

**ADDENDUM NO. 1
REQUEST FOR PROPOSAL
E-RATE FIBER WIDE AREA NETWORK (WAN)
RFP 23-24-103**

November 14, 2023

The clarifications, modifications, changes, additions, and/or deletions contained herein shall be incorporated within the RFP documents. Such information shall take precedence over that previously published.

Question 1: Please advise if EVPL (hub/spoke) and/or ELAN (any to any) technology is an acceptable option. We fear the naming of technology specific to vendors may preclude a vendor from responding based on your language below. Please advise.

Answer 1: We are open to any solution that provides a resilient network.
