### ADDENDUM NUMBER 1 – 1 PAGES

---

Acknowledge receipt of this addendum by inserting its number, date and signature in the space provided on the last page of the bid package, Proposal Transmittal and Agreement, for receipt of Addenda. Failure to do so may subject Proposer as non-responsive. This addendum should be attached to and become part of the Invitation for Bid.

#### **Questions and Answers:**

-Are you looking for a submittal with an Architect and Engineer team or individual submittals for each firm?

The City of Hanahan is requesting submittals from firms with an Architect/Engineer team to assist with conceptual renderings, architectural plans, site plans, cost estimates, scopes, and more.

- Are you able to share any of the architectural projects that might be a part of the future work?

The City of Hanahan is interested in a wide range of projects and having them shovel ready. We are interested in designing a beautiful green space and farmers market in the town center; a new training facility for first responders; an indoor basketball gym and pickleball courts located at the Hawks Nest Park; a pedestrian bridge across the Goose Creek Reservoir or saltwater side of the dam; and bike ped routes from Tanner Plantation along North Rhett/Henry Brown BLVD to the town center and more.
