General Information for Vendors

1. **BACKGROUND AND INTENT**

- a. Knoxville's Community Development Corporation (KCDC) is the public housing and redevelopment agency for the City of Knoxville and for the County of Knox in Tennessee. KCDC's public housing property portfolio includes seventeen housing properties with approximately 3,500 dwelling units. KCDC also administers approximately 3,700 vouchers through our Section 8 department and has three tax credit properties.
- b. This is a request for quotes-not sealed quotes. KCDC could simply contact three vendors, obtain quotes and move forward but KCDC has chosen to solicit written quotes from all interested parties. However, this is not a formal sealed bid and the normal formal sealed bidding requirements do not apply to this solicitation.
- c. The vendor shall furnish all labor, materials and equipment, and perform all work to re-roof the identified homes as detailed herein. KCDC owns the Passport Homes and Passport Residences (duplexes) in Knoxville, Tennessee and desires that a vendor roof these buildings as detailed below.

2. **CHANGES AFTER AWARD**

It is possible that after award KCDC may need to revise the service needs or requirements specified in this document. KCDC reserves the right to make such changes after consultation with the vendor. Should additional costs arise, KCDC reserves the right to accept these charges provided the vendor can document the increased costs.

3. **CODES AND ORDINANCES**

All work covered by these contract documents is to be done in full accord with national, state and local codes, ordinances and orders that are in effect at the time the work is performed. The successful vendor and any sub-vendors must meet and fulfill all requirements of the local building department and fire jurisdiction. This property is within the corporate limits of the City of Knoxville.

4. **CONTACT POLICY**

The vendor may not contact anyone other than the KCDC's Purchasing Division from the issuance of this solicitation until award about matters pertaining to this solicitation. Information obtained from an unauthorized officer, agent, or employee of KCDC will not affect the risks or obligations assumed by the vendor or relieve the vendor from fulfilling any of the conditions of the resulting award for the purpose of this project. Additionally, such contact can disqualify the vendor from participation in the solicitation process.

5. **DAMAGE**

The awarded vendor is responsible for all damage to buildings, equipment, grounds, premises and all other types of potential damage resulting service provision as requested herein.

6. **EMPLOYEES**

Vendor will:

- a. Only allow personnel thoroughly trained and skilled in the tasks assigned them to work on the KCDC job.
- b. Have sufficient personnel to complete the work in a timely manner.
- c. Enforce strict discipline and good order among his/her employees. Employees may not loiter on the premises before or after job working hours.
- d. Provide at least one employee on every job assignment with the ability to clearly speak, read, write and understand the English language in order for KCDC's representatives to effectively communicate with the vendor.

7. **ENTRANCE TO KCDC SITES**

Vendor employees are not to be on KCDC premises unless they are working on a KCDC project. Acquaintances, family members, assistants or any person not working on KCDC's behalf, will not accompany employees on KCDC sites unless said person is an authorized employee of the vendor.

8. **EQUIPMENT:**

Vendor shall provide all necessary equipment, materials, supplies, et cetera needed for the performance of the work.

9. **EVALUTION:**

KCDC will primarily evaluate the responses to this solicitation on cost. However, KCDC will arrive at the "lowest and best" solution for the final award. This may or may not entail simply awarding to the vendor quoting the lowest cost.

10. **GENERAL INSTRUCTIONS**

KCDC no longer inserts "General Instructions to Vendors" in the solicitation document. Instead, these instructions are at www.kcdc.org. Click on "Doing Business With KCDC" where you will find a link to the instructions. By submitting a response to this solicitation, the vendor accepts the responsibility for downloading, reading and abiding by the terms and conditions set forth in KCDC's "General Instructions to Vendors." Vendors may wish to review certain applicable HUD instructions on KCDC's webpage.

11. **IDENTIFICATION**

The vendor's employees **will** have proper identification displayed, at all times, while on KCDC property. All employees **must** wear a company uniform or have picture identification badges or other company identification at all times. Vendor vehicles are to have placards (on the doors or in the windshield) that identify the company name.

12. **INSURANCE**

All insurance must be underwritten by insurers with an A.M. Best rating of A-: VI or better. Upon award, the vendor shall provide Certificate(s) of Insurance to KCDC evidencing said insurance coverages.

Such insurance shall contain or be endorsed to contain a provision that includes KCDC, its officials, officers, employees, and volunteers as additional insureds with respect to liability arising out of work or operations performed by or on behalf of the vendor including materials, parts, or equipment furnished in connection with such work or operations. The coverage shall contain no special limitations on the scope of its protection afforded to the above-listed insureds.

The Additional Insured shall read "Knoxville's Community Development Corporation (KCDC)". If necessary, umbrella/excess liability insurance can be used in conjunction with the general liability insurance to meet these requirements. Unless the umbrella/excess liability insurance provides coverage on a pure/true follow-form basis, or KCDC is automatically defined as an additional insured, the vendor shall add by endorsement, KCDC, its officials, officers, employees, and volunteers as an additional insured.

- b. ***Automobile Liability Insurance:*** including vehicles owned, hired, and non-owned, with a combined single limit of not less than \$1,000,000 each occurrence. Such insurance shall include coverage for loading and unloading hazards.

The certificate holder address shall read:

Knoxville's Community Development Corporation
Attn: Contracting Officer
901 Broadway, NE
Knoxville, TN 37917

2. Provide certified copies of endorsements and policies if requested by KCDC in lieu of or in addition to Certificates of Insurance.
 3. Replace certificates, policies, and endorsements for any such insurance expiring prior to completion of services.
 4. Maintain such insurance from the time services commence until services are completed. Failure to maintain or renew coverage or to provide evidence of renewal may be treated by KCDC as a material breach of contract.
 5. Require all subcontractors to maintain during the term of the resulting contract commercial general liability insurance, automobile liability insurance, and workers' compensation/employers liability insurance (unless subcontractor's employees are covered by vendor's insurance) in the same manor and limits as specified for the vendor. Vendor shall furnish subcontractor(s)' Certificates of Insurance to KCDC without expense prior to subcontractor(s) commencing work.
 6. Any deductibles and/or self-insured retentions greater than \$50,000 must be disclosed to and approved by KCDC prior to the commencement of services. Use of large deductibles and/or self-insured retentions will require proof of financial ability as determined by KCDC.

 8. All policies must be written on an occurrence basis.
- e. **Right to Revise or Reject:** KCDC reserves the right, but not the obligation, to review or revise any insurance requirement, not limited to limits, coverages and endorsements based on insurance market conditions affecting the availability or affordability of coverage; or changes in the scope of work / specifications affecting the applicability of coverage.

- f. **No Representation of Coverage Adequacy:** The coverages, limits or endorsements required herein protect the primary interests of KCDC, and the vendor agrees in no way should these coverages, limits or endorsements required be relied upon when assessing the extent or determining appropriate types and limits of coverage to protect the vendor against any loss exposures, whether as a result of the project or otherwise.

13. **INVOICING/ORDERING**

- a. Until a purchase order is in place, work is not to be performed nor are goods to be delivered. As purchase orders authorize work and obligate payment, if a vendor performs work without a purchase order in place, KCDC does not have a legal obligation to pay for the work.
- b. Invoices must:
 - 1. Be numbered
 - 2. Have a date on them that is after the work is completed or goods delivered
 - 3. Show the purchase order number.
 - 4. Breakdown pricing according to the bid structure. For instance, if the award is priced by the hour, then the invoice needs to show the hours and rates. This is important so that KCDC can quickly compare the rates charged with the approved rates. For example:

- c. Invoices must be submitted within 90 days of the date the goods or services were delivered. KCDC reserves the right to not pay invoices submitted after the 90-day threshold.
- d. KCDC is exempt from all taxes levied by the State of Tennessee, its cities and counties, as well as most federally imposed taxes. However if vendors purchase goods for KCDC, the vendor must pay sales or “use tax.” Upon the placement of a purchase order or the award of a contract, KCDC will provide a State of Tennessee Sales Tax Exemption form to the vendor. If taxes are on KCDC’s invoices, they will not be paid.
- e. KCDC normally pays by electronic transfer (ACH) only. Checks are not issued. Vendors, if awarded, will need to set up the KCDC Vendor Portal to track payments.

14. **LICENSING**

- a. Vendors must be properly licensed by the State of Tennessee and all other authorities having jurisdiction. Throughout the term of this award, the vendor shall maintain the required licenses.
- b. In addition to any City or County licenses that may be required, all vendors must be licensed vendors as required by the “Vendor’s Licensing Act of 1994” as mandated by the State of Tennessee. The vendor must have the necessary licensing classifications as required by the Rules of the Tennessee Board for Licensing General Vendors. For your convenience, an envelope coversheet is provided at the end of this document. Use it to supply the required information.
- c. The State of Tennessee Vendor Licensing Board has told KCDC that one of the following licenses is required for this work because the overall award is expected to exceed \$25,000. However, KCDC will abide by any opinions or rulings that the State Vendor Licensing Board issues irrespective of this initial ruling. Any subsequent ruling by the State Licensing Board automatically revises these specifications-irrespective of the timing of the notice from the State and irrespective of the status of this solicitation.

16. **MATERIALS AND WORKMANSHIP**

All materials and equipment furnished shall be new and best quality. Work shall be accurate, professionally finished and subject to KCDC's approval. All materials and equipment provided shall conform to regulations of enforcement bodies having jurisdiction. Vendor shall furnish material samples for approval if specified and so desired by KCDC.

- d. All buildings, appurtenances and furnishings shall be protected by the vendor from damage, which might be done or caused by work performed under this award. - e. Vendor shall use caution signs as required by OSHA Regulation 1910.144 and 1910.145 at no cost to KCDC. Caution signs shall be on-site on commencement of award.
- f. Vendor shall comply with all other OSHA and TOSHA safety standards that apply.

21. **SAFETY DATA SHEETS (SDS)**

22. **SECTION 3 OF THE HUD ACT OF 1968**

Section 3 is a provision of the Housing and Urban Development Act of 1968, which requires that programs of direct financial assistance administered by the U.S. Department of Housing and Urban Development (HUD) provide, to the greatest extent feasible, opportunities for job training and employment to lower income residents in connection with projects in their neighborhoods. Further, to the greatest extent feasible, contracts in connection with these projects are to be awarded to local businesses. Section 3 is a tool for fostering local economic development, neighborhood economic improvement and individual self-sufficiency.

- a. Recipients and vendors must make a good faith effort to utilize Section 3 area residents as trainees and employees in connection with the project. Targeted recruitment and the selection of Section 3 area residents for available positions are two examples of good faith efforts to meet this requirement.
- b. How can businesses find Section 3 residents to work for them? By recruiting in the neighborhood and public housing developments to tell about available training and job opportunities. Distributing flyers, posting signs, placing ads, and contacting resident organizations and local community development and employment agencies to find potential workers are a few effective ways of getting jobs and people together.
- c. Vendor shall seek to fill all position that are unfilled with residents of KCDC communities. For additional information, go to <http://www.hud.gov/offices/fheo/section3/Section3.pdf>. The successful vendor will supply KCDC with job announcements for any position that must be filled as a result of the award of KCDC work. Additionally the successful vendor will supply the same job announcement to the Knoxville-Knox County Committee Action Committee's Workforce Connections group. These can be faxed to 544-5269.
- d. A Section 3 resident is one who lives within a public housing authority's site. It is also people who live in an area with a HUD assisted program and whose income is below HUD's low income requirements.
- e. A Section 3 business is one that:
 1. Is at least 51% owned by a Section 3 resident; or
 2. Employs Section 3 residents for at least 30% of its employee base; or
 3. Makes a commitment to sub contract at least 25% of the project's dollars to a Section 3 business.
- f. Upon award, the successful vendor will supply two documents to KCDC:

1. A Section 3 Business determination (forms supplied by KCDC) provided one is not already on file.
2. A Section 3 Business plan for this work.

23. **SECURITY**

The successful vendor is responsible for providing (if necessary) any and all security to equipment, materials, personnel, tools and the site that are required for this job. KCDC is not responsible for damage or losses to equipment, materials, personnel, tools or the site.

24. **SITE EXAMINATION**

- a. Vendors are required to visit the site and become fully acquainted and familiar with conditions as they exist and the operations to be carried out. The vendor shall make such investigations as necessary so that they may fully understand the scope of the work and related facilities and complexities that may be encountered when executing the work.
- b. The failure or omission of the vendor to receive or examine the solicitation document or any part of the specifications, or to visit the site(s) and acquaint themselves as to the nature and location of the work, the general and local conditions and all matters which may in any way affect performance shall not relieve the vendor of any obligation to perform as specified herein. Vendor understands the intent and purpose hereof and its obligations hereunder and that it shall not make any claim for, or have any right to damages resulting from any misunderstanding or misinterpretation of the resulting agreement, or because of any lack of information.
- c. By submitting a response to this solicitation, each vendor is certifying that they have inspected the site and have read the solicitation and all appendices and addenda. The failure or omission of any vendor to receive or examine any form, instrument or document shall in no way relieve the vendor from any obligation in respect to its bid.

25. **STORAGE**

KCDC sites have very limited storage space for vendors to access. Accordingly, vendors are responsible for the storage of materials and their security. If possible, KCDC will allow vendors to use space but the safety and security of the items stored is solely the responsibility of the vendor.

26. **STORM WATER AND STREET ORDINANCES**

The City of Knoxville's Storm Water and Street Ordinances apply to this solicitation. The successful vendor will comply with all aspects of the City's ordinances. Compliance includes but is not limited to:

- c. The vendor must ascertain the availability of utilities for this work prior to submitting a quote.

29. **WAGE COMPLIANCE**

- a. Federal Davis Bacon Wage Requirements apply to this work. This means that the successful vendor:

- Will submit certified payrolls that show compliance with the Davis Bacon requirements detailed herein. Failure to do so will be sufficient cause for withholding payment and/or termination of the contract.

Unlisted Classifications needed for work not included within the scope of the classifications listed above may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)). To request an additional classification:

 2. If the additional classification is for a subcontractor, the subcontractor writes a similar letter to the General Contractor who then sends a cover letter to KCDC officially requesting the classification.
 3. KCDC will review the request and forward it to HUD and officially request it or KCDC will suggest that the vendor revise the request.

In all cases however, KCDC is required to adhere to Davis Bacon standards as the Department of Labor determines - irrespective of any announcements KCDC may have made.

d. DOCUMENTATION AND SUBMITTALS

1. Submit Daily Jobsite Work Log showing which and to what extent activities were affected by weather on a monthly basis.
