- a. Knoxville's Community Development Corporation (KCDC) is the public housing and redevelopment agency for the City of Knoxville and for Knox County in Tennessee. KCDC's affordable housing property portfolio includes 20 sites with approximately 3,525 dwelling units. Several of the properties include Low Income Housing Tax Credits units and KCDC is both the General Partner and the management company for those sites. KCDC has issued this solicitation for itself and on the behalf of the various properties that it now provides "management services" as detailed above. Any resulting awards are either for KCDC itself or are on behalf of those properties which KCDC manages.
- b. This "emergency" work is to improve the sewer lines at Montgomery Village as detailed herein. Supplier (inclusive of vendor, bidder, proposer, et cetera) shall provide all necessary labor, equipment, materials, supplies, et cetera needed for the work. Include the cost for such equipment, materials and supplies in the price quoted.

2. **Bonds**

Bid, payment and performance bonds are required *if* the bid exceeds \$100,000 in value. The supplier will include all bonding costs in the base bid. Bonding requirements include:

- a. A bid **bond** from each supplier equivalent to five percent (5%) of the bid price. Such bid bond must accompany the bid. Bid bonds will not be returned until a contract is signed.
- b. Performance and payment **bonds** for 100% of the contract price.
- c. All bonding companies must be listed in the Federal Register, Department of the Treasury Fiscal Service, Companies Holding Certificates of Authority as Acceptable Sureties on Federal Bonds and as Acceptable Reinsuring Companies; Notice. Companies licensed to do business in the State of Tennessee must issue all required bonds.

3. **Changes after Award**

It is possible that after award KCDC will need to revise the service needs or requirements specified in this document. KCDC reserves the right to make such changes after consultation with the supplier. Should additional costs arise, the supplier must document increased costs. KCDC reserves the right to accept and negotiate these charges.

4. **Codes and Ordinances**

All work covered by these award documents is to be done in full accord with national, state and local codes, ordinances and orders that are in effect at the time the work is performed.

5. **Damage**

- b. KCDC pays by electronic transfer (ACH). Supplier's accounts receivable staff must use KCDC's Supplier Portal to ascertain payments made and to which invoices they apply. Suppliers will set up an account in KCDC's Supplier Portal so that they receive an email with each payment detailing the invoice number and the amount paid.
