The resulting contract shall not be binding upon the City nor should any action be started until it has been executed by both parties and a copy of the fully executed contract has been delivered to the successful supplier. The City reserves the option to prepare and negotiate its own contract, giving due consideration to the stipulations of the supplier's proposed contract and associated legal documents.

4.5. ESTIMATED QUANTITIES

4.10. CHANGES

All work and materials furnished for this project shall be made in conformance with the contract documents. Changes in the scope of work or the terms and conditions of this contract may be made only by written agreement of the parties. COMPANY REGISTRATION

- **Company Registration with the City Of Griffin consists of the following:**

- *(If you are already a registered supplier with the City, simply submit a statement that you have a current registration on file.)*

- **Company/Vendor Registration** – includes basic information about your company. Some of the key information needed are the NIGP Commodity Codes. They help the City identify the services or products you can provide. The City uses these codes to source suppliers for needed purchases. The City uses the email address you provide to send notices of bid opportunities (based on the NIGP code).

- **Vendor Affidavit** – This document is also referred to as the E-Verify affidavit and has been updated to reflect new laws that have recently gone into effect. An E-Verify (EV) number is REQUIRED by the State of Georgia (OCGA § 13-10-91) if you provide labor or services to the City that is valued in excess of \$2,499.99. In addition to the EV number and signature, the affidavit must be notarized. If you are a sole proprietor or your company provides only products, simply initial the statement that applies to your situation and sign. There is no need to notarize the affidavit unless you provide your EV number.

- **W-9** – This document supplies the Employer Identification Number (EIN) or the Social Security (SS) number of the supplier.

NOTE:

- **S.A.V.E. Affidavit** – The new laws redefined 'public benefits' to exclude contracts (purchase orders, verbal commitments, etc). This change means that the SAVE affidavit and its supporting documentation are **no longer required for purchases of goods or services** by the City.
