** pages to address the SOQ criteria (excluding cover letter, resumes, the Vendor Information Form, and the Past Performance Verification Evaluation Submittal Form located in Section C), but including the materials necessary to address Project understanding, general information, organizational chart, photos, tables, graphs, and diagrams). Each page side (maximum 8 1/2” x 11”) with criteria information shall be counted. However, one page may be substituted with an 11” x 17” sheet of paper, folded to 8 1/2” x 11”, showing a proposed Project schedule or organizational chart and only having information on one side. Cover, back, table of contents and tabs may be used and shall not

SECTION A

---

be included in the page count, unless they include additional project-specific information or SOQ criteria responses. Vendors are encouraged to utilize recyclable materials and endeavor to be considerate of the environment in the preparation of the SOQ. The minimum allowable font for the SOQ is **11 pt, Arial, or Times New Roman**. Failure to adhere to the page limit, size, and font criteria shall result in the SOQ being determined non-responsive. Each SOQ shall be submitted with the documents necessary to meet all of the requirements of this solicitation, including the information required in Part II and the following:

- (1) Cover letter with an **original ink signature** by a person authorized to bind the Vendor. Submittals without a cover letter with an **original ink signature** by a person authorized to bind the Vendor may be determined non-responsive.
- (2) Vendor Information Form, with **original ink signature**.
- (3) Past Performance Verification Evaluation Submittal Form (Section C, Exhibit A).
- (4) Project Schedule, if required.
- (5) Resumes, Licenses, and Certifications (if required).
- (6) Acknowledgment page, with an **original ink signature**, for any Addendum received.

D. Vendor Responsibilities. All Vendors shall (1) examine the entire RFQ, (2) seek clarification of any item or requirement that may not be clear, (3) check all responses for accuracy before submitting an SOQ and (4) submit the entire SOQ by the official SOQ Due Date and Time. A late SOQ will not be accepted. A Vendor submitting a late SOQ shall be so notified. Negligence in preparing an SOQ shall not be good cause for withdrawal after the SOQ Due Date and Time.

E. Online Submittals Only. All SOQ shall be submitted electronically via the City's [Solicitation Webpage](#) on Vendor Registry and shall be attached to the corresponding solicitation project and clearly marked with the RFQ number and title, "[RFQ PW 20-051 Request for Statement of Qualification for Wastewater System Professional Engineering Services](#)". The City is not responsible for the pre-opening of, post-opening of, or the failure to open, any SOQ not properly addressed or identified.

F. Address. All SOQ shall be submitted electronically via the City's [Solicitation Webpage](#) on Vendor Registry. SOQ must be received by the SOQ Due Date and Time indicated on the cover page of this RFQ. Telegraphic (facsimile), electronic (e-mail) or mailgram SOQ will not be considered.

G. Amendment/Withdrawal of SOQ. At any time prior to the specified SOQ Due Date and Time, a Vendor (or designated representative) may amend or withdraw its SOQ. Any

erasures, interlineations, or other modifications in the SOQ shall be initialed in **original ink** by the authorized person signing the SOQ. Facsimile, electronic (e-mail) or mailgram SOQ amendments or withdrawals will not be considered. No SOQ shall be altered, amended or withdrawn after the specified SOQ Due Date and Time.

1.3 Cost of SOQ Preparation. The City does not reimburse the cost of developing, presenting or providing any response to this solicitation. An SOQ submitted for consideration should be prepared simply and economically, providing adequate information in a straightforward and concise manner. The Vendor is responsible for all costs incurred in responding to this RFQ. All materials and documents submitted in response to this RFQ become the property of the City and will not be returned.

1.4 Inquiries.

A. Written/Verbal Inquiries. Any question related to the RFQ shall be directed to the City staff whose name appears on the cover page of this RFQ. Questions shall be submitted in writing, via e-mail or on the City's [Solicitation Webpage](#) on Vendor Registry, by the close of business on the Final Date for Inquiries indicated on the cover page of this RFQ. Any inquiries related to this RFQ shall refer to the title and number, page and paragraph. Any Vendor found to be communicating with any member of City staff about this solicitation shall be prohibited from submitting an SOQ, or if an SOQ is received, such SOQ shall be deemed non-responsive.

B. Inquiries Answered. All inquiries must be directed to the Procurement Officer. Verbal or telephone inquiries **will not be answered**, and Vendors attempting to do so will be directed to submit written inquiries. The City shall provide a compilation of all questions received in writing with official answers that will be made available on the City's [Solicitation Webpage](#) on Vendor Registry. The City shall endeavor to post the compilation not later than five days after the inquiry deadline.

C. Pre-Submittal Conference. A Pre-Submittal Conference may be held. If scheduled, the date and time of this conference will be indicated on the cover page of this RFQ. Vendors are strongly encouraged to attend the Pre-Submittal Conference, even if designated as non-mandatory. The purpose of this conference will be to clarify the contents of this RFQ in order to prevent any misunderstanding of the City's requirements. Any doubt as to the requirements of this RFQ or any apparent omission or discrepancy should be presented to the City at this conference. The City may issue a written amendment or addendum to this RFQ. Oral statements or instructions are provided for informational purposes only and do not become a part of this RFQ. Any change to the RFQ shall be made in the form of an amendment or addendum.

1.5 Addenda. Any addendum issued as a result of any change in this RFQ shall become part of the RFQ and must be acknowledged in the SOQ submittal. Failure to indicate receipt of the addendum may result in the SOQ being rejected as non-responsive. It shall be the Vendor's responsibility to check for addenda issued to this RFQ. Any addendum issued by the City with respect to this RFQ will be posted on the City's [Solicitation Webpage](#) on Vendor Registry.

**SECTION A**

---

1.6 Cancellation of RFQ. . The City reserves the right to cancel a RFQ, reject in whole or in part any or all submittals or determine not to enter into one or more of the multiple contracts as specified in the solicitation if the City determines in its absolute and sole discretion that such action is in the best interest of the City.

1.7 Public Record. All SOQ shall become the property of the City and shall become a matter of public record available for review, subsequent to the award notification, in accordance with the City's Procurement Code.

1.8 Confidential Information. If a Vendor believes that an SOQ or protest contains information that should be withheld from the public record, a statement advising the City of this fact shall accompany the submission and the information shall be clearly identified. The information identified by the Vendor as confidential shall not be disclosed until the City Manager, or authorized designee, makes a written determination. The City Manager or authorized designee shall review the statement and information with the City Attorney and shall determine in writing whether the information shall be withheld. If the City Attorney determines that it is proper to disclose the information, the City shall inform the Vendor in writing of such determination.

1.9 Vendor Licensing and Registration. Prior to the award of the Agreement, the successful Vendor shall (A) be registered with the Arizona Corporation Commission and authorized to do business in Arizona and (B) have a completed Vendor Registration Packet on file with the City Finance and Budget Department. The Vendor shall provide licensure information with the SOQ. Corporations and limited liability companies shall be able to provide a Certificate of Good Standing from the Arizona Corporation Commission.

1.10 Certification. By submitting an SOQ, the Vendor certifies:

A. No Collusion. The submission of the SOQ did not involve collusion or other anti-competitive practices.

B. No Discrimination. It shall not discriminate against any employee or applicant for employment in violation of Federal Executive Order 11246.

C. No Gratuity. It has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip favor or service to a City employee, officer or agent in connection with the submitted SOQ. It (including the Vendor's employees, representatives, agents, lobbyists, attorneys, and subcontractors) has refrained, under penalty of disqualification, from direct or indirect contact for the purpose of influencing the selection or creating a bias in the selection process with any person who may play a part in the selection process, including the Selection Committee, elected officials, the City Manager, Assistant City Managers, Department Heads, and other City staff. All inquiries must be addressed to the City. Any attempt to influence the selection process by any means shall void the submitted SOQ and any resulting Agreement.

**SECTION A**

---

D. Financial Stability. It is financially stable, solvent, and has adequate cash reserves to meet all financial obligations, including any potential costs resulting from an award of the Agreement.

E. No Signature/False or Misleading Statement. The signature on the cover letter of the SOQ and the Vendor Information Form is genuine, and the person signing has the authority to bind the Vendor. Failure to sign the cover letter and the Vendor Information Form, or signing either with a false or misleading statement, shall void the submitted SOQ and any resulting Agreement.

F. Professional Services Agreement. In addition to reviewing and understanding the submittal requirements, it has reviewed the attached sample Professional Services Agreement, including the Scope of Work and other Exhibits.

1.11 Award of Agreement.

A. Evaluation; Selection. A Selection Committee composed of representatives from the City will conduct the selection process according to the schedule on the cover page of this RFQ. The Selection Committee will create a final ranking of the Vendors based upon demonstrated competence and qualifications for the type of professional services presented in vendors' submittal and oral interviews. The Selection Committee will evaluate based on the selection criteria and relative weight of the selection criteria in this RFQ and shall select at least three (3), but not more than five (5) Vendors for oral interviews with the Selection Committee. The City will conduct the oral interviews with the selected Vendors, and upon completion of the final tabulation of points for scored components, will create a final list, in order of preference, of the three (3) most qualified Vendors.

B. Final List; Negotiations. After the interviews and upon completion of the final tabulation of points for scored components, the City will create a final list, in order of preference, of the three (3) most qualified Vendors. The City will conduct separate negotiations on the consideration of compensation and contract terms with the three (3) highest qualified firms on the final list.

C. Multiple Award. The City will award three (3) contracts for Vendors to provide professional engineering services for City's Wastewater Systems and City intends to award multiple contracts to separate persons or firms.

D. Form of Agreement. The selected Vendors will be required to execute the City's standard Professional Services Agreement in a form acceptable to the City Attorney. A sample of the Professional Services Agreement is included with this RFQ. If the City is unsuccessful in negotiating an Agreement with a highest-scoring Vendor, the City may then negotiate with the second, then third, highest-scoring Vendor until an Agreement is executed. City Council approval may be required. The City reserves the right to terminate the selection process at any time.

SECTION A

---

E. Waiver; Rejection; Reissuance. Notwithstanding any other provision of this RFQ, the City expressly reserves the right to: (1) waive any immaterial defect or informality, (2) reject any or all SOQ or portions thereof, and (3) cancel or reissue an RFQ.

F. Protests. Any Vendor may protest this RFQ, the proposed award of an Agreement, or the actual award of an Agreement. All protests will be considered in accordance with the City Procurement Code.

1.12 Offer. An SOQ submittal is an offer to contract with the City based upon the terms, conditions and specifications contained in this RFQ and the Vendor's responsive SOQ, unless any of the terms, conditions, or specifications are modified by a written addendum or agreement amendment. Provided, however, that no contractual relationship shall be established until the Vendor has signed, and the City has approved, a professional services agreement between the City and the Vendor in the form acceptable to the City Attorney. A sample Professional Services Agreement is included herein.

PART II. STATEMENT OF QUALIFICATIONS FORMAT; SCORING

2.1 Evaluation Process. Each submittal will be reviewed for compliance with the submittal requirements and scored and ranked by the Selection Committee. 2.2 SOQ Format and Scoring. The SOQ shall be organized and submitted in the format as outlined below. Failure to conform to the designated format, standards and minimum requirements shall result in a determination that the SOQ is non-responsive. Consultant and its subcontractors shall provide the City with adequate and appropriate workspace so that the City can conduct audits in compliance with the provisions of this subsection. The City shall give Consultant or its subcontractors reasonable advance notice of intended audits. Consultant shall require its subcontractors to comply with the provisions of this subsection by insertion of the requirements hereof in any subcontract pursuant to this Agreement.

12.17. E-verify Requirements. To the extent applicable under ARIZ. REV. STAT. § 41-4401, the Consultant and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees and their compliance with the E-verify requirements under ARIZ.
