**REQUEST FOR PROPOSALS #21-005
Collection and Disposal of Waste Cooking Oil**

Georgetown County, SC is requesting proposals from prospective service providers for the collection, transportation and recycling of waste cooking oil.

GENERAL INFORMATION

- 1) Georgetown County, SC works with its residents to reduce household grease from entering the sanitary sewer system, or private septic systems, by targeting specific materials that can be recycled. As part of this effort, the County seeks to divert used cooking oil from disposal through responsible recycling. The County desires the service provider to supply recycling collection containers for used cooking oil at the designated County facilities locations at no cost to the County. These containers must have provisions to absorb or inhibit spilled oil from contaminating the site and to prevent animals or rain from entering the storage unit containing the used cooking oil.
- 2) Georgetown County desires that used cooking oil collected under this RFP be processed as bio-fuel, animal feed, soap manufacture, or other approved recycling or reuse activity.
- 3) In addition to the collection of residential cooking oils through County Convenience Center Facilities, the County also operates the Georgetown County Detention Center, located at 2394 Browns Ferry Road (a/k/a/ SC-51) in Georgetown, SC 29440. The County desires this oil be included in the collection and recycling process. This location is a secured facility and a collection schedule must be approved in advance by the facility management and subsequently adhered to by the contractor.
- 4) It is desired that the collection container placement and the collection of used cooking oil at designated Georgetown County facilities begin as soon as practical after approved award. **Each proposer shall provide a suggested schedule for implementation.**

A proposed schedule shall be determined, based on anticipated volume for the collection of used cooking oil from the mutually agreed upon Georgetown County facilities. On collection day(s), a dedicated collection vehicle shall collect the cooking oil from Georgetown County facilities. Volume (gallons) shall be recorded from each facility at the end of each month, a report shall accompany the monthly payments issued to Georgetown County. In addition to a monthly report, an annual report shall be submitted by July 15. If any alternate method of determining and verifying volume or weight of oil collected is to be used, it shall be at

the mutual agreement of both parties. Proposer should submit sample reports and documentation for review with bid

VOLUNTARY SITE VISITATION OR INSPECTION:

Any site inspection or visitation shall be voluntary, and at the discretion of the proposer.

Proposers interested in voluntarily making a site visit to the County Detention Center must bear in mind this location is a secured facility and any request must be approved in advance by the facility staff. Please coordinate in advance with Pamela Bassetti at (843)545-3082, or by e-mail at pbassetti@gtcounty.org.

- 3) Any resulting program agreement will be awarded for services for one (1) year beginning on a date mutually agreed upon by both parties and shall include the option to extend the services for up to four (4) additional one-year periods, not to exceed a total of five (5) years.
