ADDENDUM NUMBER: 1

See Question and Answers

**Question:** On the list are Robotic Kits, Components, and Parts. Does this include Robotic kits that would come with a curriculum to support it or is the district strictly looking for the materials?

**Response:** The curriculum included within the instruction guide for specific robotic kits components and parts (especially robotics kits where building for competition) may be used as a set of curriculum rules and standards for instruction.

**Question:** The Bid mentions one shipment, and one location, could you specify the address?

**Response:** The Bid will be for shipments as items are available; the ship to address being different locations District wide. The addresses of the school sites will be listed on the purchase orders.

**Question:** Do you have a previous quotation or model of preference for making the price list?

**Response:** Previous Price List is based off of District wide needs for science and robotic supplies, equipment and kit purchases.

**Question:** Is there any list of quantities of these products bought in previous bids?

**Response:** There is not a specified listed amount of product quantities purchased from previous bids. As per price list, items listed are based off of district wide need with no guarantee.
