DATE: January 11, 2024  
TO: Interested Firms  
FROM: Kendall Matott, Contracts Manager  
SUBJECT: Request For Qualifications – Design Build 39256, Addendum 2  
C-1 Canal Baseflow Treatment Project

As a result of questions received from potential respondents, please be advised of the following changes to the subject Request for Qualifications – Design Build:

1. **Question:** It appears that the District is requesting resumes for Key Team members in both Tab 1.c.4 and Tab 2.a. Can you please confirm if resumes should be submitted in both sections?

**Answer:** Resumes to be included under Tab 1 are for key personnel (lead engineer, engineer of record, construction project manager, engineering design manager, and on-site superintendent, etc.) Resumes to be included under Tab 2 are for other Respondent-personnel that are assigned or involved with the Work not included under Tab 1. Resumes previously included in Tab 1 may be omitted here.

2. **Question:** If the prime Respondent is an engineering firm, is it acceptable for the bonding letter to be from the surety for a Certified General Contractor included on the Respondent's team as a subcontractor?

**Answer:** The bond must be in the name of the Respondent entity that the District will ultimately be contracting with.

**NOTE:** Please acknowledge receipt of this Addendum in your submittal.

If you have any questions regarding this addendum, contact Kendall Matott at (386) 312-2324 or via email at [kmatott@sjrwmd.com](mailto:kmatott@sjrwmd.com).
