Ft Mill, SC 29715**

Neither the Owner or the Engineer is responsible for any omissions or deletions to the bids submitted by the Contractor or Sub-Contractor due to receiving an incomplete or partial set of Plans and Specifications.

Bidders are required to inform themselves fully of all laws, ordinances and conditions relating to the construction and labor under which the work will be performed, and each contractor must employ, as far as possible, such methods and means in carrying out the work accordingly. Bidders are required to visit the site and become thoroughly familiar with all existing conditions before submitting a bid. Failure to do so will in no way relieve the successful bidder from the necessity of furnishing any materials or performing any work that may be required to complete the work in accordance with the true intent and meaning of the plans and specifications without additional cost to the owner.

No oral interpretations will be made to the bidders as to the meaning of the Plans and Specifications. Requests for interpretations or clarifications will not be made less than 5 days prior to receipt of proposals. All interpretations and clarifications made to bidders will be issued in the form of an addendum. Such addenda are to be covered in the proposals and in the closing contract they will become a part thereof.
