Notice is hereby given that the City of Kingman (City) is conducting a Request for Qualifications to retain up to three (3) Contractors (for each of the trades specified above) for a Job Order Contract (JOC) to provide annual services for the City of Kingman. Individual job orders could be up to Two-million dollars (\$2,000,000). This is a "one-step" qualifications-based selection process for Construction Services pursuant to A.R.S. § 34- 601 *et seq.* The initial activity will involve an evaluation and ranking of Contractors' qualifications and experience with similar contracting options through a review and evaluation of qualifying Statements of Qualifications (SOQ). The City, at its sole discretion, may make its determination of the final list and rank of the final list solely on the SOQ review and evaluation. The City may select three (3) to five (5) of the highest ranked Contractors for interviews and make its determination of the final list on the combined results of the SOQ review and evaluation and the interview.

The term of this contract will be two (2) years with three (3) additional one-year renewal options. However, services will be requested on an as-needed and if-needed basis and the resultant contract is neither exclusive nor is there commitment by the City that the Contractor's services will be required. Any work issued via a JOC will be estimated at the time of letting and prices will be negotiated one Contractor at a time. If a price cannot be mutually agreed on, the City may contact another qualified Contractor for pricing. There will be no opportunity to re-open negotiations for the specific project with the previous Contractor.
