2020 Copy/Print Services Request for Proposal Portage Public Schools

Proposal Due Date: February 12th, 2020 – 10AM

Principal Contact:
Daniel J Vomastek, Director
Information and Technology Systems
dvomastek@portageps.org
269-323-5113

Address for Proposal Delivery:
Portage Public Schools
Administration Building
Attn: Amanda Howard
8107 Mustang Drive
Portage, MI 49002

Contents

I.   Goal of the RFP

Portage Public Schools (PPS) is seeking a services agreement for a turnkey, managed copy/print/scan solution throughout our 16 facilities, with the devices being provided by the proposer as a part of the proposal.

II.   Key Dates

- RFP Issue Date: January 6, 2020
- Pre-Bid Meeting Date: January 22, 2020 1pm
- RFP Due Date: February 12, 2020, 10am
- Interviews with finalists: Week of March 16, 2020
- RFP Award Date (projected): May 18, 2020
- Project 'Go-Live' Deadline: August 1, 2020

III.   General Instructions and Declarations

- All proposers must agree to the following instructions and declarations. Failure to do so may result in a proposer and their proposal(s) being declared non-responsive thus leading to exclusion from the proposal process and award.
- Vendors interested in submitting a proposal must attend a pre-bid meeting on January 22, 2020 at 1pm in the Portage Public Schools Administration Facility (see address on cover page). At the conclusion of this meeting, proposers will be asked to declare their intent to respond. No questions related to the RFP will be answered prior to this meeting.
- After the pre-bid meeting, all questions must be submitted via email to Daniel J Vomastek, dvomastek@portageps.org. All questions and all responses shall be submitted via email to all declared proposers.
- PPS will consider requests to install data-gathering software to aid in the proposal creation process, however, if approved all data gathered by said software shall be shared with all proposers no less than two weeks prior to the proposal submission deadline. As part of this RFP, PPS will distribute the total volume of each existing device from July 1, 2018 - June 30, 2019, and the monthly volumes of each device starting in January 2019 and ending December 2019 (Appendix 1). Current odometer counts of all devices will also be provided
- A public bid opening will be held at the proposal due date and time.
- Proposals must be submitted by the due date and time. They shall be enclosed in a sealed envelope/package clearly marked with the proposer name and the title 'Portage Public Schools 2020 Copy/Print Services Request for Proposal. The sealed envelope/package shall contain two completed hard copies of the proposal(s) as well as one electronic copy in PDF format on a USB-based storage device.
- Any proposal received at the location designated herein after the exact date and time specified for receipt, will not be considered. (Note: The District reserves the right to consider bids that have been determined by the District to be received late due to mishandling by the District after receipt of the proposal and no award has been made.)
- All responses to this RFP shall be considered public documents. Proposers should not include information they consider to be trade secrets or otherwise harmful to their business should such information be released. Portage Public Schools shall be held harmless from any claim of damages due to the release of submitted proposals. In the event a proposer feels certain confidential information is required in order to fully present their proposal, the proposer shall submit said information in a sealed envelope inside of the main proposal with the word 'confidential' clearly marked on the outside of the envelope.
- Facsimile/Email proposals will not be accepted.
- All terms, conditions, assumptions, and other items contained in this RFP shall be considered a part of the fully executed contract between Portage Public Schools and the successful proposer(s).

- All proposals shall be typed. All proposal response forms shall be completely filled out and signed by an authorized individual representing the proposers company.
- No additional charges, other than those listed as a part of a proposer's response, shall be made. Any applicable shipping/handling charges must be included within submitted proposals.
- Any applicable discounts (MiDEAL, US Commodities, TRIG, etc.) shall be clearly listed in proposals.
- Portage Public Schools has tax exempt status. Taxes shall not be included in final proposals.
- Proposals properly submitted to Portage Public Schools for evaluation shall be considered valid for 90 days.
- Portage Public Schools reserves the right to accept or reject any or all proposals, either in whole or part; to award a contract to other than the low bidder; to waive any irregularities and/or informalities; and in general to make awards in any manner deemed to be in the best interests of Portage Public Schools.
- Any addendums to this RFP shall be posted on our website, www.portageps.org. We will make every attempt to notify proposers of addendums, but it remains a proposer's responsibility to check the site.
- Bid tabulations will be posted on www.portageps.org 2-3 business days after proposal opening.

IV. Assumptions

Portage Public Schools will provide power, network connectivity, telecom connectivity, servers and print queues, paper and other output media, and finishing supplies.

All other costs shall be embedded in a per-impression fee as provided by the proposer as a part of the RFP response – these costs assume the proposer will provide the hardware, software, and non-finishing consumables required to meet Portage Public Schools' copy/print/scan needs. These consumables shall include toner, drums, and any other items/supplies required to create a copy or print prior to finishing. It is acceptable for proposers to quote equipment lease costs as a separate item not included in the per-click cost.

The incorporation of refurbished and/or 'off-lease' equipment is acceptable as long as said equipment is fully warranted 'as new' during the life of the agreement with 'as new' being defined as fully functional with down-times comparable to new equipment.

We will examine the proposals in four segments – multi-functional printers, laser printers, pricing to dispose of existing equipment, and copy/print cost accounting software licensing and maintenance. Proposers may choose to bid on all or separate segments. If an RFP response does not include replacement machines to the district (eg, does not replace laser printers), Portage Public Schools requests that the old machines not slated for replacement are still covered under a maintenance contract, and will expect a cost per impression in the RFP response..

To facilitate the construction of proposals, our total fiscal year 2018-19 (July 1, 2018 - June 30, 2019) copy/print volume is included, as well as the monthly volumes from January 2019 through December 2019. Portage Public Schools makes no guarantee these volume statistics will be predictive of the volume of copy/print during the length of this agreement. Indeed, Portage Public Schools is actively working to reduce its total copy/print costs, of which a reduction of impressions is key. Proposers shall include any minimum impression counts required to secure pricing. Should the minimum not be met by Portage Public Schools, any and all penalties must be included in the RFP response forms where specified.

Additionally, the current fleet configuration is also enclosed in this RFP.

After installation, should any device be deemed not acceptable by PPS, the successful proposer(s) agree to negotiate with PPS on a replacement device.

All meter reads shall be the responsibility of the successful proposer(s), and shall be provided to PPS monthly or on an ad-hoc basis. Software installed on PPS server equipment to provide automated reads to proposer(s) is acceptable. Manual meter reads by PPS staff will not be deemed acceptable.

V.   Length of Agreement

The term of this agreement shall last for three years, with the option for two additional years approved one year at a time upon agreement of both PPS and the service provider. Should any pricing change for years four and five, it shall be fully documented in any and all proposals. **Failure to provide a year four and five pricing breakdown of both cost per impression and any extended lease payments will result in the RFP response being incomplete and will not be considered. If there is any lease buyout provisions or costs at any time during the duration of the agreement, those costs must be outlined.**

VI.   Proposal Design

The proposal shall provide for an equivalent level of service as provided by our current copier/printer fleet as outlined in the "Current Configuration and Utilization" section of this RFP. Proposers do not need to match our existing configuration. We seek a solution that meets our needs, and as such encourage vendors to be creative as they construct their proposal. To that end, proposers should address the following questions as a part of their response:
- Should PPS consider a different number of physical devices to meet our needs? (For example, additional machines with lower output, but with lower per-impression costs?)
- Paper tray flexibility - eg, ability to swap between letter, legal, and ledger sized paper as needed
- Are there other technologies we can consider to lower our copy/print operational costs?

Should a proposal contain equipment with which PPS is not familiar, PPS reserves the right to examine/demo said equipment at no charge to PPS.

VII.   Required Features - Devices
- MFP authentication by PIN code (except for laser printers).
- Color scanning all locations (except for laser printers) – scanning while printing capable - Scan to email by PIN code, or scan to GSuite using alternate credentials
- Support for printing from multiple platforms and device classes
- Collating (except for laser printers)
- Duplex printing (except for laser printers)
- Stapling (except for laser printers)
- 2-up, 4-up, and 8-up printing
- One color output device per site
- One 11x17 inch output device per site
- Automatic document feeder with duplex functionality (except for laser printers)
- Bypass tray
- Support for partially and fully recycled paper
- Support for static IP addressing, and 802.1x authentication
- Support for access control lists
- Support for locked print jobs
- Minimum tray capacity for MFP's, 1,000 sheets of paper in two trays; laser printers, 500 in one tray
- Ability to send/receive facsimiles (one per site)

VIII.   Required Features - Software

Portage currently owns PaperCut MF, with support expiring on June 30, 2020 (unlimited users, 70 licensed devices). Proposer(s) can choose to quote an extension of the PaperCut MF software support, and any additional licenses required to fulfil the needs of this RFP, or quote a different software solution.

If a proposer chooses to quote a different software solution, the required features will be:

- Integration with Microsoft Active Directory
- Integration with Google GSuite
- Compatibility with Microsoft Server 2019
- A cost accounting solution providing usage reports grouped by building, device, and/or user as well as the ability to enforce quotas on users
- Ability to report supply levels and error states of copiers and printers to certain end users
- Ability to have "Follow-Me" Print Queues
- Ability for automated e-mail reports
- Web-based management
- Minimum user count of 11,000 users.

IX.   Optional Features

Portage recognizes that not all copier configurations fit all areas. If proposer(s) wish to add any of these features to a device, please outline that in the response, and also please provide a la carte pricing for each of these items if Portage wishes to outfit a unit either prior to the award of the RFP or after award of the RFP.

- HID-based or barcode-based user authentication (for walk up copy/scan or the release)
- 2 and 3-hole punching
- Optional multiple tray finishers
- For higher volume locations, additional paper capacity options
- Additional fax cards

X.   Service and Training Expectations

It is assumed the successful proposer(s) shall provide training to PPS staff on the use of provided hardware and software. Any limitations to said training shall be outlined in any and all proposals. All service calls are expected to be acted upon within four hours of the initial report. Support contact methods shall be included in any and all proposals.

XI.   Supplies Ordering and Recycling

Please outline all methods of how to order supplies for devices, and any/all toner bottle recycling programs available to Portage, and any costs associated with those programs.

XII.   Current Configuration

Included as Appendix 2 to this RFP, proposers will find a detailed listing of our current fleet of multi-function devices and traditional laser printers. Make, model, location, total fiscal year 2018-19 volume, monthly volumes from January 2019 through December 2019, current odometer readings and output specifics are included in Appendix 1.

XIII.   RFP Response

In addition to any other documentation provided as a part of a proposal, all items in this section must be completed by the proposer in their entirety. If a proposer feels a certain portion of the following does not apply, they should mark said section with an 'N/A' and clearly explain why. The following pages shall be considered binding and a part of any signed agreement. Please note that the pricing summary is split – one section for multi-function printers and one for traditional laser printers with disposal of existing devices incorporated into each section. Proposers may assume PPS will not award, or otherwise consider pricing binding for, the disposal of existing equipment without a corresponding award for copy/print services as outlined in this RFP. Portage Public Schools reserves the right to award either component to the same proposer, award to two proposers, or not at all.

i. Pricing Summary - Multi-function Devices

As per the requirements outlined in this RFP, the proposer submits the following costs for consideration. Prices listed here shall be considered final – should there be conflicting pricing in any portion of a proposal, the following pricing shall supersede any discrepancy.

Price per B&W Impression up to 8"x14" _____

Price per B&W Impression larger than 8"x14" and up to 11"x17"_____

Price per Color Impression up to 8"x14" _____

Price per Color Impression larger than 8"x14" and up to 11"x17"_____

Annual Lease Cost for Hardware if not Included in the Above _____

Cost to Move a Device from One Location to Another _____

Cost/Credit (circle one) to Dispose of Existing Multi-Function Devices _____

Annual Minimum Impressions Required to Secure Pricing _____

Penalties Should the Annual Minimum Listed Above Not be Met _____

Additional Costs not Captured Above (provide costs and details below):

ii. Pricing Summary – Traditional Laser Printers

As per the requirements outlined in this RFP, the proposer submits the following costs for consideration. Prices listed here shall be considered final – should there be conflicting pricing in any portion of a proposal, the following pricing shall supersede any discrepancy.

Price per B&W Impression up to 8"x14" _____

Price per Color Impression up to 8"x14" _____

Total Annual Lease Cost for B&W Hardware if not Included in the Above _____

Per Unit Annual Lease Cost Increase if a B&W Device Were to be Upgraded to Color if not Included in the Above _____

Cost to Move a Device from One Location to Another _____

Cost/Credit (circle one) to Dispose of Existing Traditional Laser Printers _____

Annual Minimum Impressions Required to Secure Pricing _____

Penalties Should the Annual Minimum Listed Above Not be Met _____

Additional Costs not Captured Above (provide costs and details below):

iii. Pricing Summary - Cost Accounting Software

As per the requirements outlined in this RFP, the proposer submits the following costs for consideration. Prices listed here shall be considered final – should there be conflicting pricing in any portion of a proposal, the following pricing shall supersede any discrepancy.

Cost per year for copy/print cost accounting software _____

One time license costs for copy/print cost accounting software _____

iv. Provided Hardware and Software Summary

Proposers shall attach to their response a detailed listing of hardware and software to be placed in Portage Public Schools facilities. At minimum, this information should contain the following:

HARDWARE
- make, model, and quantity included age if not new (provide chronological age and total impressions to date) service history if not new (if available) output sizes and applicable speed in pages per minute
- B&W or color
- power requirements
- availability of drivers and any device connectivity restrictions
- authentication method for walk-up copies and/or release of locked print jobs
- network connectivity and security options
- documentation or links to all additional product specifications
- any deviations or exceptions to the hardware requirements listed in this RFP

SOFTWARE
- product name and provider
- technical requirements and other installation information
- report samples
- documentation or links to all additional product specifications
- any deviations or exceptions to the software requirements listed in this RFP

v. Company Background

As a part of their response, proposers shall provide their company background including size, years of experience, number of employees, etc. Upon request of PPS (outside of the formal response to this RFP), proposers shall agree to an inspection of their financial statements for up to the last three fiscal years. It is understood that PPS shall return this information, that no copies shall be made, nor shall it be disseminated in any way.

vi. References

Proposers shall provide at least five references, including reference name, company name, contact information, company type, number of devices deployed, and annual impressions. References comparable to Portage Public Schools are preferred.

vii. Installation Timeline

In keeping with the key dates listed earlier in this RFP, please provide a detailed installation timeline, with specific facilities indicated. This is required to facilitate summer access to our facilities. Please note that access to Portage Central Middle School and Portage West Middle School may be impacted due to construction schedules.

viii. Partners or Subcontractors

As a part of any proposal(s), proposers shall list all partnering entities or subcontractors who will assist the proposers in fulfilling the terms of this RFP. All partnering entities or subcontractors shall be subject to the same terms of this RFP, and shall submit copies of the Iran Economic Sanctions Act, Familial Disclosure, and Legal Status alongside of the primary proposer.

ix. Iran Economic Sanctions Act

Effective April 1, 2013 all bids, proposals, and/or qualification statements received in the State of Michigan (MCL 129.313) must comply with the "Iran Economic Sanctions Act". The following
certification is to be signed and included at the time of submittal.

Certification
Pursuant to the Michigan Iran Economic Sanctions Act, 2012 P.A. 517, by submitting a bid, proposal, or response, Respondent certifies, under civil penalty for false certification, that it is fully eligible to do so under law and that it is not an "Iran linked business," as that term is defined in the Act.

Signature: _____

Title: _____

Company: _____

Date: _____

x. Portage Affiliation

(if it pertains)

Do you maintain a permanent office, factory, or other facility in Allegan, Barry, Branch, Calhoun, Cass, Kalamazoo, St. Joseph, or Van Buren counties? If yes, please provide the address(es) below:

_____
_____
_____
_____

Have you paid real or personal property taxes relating to said business in the previous tax year?

_____

xi. Legal Status of Bidder

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS. The Vendor and/or Bidder certifies to the best of its knowledge and belief that it and its principals: Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency; Have not within a three-year period preceding this agreement been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction or contract under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property; Are not presently indicted for or otherwise criminally or civilly charged by a government entity (Federal, State, or local) with commission of any of the offences enumerated above in this certification; and Have not within a three-year period preceding this agreement had one or more public transactions (Federal, State, or local) terminated for cause or default; is not now or has been, within a three-year period preceding this date, been listed on the Excluded Parties List System website (EPLS)

.

[1] - Central Middle School will be moving to a new building in the summer of 2020. While the listed configuration reflects the current setup, please refer to North Middle School's configuration for preferred future quantities and locations of copiers and printers. Move-in to this location may be delayed from the published "Start-up date" for other buildings. Machines will need to be removed from this building by June 15, 2020. Installation at the new building will be on a date to be determined.

[2] - Portage North Middle School moved into a new building in August 2019, and moved the copiers and printers from the old location to the new. Not all copier and printer types may be appropriate based on the duty cycles observed from August 2019 to present.

[3] - West Middle School will be undergoing significant renovations from June 2020 through August 2020. Machines at this location will need to be removed by June 15, 2020. Installation of new machines will occur on a date to be determined in late August 2020.
