**Others Items**

Asbestos inspection for 700 Howard Street reports have been completed but the Abatement and Air monitoring have not. Firms shall include the inspections per the report and air monitoring for the Demolition of 700 Howard Street- old Piedmont community Action offices.

**Firm shall complete the unit price sheet but also from the design drawing make estimate for the total cost of inspections based on a completed project. The base bid will be evaluated along with the unit pricing for determining the bases for awarding. Asbestos Report will be downloaded to firms upon request.**
