Saginaw Public School District
Saginaw Career Complex
2102 Weiss St., Saginaw, MI 48602
LED Lighting Conversion

Summary

Update existing lighting to LED components for the C Building at the Saginaw Career Complex.

Scope of Work

Update all indoor fluorescent lighting with LED conversion tubes/kits

Update all exterior lighting with LED conversion or new fixtures as needed.

All prospective bidders shall quote products that qualify for the Consumers Energy, Energy Efficiency Program for the stated application. Bidders shall coordinate with the local Consumers Energy Business Energy Advisor, on procedures for the preparation of their Rebate Application (if applicable). Bidders shall provide all relevant specification sheets for the LED device being bid at the time of bid submission. All tubes, fixtures & accessories shall be in full compliance with Design Light Consortium certification requirements.

If applicable, energy incentives are to be reimbursed directly to Saginaw Public Schools and independent of the bid submission. At no additional cost, the selected bidder shall collaborate with the Utility Providers Energy Advisor for support of the “pre-application” and “final application” document requirements.

Use the link below for the Consumers Energy Efficiency Program details. (Verify that the link takes you to the 2020 Program Year application and catalog)
