

ADDENDUM NO. 1

NOVEMBER 1, 2019

PROJECT: INDEPENDENT AUDIT SERVICES
19-20-104

The District has received a number of questions, which we are not going to respond to in detail. However, in general the RFP is being done in a public process and has been openly advertised. This RFP is being distributed in the normal course of business and is not based on any specific concerns. The District's prior audits can be located on the District's website at <https://www.c-vusd.org/Page/92>.
