### **3.7. HOLD HARMLESS AND INDEMNIFICATION**

The Supplier agrees, insofar as it legally may, to indemnify and hold harmless the City, its officers, employees and agents from and against all loss, costs, and expenses, including attorneys' fees, claims, suits and judgments in connection with injury to or death of any person or persons or loss of or damage to property resulting from any and all operations performed by Supplier, its officers, employees, and agents under any of the terms of this contract.

## **4. SECTION IV – OTHER GENERAL SPECIFICATIONS**

Sections II - V review the general terms and conditions. **Any bid-specific information noted in Section I or in the Specifications & Response Section will take precedence.**

### **4.1. LIQUIDATED DAMAGES**

Pursuant to O.C.G.A. § 36-91-24, it is understood that the Notice-to-Proceed and the time for completion of the work as specified are ESSENTIAL conditions of any resulting contract and that the performance and completion of this work within the specified time is vital to the City's economic interests. If the Supplier neglects, fails or refuses to complete the work within the mutually agreed time specified, the City may impose liquidated damages for each day of non-compliance past the scheduled completion date. Unless otherwise specified in Section I of this document or in the resulting contract, liquidated damages may be assessed at a rate of 1% per day of non-compliance.

### **4.2. FORCE MAJEURE**

- 4.2.2. The excuse of performance is of no greater scope and of no longer duration than is required by the Force Majeure;
- 4.2.3. No obligations of either party that arose before the Force Majeure causing the excuse of performance are excused as a result of the Force Majeure;
- 4.2.4. The non-performing party uses its best efforts to remedy its inability to perform. Economic hardship of the Provider will not constitute Force Majeure. The term of the Provider shall be extended by a period equal to that during which either party's performance is suspended under this Section.

The provisions of this section shall not preclude the City from canceling or terminating any resulting award (or any order for any goods or services included herein), or from revising the scope of the Work, as otherwise permitted under this RFP.

## SUPPLIER'S RFP/ITB CHECKLIST

- \_\_\_1 **Read the *entire* document**, paying close attention to critical items such as: supplies/services required; submittal dates; number of copies required for submittal; contract requirements (e.g. bonding and insurance requirements); etc. Note that all bid specific information noted in Section I or in a special Specification section, if there is one, take precedence over the general terms and conditions listed in Section II.
- \_\_\_2 **Note the Procurement Agent's name and e-mail address.** With the exception of written technical questions sent to the project manager, the Procurement agent is the only person you are allowed to communicate with regarding the RFP/ITB from inception until after award.
- \_\_\_3 **Attend the pre-proposal conference** if one is offered. These conferences provide a valuable opportunity to ask clarifying questions, obtain a better understanding of the project, or to notify the City of any ambiguities, inconsistencies, or errors in the RFP/ITB. Pre-bid conferences are not usually mandatory, but are a source of important information and attendance at them (as well as any other bid-related meetings) are considered part of the evaluation criteria.
- \_\_\_4 **Take advantage of the 'question / answer' period.** Submit your questions to the Procurement Agent (or Project Manager and copy the Procurement Agent) by the due date listed in the *Schedule of Events*. Even though you may get a direct response for questions you have asked, a formal addendum will be issued to address any substantive questions so all suppliers will have access to the additional pertinent information.
- \_\_\_5 **Follow the format required in the RFP/ITB** when answering questions and item details. Provide point-by-point responses to all sections in a clear, concise manner and in the order they were requested.
- \_\_\_6 **Provide complete answers/descriptions.** Read and answer **all** questions and requirements. Make sure all items have a response, even if it is a 'n/a'. Don't assume the City or evaluation committee will know what your company capabilities are or what items/services you can provide, even if you have previously contracted with the City. Proposal submissions are evaluated based solely on the information and materials provided in your response.
- \_\_\_7 **Use the forms provided**, e.g. cover page, cost proposal form, standard forms, registration, etc. Make sure to include all required forms (in the proper order) with your submission. You do not need to send a copy of the bid itself with your response.
- \_\_\_8 **Supplier registration.** Supplier registration includes both information needed by the City and affidavits/ information required by the State of Georgia. The City cannot award a bid to a supplier with incomplete registration. Registration is now done online and you can check to see if your profile is compliant (has both EV affidavit and W9) by logging in with your user-id and password. Even if you are not providing labor and do not need an E-Verify number, you will need to note the appropriate reason and sign. Note:
- \_\_\_9 **Check the City website for RFP/ITB addenda.** All addenda issued for the RFP/ITB are posted on the City's website under the associated bid posting. Do not assume that if you received an individual notification of the bid, you will receive all addenda. Notifications are a courtesy effort and the City cannot guarantee that an email notification will reach all of the intended recipients. Before submitting your response, check the website at <http://www.cityofgriffin.com> to confirm if any addenda were issued for the RFP/ITB. If so, you must acknowledge each addendum on the Response document.
- \_\_\_10 **Review and read the RFP/ITB document again** to make sure that you have addressed all requirements. Once the bid deadline has been met, you will be unable to make changes to your response. Your original response and the requested copies must be identical and complete. The copies are provided to the evaluation committee members and will be used to rank your response.
- \_\_\_11 **'Package' your response in the recommended order** of section 1.4. When response submittals are packaged in the same manner, evaluators are able to review them in a more timely, thorough and equitable manner.
- \_\_\_12 **Submit your response on time.** Note all the dates and times listed in the *Schedule of Events* and within the document, and be sure to submit all required items on time. Late submissions will not be accepted.

***This checklist is provided for assistance only and does not need to be submitted with the Supplier's Response.***
