

 <p>CLAYTON COUNTY Water AUTHORITY</p> <p>1600 Battle Creek Road, Morrow, GA 30260</p>	Annual Contract for Cured-In-Place Pipe Work	
	ADDENDUM No. 2	
	DATE	Wednesday, April 27, 2022
	BID NUMBER	2022-SW-10
	BID OPENING DATE	May 3, 2022
PRE-BID MEETING DATE	April 19, 2022	

QUESTIONS:

1. Bid states that “successful contractors must perform no less than 75% of all labor for all CIPP pipe work”. If the prime contractor is using a subcontractor to perform the CIPP work, will this meet the qualification of the bid?

Answers:

The Prime Contractor, who is submitting the bid, must perform no less that 75% of all labor for CIPP pipe work.

2. Bypass pumping – will this item be paid when the contractor is installing CIPP?

Answer:

If bypass pumping is required to perform specific task, the work item may be charged.

3. Bypass pumping- will this item be paid when the contractor is completing CCTV?

Answer:

If bypass pumping is required to perform specific task, the work item may be charged

4. Bypass pumping – will this item be paid when the contractor completes dig work?

Answer:

If bypass pumping is required to perform specific task, the work item may be charged.

5. Traffic control is considered incidental on all work completed in field regardless of the road type, i.e. State DOT Road, or county maintained road, correct?

Answer:

Correct

6. Permits needed for work on GDOT or any roadway controlled by a municipality is the responsibility of the contractor, correct?

Answer:

Correct

7. Since this work is undefined, will the owner consider adding a line item for traffic control minor or major?

Answer:

CCWA will not consider this request.
