Emergency Response Plan

Every breakdown is different; our first concern is our passengers' safety. Once that is established, we (our entire team) are working to get the group to its destination.

- Driver calls in to alert office, we call our mechanic and he begins working with the driver to see if the driver can resolve the issue.
- Depending on location of breakdown we would
 - a) Dispatch another coach
 - b) Call for roadside assistance
 - c) Send our mechanic out
- In extreme situations we would charter a coach from a local company to continue trip until one of our coaches could relieve them.
- There is an emergency number 877.248.4748 for afterhours leave message and the manager on call will call you back
