Conflict of interest. A Conflict of Interest exists when personal interests interfere in any way with the best interest of the City. This can arise if any agent of the City or their families will receive a monetary or other type of benefit based on the award of this project or if any supplier has an unfair competitive advantage over other suppliers. A conflict is also perceived if any previous history would make it impossible for the supplier to objectively fulfill the obligations associated with this project.

I certify that there is no known conflict of interest with the City or any employee or agent of the City. There is presently no interest and no interest shall be acquired that would directly or indirectly conflict in any manner with the performance of this solicitation, should it be awarded.

MISSING, INCOMPLETE, OR ERRONEOUS DATA MAY DELAY OR PROHIBIT VERIFICATION OF YOUR ELIGIBILITY FOR CONTRACT AWARD. SUPPLIER'S RFP/ITB CHECKLIST

- ___1 **Read the *entire* document**, paying close attention to critical items such as: supplies/services required; submittal dates; number of copies required for submittal; contract requirements (e.g. bonding and insurance requirements); etc. Note that all bid specific information noted in Section I or in a special Specification section, if there is one, take precedence over the general terms and conditions listed in Section II.
- ___2 **Note the Procurement Agent's name and e-mail address.** With the exception of written technical questions sent to the project manager, the Procurement agent is the only person you are allowed to communicate with regarding the RFP/ITB from inception until after award.
- ___3 **Attend the pre-proposal conference** if one is offered. These conferences provide a valuable opportunity to ask clarifying questions, obtain a better understanding of the project, or to notify the City of any ambiguities, inconsistencies, or errors in the RFP/ITB. Pre-bid conferences are not usually mandatory, but are a source of important information and attendance at them (as well as any other bid-related meetings) are considered part of the evaluation criteria.
- ___4 **Take advantage of the 'question / answer' period.** Submit your questions to the Procurement Agent (or Project Manager and copy the Procurement Agent) by the due date listed in the *Schedule of Events*. Even though you may get a direct response for questions you have asked, a formal addendum will be issued to address any substantive questions so all suppliers will have access to the additional pertinent information.
- ___5 **Follow the format required in the RFP/ITB** when answering questions and item details. Provide point-by-point responses to all sections in a clear, concise manner and in the order they were requested.
- ___6 **Provide complete answers/descriptions.** Read and answer **all** questions and requirements. Make sure all items have a response, even if it is a 'n/a'. Don't assume the City or evaluation committee will know what your company capabilities are or what items/services you can provide, even if you have previously contracted with the City. Proposal submissions are evaluated based solely on the information and materials provided in your response.
- ___7 **Use the forms provided**, e.g. cover page, cost proposal form, standard forms, registration, etc. Make sure to include all required forms (in the proper order) with your submission. You do not need to send a copy of the bid itself with your response.
- ___8 **Supplier registration.** Supplier registration includes both information needed by the City and affidavits/ information required by the State of Georgia. The City cannot award a bid to a supplier with incomplete registration. Registration is now done online and you can check to see if your profile is compliant (has both EV affidavit and W9) by logging in with your user-id and password. Even if you are not providing labor and do not need an E-Verify number, you will need to note the appropriate reason and sign.
- ___9 **Check the City website for RFP/ITB addenda.** All addenda issued for the RFP/ITB are posted on the City's website under the associated bid posting. Do not assume that if you received an individual notification of the bid, you will receive all addenda. Notifications are a courtesy effort and the City cannot guarantee that an email notification will reach all of the intended recipients. Before submitting your response, check the website at <http://www.cityofgriffin.com> (select 'Resources', then 'Bid Opportunities') to confirm if any addenda were issued for the RFP/ITB. If so, you must acknowledge each addendum on the Response document.
- ___10 **Review and read the RFP/ITB document again** to make sure that you have addressed all requirements. Once the bid deadline has been met, you will be unable to make changes to your response. Your original response and the requested copies must be identical and complete. The copies are provided to the evaluation committee members and will be used to rank your response.
- ___11 **'Package' your response in the recommended order** of section 1.4. When response submittals are packaged in the same manner, evaluators are able to review them in a more timely, thorough and equitable manner.
- ___12 **Submit your response on time.** Note all the dates and times listed in the *Schedule of Events* and within the document, and be sure to submit all required items on time. Late submissions will not be accepted.

This checklist is provided for assistance only and does not need to be submitted with the Supplier's Response.

SUPPLIER REGISTRATION

Supplier Registration with the City Of Griffin consists of the following:

The City of Griffin now has online self-service registration, via Vendor Registry. In order to be registered as a City of Griffin supplier, you must access the registration via the City's site. This will give you the opportunity to keep your information accurate and current. It also permits unlimited NIGP commodity codes, allowing for notifications based on your specific business criteria. In addition to the visibility to the City, this service will allow for other agencies in our area to have visibility of your company and it will allow you to have visibility of opportunities from other agencies in our area. There is no charge for this basic service, but you do have the option to automatically expand your visibility to other areas for a small fee to Vendor Registry at any time.

TO REGISTER:

- ✓ Please visit our website at www.cityofgriffin.com
- ✓ Select "Resources"
- ✓ Select "Register my Business with the City"
- ✓ Complete your registration by following the instructions provided
 - Two documents (forms included below) will be required to be **uploaded online** before your registration is complete. They are:
 - **Supplier Affidavit** – This document is also referred to as the E-Verify affidavit and has been updated to reflect new laws that have recently gone into effect. An E-Verify (EV) number is REQUIRED by the State of Georgia (OCGA § 13-10-91) if you provide labor or services to the City that is valued in excess of \$2,499.99. In addition to the EV number and signature, the affidavit must be notarized. If you are registered on Vendor Registry with another agency other than City of Griffin, you can 'piggyback' off of your existing profile to create a profile for Griffin. Contact Vendor Registry or our Procurement office for help in creating this new record.
